MORTON HAS HIS WAY

Carries New York by a Greatly Increased Majority.

REPUBLICANS SWEEP THE COUNTRY.

Returns Not Full But Sufficient to Indicate the Results—W. L. Wilson Probably Defeated in West Virginia.

NEW YORK, November 7.—In this state the election was remarkable for the general quietude that prevailed in the city despite the intense party feeling that ran with great fierceness in every district from the battery to Spuyten Duyvil.

With the exception of a few ordinary encounters there was no happening that could be called riotous in any section. A tour of the districts by a close observer resulted in no discoveries more striking than the extraordinary serious, determined mood the average voter seemed to be in. Men who never dream of taking breakfast before 9 o'clock in the morning were everywhere at the polls long before they were legally open for voters. They stood in the chilly air reading their papers, calmly waiting till the time came for business to begin.

In the big districts, on the west side, there were long lines of men who stood for hours without being able to get anywhere near the polls till two or three hours after they had got a place in the single files on the sidewalk. At one time in some of the brown stone districts where the republican strength is noted, many of the voters became suspicious as to the real cause of the slow movement ahead of them and at the ballot boxes, and feeling grew strong that the delay was caused by the "malicious inactivity" of their enemies. In some instances there was some basis for this view of the situation and when it became apparent to the inspectors and the watchers that too much time was being taken up by the slow "coaches" there was a cry "Get a move on" and things became more rustling.

There was actual disfranchisement in hundreds of cases in various parts of the city. Unfortunate fellows, who because of their illiteracy and who were allowed no guide posts behind the screens, were unable to make ballot ends meet legally and had to give up the job finally, were very many. But they were not the only men who had gone to the "trouble" of being registered and lost their vote. The cause of it all was unquestionably the lack of booths.

Two thousand one hundred and sixty-two districts outside of New York and Brooklyn give Morton more than 97,000 over Hill and 67,000 more than Fassett in 1891. Total vote for governor of New York city: Hill 134,050; Morton 152,501; Wheeler 8,757. Grant ran behind Hill and Strong and ahead of Morton.

There was an ominous silence as the returns were read at Tammany hall. "Tammany's beaten" was the cry that roused the hall. The strains of Boyne's band were insufficient to keep people in humor.

Nicholas Bonoho made an address. He said he could not believe that two such "thorough-souled" democrats as Senator Hill and ex-mayor Grant could be beaten in the state and city of New York.

"You have heard me announce in the past years the victories of Tammany hall. I have now, I am sorry to say, to announce a defeat. We have lost the city by 33,000 votes and the state by 100,000 votes. It has been a landslide—a tide that we could not stem. We have, at any rate, nailed our colors to the mast and fought to the last ditch."

A wall went up from the crowd as Mr. McGoldrick gave out the official statement that victory deserted the ranks of the democratic party and that Tammany hall was defeated.

KILLED AT THE AUGUSTA POLLS

John M. Goss, Populist, Shot Down in a General Fusillade.

AUGUSTA, Ga., November 7.—Excitement in Augusta yesterday was intense. There were several fights during the day, one resulting in the death of one man and the wounding of several others. In the fifth ward, which has a large populist vote, John M. Goss, one of the populist workers, challenged a negro vote. In the difficulty that followed Goss drew his pistol and a general melee and fusillade of shots followed. Goss was killed almost instantly, but not until he had emptied his five chambered pistol. Among the wounded were George Meekle, marshal of Summerville, a residence suburb of Augusta, shot in shoulder and side, both flesh wounds; Dan Bowles, shot in forehead, and cut, all flesh wounds; Will Bohler, seriously shot. All parties were white. Others received slight cuts and bruises, negroes and whites fighting on both sides.

TOM DIXON VOTED FOR MORTON

The Disinclined Southern Devise in New York Supports the Republican.

NEW YORK, November 7.—Rev. Tom Dixon, of North Carolina, the distinguished young Baptist divine yesterday voted for Morton and Strong, though he has heretofore always supported the democrats. In an interview he said:

"My first idea of reform is the necessity of Mr. Morton governor of the state. My second idea is the carrying of every constitutional amendment, rapid transit and consolidation included, and the election of the ticket from top to bottom headed by Col. William L. Strong. A reform victory means that we will have a governorship in keeping with the better aspirations of the people. No reform laws could be passed in Albany for the relief of the city if the democratic candidate is elected. I voted for Morton because he represents the possibility for reforming this city."

EJECTED FROM THE POLLS.

