Mr. Kirk Robinson is authorized to collect and receipt for advertisements and subscriptions to the Times.

Our friends wishing to have advertisements inserted in the TIMES, must hand them in by Monday morning, 10 o'clock.

We are informed that Rev. D. W. Cutting will preach at Santee church, next Sunday, on the subject of Baptism.

We advise any of our readers, who wish to purchase a buggy, to examine the one advertised in another column. It is one of the most convenient in town.

We have a communication from "A. B." which, together with another from "C. D." is pressed out of this issue. They will both appear in our next, however, even if we get one from "E. F."

Mrs. Oliver, the widow of the late Col. T. W. Oliver, has become an assistant in Mr. Mellichamp's school. She is fully competent, and peculiarly fitted for teaching young children, and we wish her success in her new vocation.

The Orange Tax Union met on last Friday night and completed its organization by the election of the following officers:

President—James H. Fowles,
 Vice President—J. G. Vose,
 Secretary—James S. Heyward,
 Treasurer—J. C. Pike.

See notice of Mr. J. A. Williams, practical house and fancy painter. Mr Williams has had an experience of twenty-five years in this line of business, and all jobs entrusted to him will be executed in the neatest style. Call, or leave your orders, at his residence on Market Street.

Mr. C. D. Kortjohn has in a fresh supply of groceries liquors &c., which we believe it is useless to call attention to; for Kortjohn is a man who naturally draws people to him by his genial manners and fair dealing, and besides this, the reputation of his store for blending cheapness with superiority of quality, is well known.

On Thursday night last, a most atrocious murder occurred at Georges' Station. It appears that while Mr. S. T. Jackson and Mr. Stoudenmire were closing up their store to retire, an unknown and concealed fiend fired upon the party, almost instantly killing Mr. Jackson. He is represented as a highly respected and peaceable citizen, and the cause of the crime is still a mystery.

The meeting in Charleston in favor of fair play in the coming election was large and earnest, being attended by both parties, and it is hoped that it may be productive of good results. We repeat what we said before, that if the Radicals don't intend to cheat in this election, they will cause a good Conservative to be appointed as one of the Commissioners of Election at each poll. Policy alone, if not honesty, would dictate such a course, if fraud is not the game.

Mr. T. B. Boyd has returned from the North with a stock of \$10,000 worth of boots and shoes, besides a full supply of groceries. It is probably the largest and finest stock of the kind ever offered in Orangeburg, and we would advise every body, now that winter is coming on, to go around to Boyds and get something that will keep the feet warm and comfortable. You can get suited in this store just as well as any where in the State, and, if from wearing broken shoes you get colds, you have yourselves and not Mr Boyd to blame. See his advertisement.

We were refreshed this week by a visit from Rev. J. G. Williams, author of "The Invasion of the Moon," who was here for several days assisting in a protracted meeting in the Baptist church, and we don't know when we have experienced so pleasant an "invasion" upon our usually monotonous duties.

We were also honored with a call from Mr. T. A. M. Cook, the affable County Auditor of Marlboro', who was on his return from the Springs, whither he had gone for the mingled purpose of seeking health and pleasure. We were glad to note his success in the attainment of both of his objects.

MUCH has been said during the campaign about "surroundings," but we think now the Chamberlaines had better drop the subject, since, in addition to the illustrious trio, Whittemore Bowen and Patterson, they have now TAKEN IN the gay and festive young Governor.

Radical Confusion.

THE Orangeburg precinct Republican meeting, for the purpose of electing delegates to the County Convention, took place here on Tuesday, but did not prove very harmonious in its operations. McKinlay was made temporary chairman, and upon the election for a permanent chairman, Byas was declared elected. To this, a large proportion, if not half of those present, dissented, and claiming that gag law was practiced upon them; withdrew, and organized another meeting in the School house by the election of John Thompson chairman, and Wm. Brown and John Dixon secretaries.

They then unanimously elected the following delegates to the county nominating Convention: Abram Martin, Wm. Brown, A. B. Knowlton, John Thompson, Peter McFall, John Carmichael, J. Felder Myers, Jas. Adams Peter Walker and Edward Aiken.

The other meeting elected J. C. Moss T. K. Sasportas, Marshall Jones, Benj Byas, F. R. McKinlay, R. Turner, Isaac Jones, George Bolivar, Sandy McMichael and R. Adams.

The People's Meeting.

THE people's meeting on Monday in opposition to the Ring was large and enthusiastic, and a greater number of colored people attended and took an interest than was expected for this politically enslaved Radical County. Col. A. D. Goodwin called the meeting to order, and upon motion Dr. T. A. Elliott was called to the chair, and Mr. Edward Felder requested to act as Secretary.

The first and chief business was the election of delegates to the Convention in Columbia, which after considerable pleasant skirmishing, in which nobody was hurt, resulted in the selection of W. T. Rives, W. A. Easterlin, F. W. Fairy, N. W. Sistrunk and Charles Inabnet.

After the adoption of the following resolutions, proposed by Mr. Samuel Dibble, the meeting adjourned:

RESOLVED, That a Provisional Executive Committee of five members be appointed by the chair, whose duty it shall be to adopt such measures as will place before the people of this county, a County Ticket, which will truly represent the honest voters of the County, and which will commend itself to the support of our good citizens, irrespective of parties.

RESOLVED, That said Committee shall be authorized, if it thinks proper so to do, to enter into correspondence with any other political association in the County, and to act with such other associations, as they may deem advisable, in order to secure the object set forth in the first of these resolutions.

S. Dibble, F. W. Fairy, Dr. B. H. Knotts, W. C. Wolfe and D. K. Norris were appointed on this Committee.

For the Legislature.
 CAPTAIN P. W. AVINGER is respectfully nominated as a suitable Candidate for the Legislature in the coming election.
