ARRIVAL AND DEPARTURE OF TRAINS AT ORANGEBURG.

Table with columns: PASSENGER, FREIGHT, DAY TRAINS, NIGHT TRAINS. Times listed for arrivals and departures.

There have no deaths in our community this week.

Our Fair was a perfect success and we have the pleasure of presenting it to you in more than one aspect.

Roswell T. Logan Esq., at Messrs Walker, Evans and Cogswell, is our authorized Agent in the City of Charleston.

The weather has been very disagreeable during the last week damp boggy muddy and generally unpleasant for out door work.

Orangeburg does a very brisk business and is a healthy thriving little town, which intend to grow, if there is any prosperity in the State.

An alarm of fire Monday evening brought out the firemen. But fortunately it was needless as the fire proved to be in the chimney flue of Mrs. Maul's kitchen and went out in a short time.

We are requested to state that the stallion exhibited at our County Fair by Mr. S. E. Rickenbaker, was awarded the premium. He is a bright bay about 14 or 15 hands high and will be at the service of the public this spring.

Last Monday being sale day there was a rather larger crowd than usual in our town, but not so large as we have often seen when it was not sale day. The meagre attendance was probably due to the busy time of the crop and the very inclement weather.

Please notice our Charleston Advertisements, which we had not time to do after our visit there, just before our last issue. Visitors or merchants going to the city will find it advisable to give our Charleston patrons a call; or by sending an order you will have it filled promptly and to your advantage.

We notice with great pleasure that several of our good citizens have possessed themselves in new and stylish phaetons. It adds to the appearance and gaiety of the public walks, to see such things. Here before such things being almost exclusively possessed by Rads and coloreds have been something of an eye sore to us.

FIRE! FIRE! FIRE!

Benevolence and Sport!

Dr. G. W. Kirby, the champion Ventriloquist and Magician of America, will commence a brief course of Lectures and Exhibitions of the above character, which will afford our citizens a rich treat in the way of Fun as well as instruction, at Elliott's Hall, Thursday evening, November 9th.

Admission for all ages 25 cents each. The proceeds of these Lectures will be donated for the benefit of the Fire Department of this Town.

COMMERCIAL.

ORANGEBURG COTTON MARKET.

THE SINGER STILL TRIUMPHANT!

THE NEW FAMILY SINGER SEWING MACHINE.

WITH ATTACHMENTS FOR ALL KINDS OF WORK is fast winning favor in the household, as shown by the rapidly increasing sales.

THIS NEW FAMILY SEWING MACHINE is capable of a range and variety of work such as was once thought impossible to perform by machinery. We claim and can show that it is the deepest, most beautiful, delicately arranged, neatly adjusted, easily operated, and smoothly running of all the Family Sewing Machines. It is remarkable not only for the range and variety of its sewing, but also for the variety and delicacy of its work which it will sew with equal facility and perfection, using silk twist, linen or cotton thread, fine or coarse, making the interlocked-ladies-stitch, alike on both sides of the fabric sewn. Thus, beaver cloth, or leather may be sewn with great strength and uniformity of stitch; and, in a moment, this willing and never wearying instrument may be adjusted for fine work or gauze or possum tissue, or the tucking of tarlatan, or ruffling, or almost any other work which delicate fingers have been known to perform.

At the world's fair it received the great award of the highest sales!

ORANGEBURG ACADEMY.

The generous patronage, and growing favor, which this Academy has received, since its formation, has afforded great encouragement to the undersigned, and convinced them that industry and application on their part, is all that is now necessary to render a permanent success, what heretofore may have been regarded as an experiment.

They set out with the determination to supply fully the educational wants of the community, and to the accomplishment of this end, they now renew their promise to devote all their energies and abilities.

All the latest improvements in textbooks, modes of instruction, mechanical appliances and discipline, will be carefully discussed and judiciously introduced.

In fact, no pains will be spared to make the ORANGEBURG ACADEMY rank favorably with the best in the State or elsewhere.

Boys will be prepared for College or business, and young ladies given a finished course of instruction.

The male and female departments are kept strictly separated, except during recitations.

Pupils can enter at any time, and those living at a distance will be furnished with reasonable board in good families.