Republican Congressional Candidate in San Illinois, Thrown Head Over Heels.

CHICAGO, November 7.—William Lorrimer, republican candidate for congress from the second district, was thrown head over heels from the voting place in Lamont township yesterday afternoon. Twenty-five deputy sheriffs sent from Chicago to that township to preserve order were thrust into jail at Lamont. Justice of the peace Wimer refused to release them on bail. This proceeding was what precipitated the conflict that resulted in the chief of police of Lamont taking Lorrimer into his arms and carrying him into the street.

CHINA GIVES UP KOREA.

Frankly Admits Her Inability to Withstand the Attacks of Japan.

LONDON, November 7.—A dispatch to the Times from Tien Tsin says that the representatives of all the powers were assembled on Saturday last by the Tsung Li Yamen, to hear the Chinese government's statement respecting the critical situation of affairs. Prince Kung, president of Tsung Li Yamen, the dispatch adds, calmly avowed the impotence of China to withstand the Japanese attack and appealed to the powers to intervene, saying that China was willing to abandon her sovereignty over Korea and to pay a war indemnity.

LABORERS FORBIDDEN TO VOTE

Nine Hundred Employed by Detroit Gas Company Could Not Attend the Polls.

DETROIT, Mich., November 7.—Nearly 900 laborers employed by the Detroit Gas company on the streets were forbidden permission to vote by the employers. The superintendent claims the reason was solely because the latestness of the season demanded that the work be pushed.

REWARDS FOR THE SAVANNAH INCENDIARIES.

SAVANNAH, Ga., November 7.—Latest estimates of loss by Monday night cotton fires is \$75,000 to \$80,000. About 8,000 bales were damaged. Two more fires occurred yesterday, but were slight and quickly extinguished. The mayor has offered a reward of \$500 for the arrest and conviction of incendiaries and commercial bodies have also taken action.

Not a Late Letter to Thatcher.

WASHINGTON, November 7.

Private Secretary Thurber states that the letter of President Cleveland to Robert L. Thatcher, made public from Albion, New York, Monday was written on the third day of August, 1893, and related to the presidential campaign of that year.

Mechanics and Families Leave Pullman.

CHICAGO, November 7.—Thirty-four families left Pullman yesterday for Hiawatha, Kan., to join the new cooperative colony there. They included a number of first-class mechanics, former employes in the Pullman shops.

Idaho Also Joins the Banks.

BOISE, Idaho, November 7.—The democrats concede that Wilson, republican, is elected to congress. Careful estimates give the state to the republicans by 2,000 for the entire state ticket.

Prominent North Carolinian Dead.

WILMINGTON, N. C., November 7.—Mayor Jas. Reilly, one of the most prominent ex-confederate soldiers of this state, died at his home in Brunswick county last night.

Manchester Association of Cotton Brokers.

LONDON, November 7.—Manchester merchants decided at a meeting today to found a local cotton market and association of cotton brokers.

Delaware.

WILMINGTON, Del., November 7.—It looks like the republicans will carry three or four districts. Democrats carry seven districts certain. Pearson (Fusionist) claims to be elected in the 9th district. Fifth district indicates that Settle (rep.) is probably elected.

GEORGIA NOT BROKEN

The Delegation Remains the Same Save in the Sixth.

RICHMOND COUNTY ELECTED BLACK.

Watson, the Populist, Gained in Other Counties in the District—Bartlett Succeeds Cahanis in the Sixth District—Others Elected.

ATLANTA, November 7.—Georgia voted yesterday only for congressmen, the state election having taken place last month. The legislature voted for two United States senators electing the democratic caucus nominees by a strict party vote. Hon. Patrick Walsh for the short term ending March, 1895, and Hon. Augustus O. Bacon, of Bibb, for the long term beginning March, 1895. Both are silver democrat favoring return to silver coinage 16 to 1. In the congressional elections all the democrats are elected. There was no uneasiness felt in any but the fourth, seventh, ninth and tenth districts, and in each of these districts the democrats were elected by good majorities, Moses defeating Thorton, populist, in the fourth; Maddox defeating Felton, populist, in the seventh; Tate defeating Twitty, populist, in the ninth, and Black defeating Tom Watson, populist, in the tenth. Richmond county, Black's home, polled 16,000 votes, Watson showing increase in the counties he carried before.

