# PACIFIC GUANO COMPANIES

CAPITAL \$1,000,000.

## SOLUBLE PACIFIC GUANO.

This Guano is now so well known in all the Southern States, for its remarkable effects as an agency for increasing the products of labor, as not to require special commendation from us. Its use for seven years past has established its character for reliable excellence. The large fixed capital invested by the company in this trade afford the surest guarantee of the continued excellence of this Guano.

The supplies put into market this season are, as heretofore, prepared under the personal superintendence of Dr. St. Julian Raynor, chemist of the company, at Charleston, S. C., hence planters may rest assured that its quality and composition is precisely the same as that heretofore sold.

J. N. ROBSON, Selling Agent, Charleston, S. C.  
JNO. S. REESE & CO., General Agent Baltimore.

Terms—\$48 cash; \$53 time, without interest.

To accommodate planters they can order now and have until the 1st of April to decide as to whether they will take at time or cash price. When delivered from the Factory by the car load no drayage will be charged.

No Papers that inserted my advertisement last year will please copy. nov 27-3m

**ORANGEBURG ACADEMY.**

The generous patronage, and growing favor, which this Academy has received since its formation, has afforded great encouragement to the undersigned, and convinced them that industry and application on their part, is all that is now necessary to render a permanent success that heretofore may have been regarded as an experiment.

They set out with the determination to supply fully the educational wants of the community, and to the accomplishment of this end, they now renew their promise to devote all their energies and abilities.

All the latest improvements in textbooks, modes of instruction, mechanical appliances and discipline, will be carefully discussed and judiciously introduced.

In fact, no pains will be spared to make the ORANGEBURG ACADEMY rank favorably with the best in the State or elsewhere.

Boys will be prepared for College or University and young ladies given a finishing course of instruction.

The male and female departments are kept strictly separated, except during visitations.

Pupils can enter at any time, and those living at a distance will be furnished with reasonable board in good families.
