WE had a light bail on Tuesday last.

THE F. F. V's., is the new name for the Funny Fellows Varieties.

THE weather on Wednesday was unusually cold for this season of the year.

THE "Swamp Angels" will meet this evening at 8 o'clock, in the Elliott Hall.

LOOK out next week for a letter from Texas giving a full description of climate soil, products &c.

ATTENTION is called to the notice in another column, forewarning persons, not to trade for a certain note, signed F. T. Rickenbaker.

THE card of Mr J. A. Hamilton offers goods at the lowest rates for first class articles. If an article is not No. 1 he prefers not keeping it.

THE Town Council is getting very strict All those who have failed to comply with the ordinances, have had the penalty strictly enforced on them.

THE new order of the "Knights of Pythias" which was organized recently, seems to be very popular, judging from the members who have joined.

WE say to all that wish a good shave or their hair cut and dressed in style, to step down to Brown's shop, on Market street, and you will be well pleased with work. Give him a trial.

See the card of Dr. J. G. Wannamaker, who has just opened a first class Drug Store, filled with the best drugs, medicines &c. He also has on hand a fine assortment of segars.

On Monday evening the Odd Fellows celebrated their 55th aprivesary, by a public exhibition in the Elliott Hall. Mr. T. B. Boyd the orator of the evening spoke in his usual brilliant style, and all his listeners went away highly edified by his stirring speech. The music on that occasion was particularly fine.

McMichael & Blume.

The cheapest cash store in town is the one down at the corner, run by Mrssrs McMichael & Blume. They have on hand the best lot of segars ever brought to this market, the favorite brands are as follows: "La Floresta," Ixion, "Little Bird" "Molliys", Johnny's Choice, and genuine Figaro's and other lower grades, such as Cheeroots &c, The Bar Room in rear of store, has lately been refitted, and is filled with the choicest brands of liquors &c. The Lager Beer is excellent,

Daring Robbery.

Monday night the store of Mr. J. S.

Albergotti was broken in to, by some party or parties unknown. The burglars tried to get in at the door, but the locks were too strong for them, and they succeeded in bursting off some of the weather-boarding, making a hole large enough for a boy or small man to get through who after getting in opened the door and let the rest in. Something must have frightened them before taking all they wanted and in the hurry to get away they left the tools with which they effected an entrance. Mr. Albergotti can't tell exactly how much his loss is, but we suppose it amounts to \$75 or 100. The burglars seem to have liked segars and brandy peaches. The tools that the burglars used had the stamp of the S. C. R.R. on them, Suspicion at once pointed to the hands of the construction train which had been lying over here all Monday night. The Town Marshal went up on the road on Tuesday to where the construction train had stopped, with a search warrant, but could find nothing. The Engineer identified the tools as belonging to the engine, which had been stolen from the tool chest of the engine the night before.

A Reliable Company.

Referring to the destruction of the Haxall & Crenshaw flouring mills by fire the "Richmond Disputch" says:-Early in the day Messrs. Haxall, Crenshaw & Co. received from the President of the Richmond Banking and Insurance Company a letter expressing the sympathy of the Board which he represented for the misfortune of the millers, and said that the insurance company would no require the time authorized by law for the payment of the risk which they had upon the property destroyed, and that the \$10,00 had already been placed to the credit of the firm. Mr. Crenshaw said that he would make an appropriate acknowledgement of this kind act. This staunch Company is represented in Orangeburg by Mr. J. A. Hamilton.