The Georgia delegation not including the above districts will stand: Lester in the first district, Russell in second, Crisp in third, Livingston in fifth, Bartlett in sixth, Lawson in eighth and Turner in eleventh. The entire delegation, with one exception is re-elected, the only change being Bartlett, democrat, in sixth district who succeeds Cahanis, democrat.

TENNESSEE.

Evans, Republican, for Governor is Conceded to be Elected.

KNOXVILLE, November 7.—The congressional fight between Houk and Gibson in this district was the warmest ever known. Congressman Houk went before United States Marshal Gordon and succeeded in having deputy marshals appointed to be stationed at all the voting places yesterday to keep order and arrest all persons caught trying to buy votes. Houk's action in so doing is based on a charge that Gibson issued money to be used for fraudulent purposes.

Brown republican defeats Snodgrass democrat, in third district, by several hundred.

In first district, W. C. Anderson, republican, is elected over Thad A. Cox, democrat.

The Evans was light. In East Tennessee, Evans, republican, for governor, runs ahead of Governor Turney by 20,000.

Democratic congressmen have been chosen in the eighth, ninth and tenth districts.

The friends of Governor Turney claim his election by 10,000 votes.

The congressional delegation will stand seven democrats and three republicans.

ALABAMA.

All Democratic Nominees Elected With Possible Exception of Denton.

MONTGOMERY, Ala., November 7.—The returns from the election in this state, show the election of all the democratic nominees with possible exception of Denton in the seventh which at present seems to be in doubt. The republicans were very active in the fourth and ninth districts, but Robbins and Underwood have good majorities in the fifth, Cobb defeats Goodwyn, leader of the populists.

Opelika, November 7.—General Geo. P. Harrison's friends were as true as steel to him.

Early in the morning two hundred men formed themselves in front of the court house, all well armed, each one sworn not to leave until Harrison was properly represented. It was three hours before the two sides could come to an understanding.

Small vote in First Alabama district, particularly in Mobile city. Clarke, democrat, is elected.

VIRGINIA.

Nine of the Ten Districts Send Democrats to Congress.

RICHMOND, Va., November 7.—Swanson, democrat, carried Danielsville by 500 plurality. His plurality in that district will be about 1,500.

The democrats have carried this (the third) district by 2,000.

Ellet, democrat, Richmond district, elected by upwards of 8,000.

Tyler, democrat, is elected from the second district, by a majority of 2,500 to 2,000.

Chairman J. Taylor Ellyson, gives out the following: "The returns seem to indicate that we have carried the first eight districts. The news from the ninth and tenth (Tucker's) districts is not definite enough to warrant an opinion as to the results of the election in those districts, though we have strong hopes of carrying them both."

Later—Tucker, in the tenth, democratic, is elected by 1,000 majority.

TEXAS.

GALVESTON, Tex., November 7.—The Galveston News announces the usual democratic majority for state officers and the legislature, also the election of democratic congressmen in all the districts with the possible exception of the ninth and tenth districts.

Louisiana.

NEW ORLEANS, November 7.—The republicans have carried the second and third districts of Louisiana, and will probably get the first district also.

Returns indicate the election of five, and possibly six democratic congressmen in this state.

OHIO.

The Republicans Gain Over McKinley's Plurality Last Year.

COLUMBUS, O., November 7.—One hundred and fifty-six precincts in Ohio show a net republican gain over last year when McKinley had a plurality of 80,995, of 470 and 30 precincts outside of Cincinnati show a net republican gain of 695.

Democrat's State Chairman Taylor has just telegraphed the Cincinnati Enquirer conceding the state to the republicans by 90,000 plurality.

Chairman Allen T. Thurman said: "The whole country seems to have gone republican. There is but one bright spot apparent. South Carolina still stands democratic. We have heard from only 155 precincts in Ohio, but that is enough. If it keeps up, the republicans will carry the state by 150,000. It means that there will not be a democratic congressman elected in Ohio. I think Outwaite is defeated by at least 2,500."

In spite of the overwhelming majority against them in the state, the democrats have elected at least three congressmen, and two districts are in doubt. The democrats elected are: Paul J. Sorg, third district; E. C. Layton, fourth; and J. A. D. Richards in the seventh. The fifth and thirteenth districts are in doubt.

Congressman Tom L. Johnson concedes his defeat by between 4,000 and 5,000.

WASHINGTON, C. H., O., November 7.—J. E. Cook, republican candidate for sheriff, who called out the troops a few weeks ago to defend the jail, was defeated by 1,000 votes. The normal republican majority in the county is 900.

WEST VIRGINIA.