To the Orangeburg Public.

Please allow us to call your attention to, your no small feeling of pride, request your careful perusal of the following:

JAMES S. HEYWARD.

A CARD.

To the Tax-payers and Conservative Citizens of Orangeburg County.

The undersigned, without any solicitation on the part of the Editor and Proprietor of the Orangeburg Times, deem it our duty to urge the claims of this paper on the citizens of the county.

It is passing strange, that men who are being robbed daily, should ignore the claims of this Journal, and continue their support of another paper, conducted in the interest of those who are robbing them, and whose pages are filled with abuse of themselves and all that they hold dear—giving the cold shoulder to this paper, whose sole object is to advance their interests? And yet such is the case!

It is, perhaps, not generally known, that little, if any, of the public printing (which is a county paper's chief support!) is given to it, and hence its claims upon you is all the greater on that account.

Farmers, subscribe to the Times!

Merchants, advertise in this paper!!

Be assured that its career is anxiously watched by the party in power, and that its success or failure will be a sure index of the feeling of our people.

Let this paper fail, and no other proof will be needed, that we do not care to be freed from the vultures who are gnawing at our very vitals!

Is it right? Is it manly; to complain of the yoke, under which we are suffering, and not raise a hand in our own behalf? Support, then, the only organ of the conservative party in the county, thereby aid yourselves!

We desire, in conclusion, to recommend to your confidence the present Editor and Proprietor—we believe that your interests can safely be intrusted to his hands! (Signed)

PAUL S. FELDER, THOS H. ZIMMERMAN, W. D. DAVIS, A. D. FREDERICK, W. W. CULLER, J. D. STROMAN, A. S. SALLEY, M. D.

THE NEW LAWS CONCERNING NEWSPAPER POSTAGE.

The following is a summary of the laws concerning newspaper postage just issued to postmasters:

Sec. 138. That no newspaper shall be received to be conveyed by mail unless they shall be dried and enclosed in proper wrappers.

Sec. 139. That when packages of newspapers or other periodicals are received at a postoffice directed to one address, and the name of the subscribers to whom they belong, with the postage for quarter in advance is handed to the postmaster, he shall deliver such papers or periodicals to their respective owners.

Sec. 140. The postmasters shall notify the publisher of any newspaper or other periodical when any subscriber shall re-

fuse to take the same from the office, or neglect to call for it for the period of one-month.

Sec. 141. That the publishers of new papers or periodicals may print or write upon their publications, sent to regular subscribers, the address of the subscriber and the date when the subscription expires, and enclose therein bills and receipts for subscription thereto without subjecting such matter to extra postage.

Sec. 142. That any person who shall enclose or conceal any letter, memorandum, or other thing in any mail matter not charged with letter postage, or make any writing or memorandum thereon, and deposit or cause the same to be deposited for conveyance by mail, for less than letter postage, shall, for every such offence forfeit and pay five dollars, and such newspaper or periodical shall not be delivered until the postage thereon is paid at letter rates.

Sec. That on newspaper and periodical publications, not exceeding four ounces in weight, sent from a known office of publication to regular subscribers, postage shall be charged at the following rates, per quarter, namely:— On publications issued less frequently than once a week, at the rate of 1 cent for each issue; issued once a week 5 cents additional for each issue; more frequently than once a week. An additional rate shall be charged for each additional four ounces or fraction thereof in weight.

Sec. 159. That on newspapers and other periodicals sent from a known office of publication to regular subscribers, the postage shall be paid before delivery, not less than one-quarter nor more than one year; which payment may be made either at the office of mailing or delivery commencing at any time, and the postmaster shall account for said postage in the quarter in which it was received.

Sec. 160. That the Postmaster General may provide, by regulations for carrying small newspapers, issued less frequently than once a week, in packages to one address from a known office or publication to regular subscribers, at the rate of one cent for each four ounces, or portion thereof.

Sec. 161. That persons known as regular dealers in newspapers and periodicals may receive and transmit by mail such quantities of either as they may require, and pay the postage thereon as received at the same rates pro rata as regular subscribers to such publication who pay quarterly in advance.