Hon. W. L. Wilson Did Not Escape the Republican Deluge.

WHEELING, W. Va., November 7.—Returns from the first, second and fourth West Virginia districts indicate that the republicans have carried all three of them and Wilson is probably beaten, but complete returns may be required to settle the result. Howard, democrat, is beaten by 800 in the first district. The probabilities are that West Virginia will be represented by a solid republican delegation in the next house.

Returns are coming in slowly, but they indicate the republican gains throughout the third congressional district, where Alderson, democrat, is understood to be defeated by Holmes, republican. Democratic headquarters are closed and republicans are jubilant.

There is scarcely a ray of hope for the escape of William L. Wilson from the republican deluge. Dayton has made gains in every county so far heard from.

Miller has also defeated Harvey in the fourth district and the republican committee claims all four congressmen. The indications are that a republican legislature has been elected. This will give the republicans a United States senator in place of Camden, democrat.

CONNECTICUT.

The Republicans Carry the State and Gain Three Congressmen.

NEW HAVEN, Conn., November 7.—Piggott, democrat, for congress, in second district, is defeated.

All Connecticut towns show good republican gains. Returns from twenty towns out of 169 in this state show a republican gain of 1,245 over the vote of 1892.

Returns from seven towns out of forty-one in the second congressional district show a republican gain of 737 over the vote for congressman in 1892.

The republicans have carried the state on their ticket by from five to ten thousand. Besides this, they have gained three congressmen—Henry, in the first district; Sperry, in the second and Hill in the fourth. Russell in the third, is safe beyond peradventure. The republicans carry the senate ticket and will have two-thirds of the house.

PENNSYLVANIA.

Twenty Four, Including Randall's District, Goes Straight Republican.

PHILADELPHIA, November 7.—Returns show the election to congress of Joseph J. Hart, from the 9th district, of J. C. Erdman from the 9th and Charles E. Bucklew from the 17th district, all democrats, the remaining 24 representatives will be republican.

The democratic dissension in the third congressional district, now represented by William McAlister, democrat, and for so many years represented by the late Samuel J. Randall, was shown yesterday to have been even greater than the most hopeful republican had anticipated. McCullon, the democratic candidate, is defeated by Halterman, republican, by 5,000 majority.

ILLINOIS.

Everything Points to a Complete Victory for the Republicans.

CHICAGO, November 7.—Everything points to a complete victory for the republican forces, a largely increased vote for the populist, with little hope for the democrats anywhere. It is now reasonably certain that the republican state ticket will be elected by a big majority.

Republican state central committee claims Illinois has gone republican by 70,000 plurality.

Two hundred and five precincts give Claggett 22,739; Wulfe, 29,546; Randolph, 5,735.

Congressman Springer, of Illinois, concedes his defeat.

KANSAS.

TOPEKA, Kan., November 7.—Returns indicate the election of Morrill for governor and the entire republican state ticket. The republicans probably carry all but two congressional districts. The legislature will probably be republican on joint ballot.

Indiana.

INDIANAPOLIS, Ind., November 7.—Ten precincts in Indiana give for secretary of state: Owen, republican, 1,006; Meyers, democrat, 506.

FLORIDA.

Both of the Democratic Congressmen are Elected by 10,000 Majority.

JACKSONVILLE, Fla., November 7.—Election day in Florida was fair and pleasant throughout the entire state. An extremely light vote was cast, probably about one-half of that cast at the state election in October. The only offices to be filled were those of the two congressmen. In the first district the vote is generally heavier than in the second. Sparkman, the democratic nominee in the first, is elected over McKinnon, populist, by about 10,000 majority. In the second district, Cooper, democrat, defeats Atkinson, populist, by about 6,000. It is not likely that the populists will carry more than four counties in the state, and the vote is close in those. The entire populist vote in the state will not be likely to reach 4,000. Duval county (Jacksonville) gives Cooper a majority of 1,000.

MARYLAND.

Joined the Republican Procession for the First Time in the State's History.

BALTIMORE, Md., November 7.—Maryland's solid democratic front has been broken, and the republicans have made unprecedented gains in every direction. It is certain that three republican congressmen have been elected, Baker in the second district; Coffin in the fifth, and Wellington in the sixth. The democrats carried the third and fourth districts with Rusk and Cowan, but by very largely reduced pluralities. The first district is still in doubt. The republicans gained ten city councilmen and will control the first branch. John J. Dobler, republican, defeated Charles G. Kerr, democrat, for supreme bench judge.

G. L. Wellington, republican candidate for congress in the sixth Maryland district, has carried the district by an estimated majority of 2,000 over Ferdinand Williams, democrat.

IOWA.

Election of Entire State Republican Ticket by 40,000 Majority.

DES MOINES, Iowa, November 7.—A small vote was polled in Iowa and enough returns are at hand to indicate the election of the entire republican state ticket by 50,000 with the exception of Judge Cranger and B. L. Sallinger for the supreme court, whose opponents were endorsed by the populists. The republicans elect ten congressmen and the result in the second district is in doubt with the chances in favor of Walton L. Hayes, democrat, by a small plurality.

FAULKNER'S CONCESSION.

Believes that the House Will be Republican After All.

WASHINGTON, November 7.—Chairman Faulkner, of the democratic campaign committee, claims that the democrats have carried the next house. He says there will be no losses in the south which the committee has not already conceded. He added, however, that if it was true that the republicans secured four of the five congressmen in Brooklyn and all in Massachusetts, that it placed a different aspect on the case.

LATER—Faulkner now concedes the republicans a working majority in the next house.

COLORADO.

McIntyre, Republican for Governor, Gets Two Thousand Plurality.

PUEBLO, Col., November 7.—Pueblo polled 85 per cent of the full registration, the female vote being very large. Thomas M. Bowen, republican, for congress, second district, and McIntyre, republican for governor, will have 2,500 or 3,000 plurality. The election of the entire republican ticket is certain.

Fence, populist, for the first district congressman, is beaten by Shafroth, republican, by 3,500.

ARKANSAS.

The Successor to Clifton B. Breckinridge the Only Congressional Change.

LITTLE ROCK, Ark., November 7.—The election in this state resulted in the selection of the following congressional delegation: First district, P. B. McCulloch; second district, John S. Little; third district, Thomas C. McEhee; fourth district, William L. Terry; fifth district, Hugh A. Dinsmore; sixth district, Robert Neill, all democrats; John S. Little, who succeeds Clifton B. Breckinridge, is the only change in the delegation.

SOUTH DAKOTA.

Republican Ticket, Including Two Congressmen at Large, Elected.

PIERRE, S. D., November 7.—Returns from all portions of the state indicate that the republican ticket, including two congressmen at large, are elected by not less than 19,000 plurality. Returns from legislative districts are not in except from cities and towns, but these fairly indicate that the legislature will be safely two-thirds republican.

KENTUCKY.

Breckinridge's Famous District Probably Gives the Republican Majority.

LEXINGTON, Ky., November 7.—Reports from all over Ashland district indicate a heavy vote. The Breckinridge and ex-confederate element voted largely with the republicans for Judge Denny for congress. Owens' friends are discouraged over the outward indications at the polls. Colored men voted in larger numbers than for ten years, democratic election officers offering few objections.

Denny's majority over Owens in eleven of twenty five precincts in Fayette county is 518. His friends say he will get the county by 1,500, and win by from 800 to 300.

REPUBLICANS CARRY CALIFORNIA.

SAN FRANCISCO, November 7.—Estimated returns from thirteen counties outside San Francisco, give republicans for governor 1,000 plurality.

MANLEY'S SONG OF PRAISE.

Congratulates Chairman Babcock on the General Republican Victory.

NEW YORK, November 7.—J. H. Manley, chairman of the republican national executive committee sent the following telegram of congratulation last night:

"Fifth avenue hotel, New York, November 6, 1894.

"Hon. J. W. Babcock, chairman of the republican congressional committee, Washington, D. C.

"I heartily congratulate you on the result of your labors. Our victory is perfect and complete from Maine to California. The result in New York is the grandest victory of all. We have laid this day a solid foundation upon which to erect in 1896 the structure of national victory for protection and prosperity.

(Signed) J. H. MANLEY.

HOW THE NEXT HOUSE STANDS.

Republicans Gain Thirty-Seven Members From States Indicated.

WASHINGTON, November 7.—The returns show the following republican gains in the next house of representatives: Kentucky fifth and seventh districts; Colorado first district; Connecticut second and fourth districts; republicans claim all four. Delaware, republicans claim the one member; Maryland, sixth district; Michigan gain of five; Missouri Sterrett probably defeats Cobb in the twelfth; New Jersey fifth and eighth districts; republicans claim five districts; New York gain of nine; North Carolina, Settle's election in doubt; Ohio gain of 7; Pennsylvania gain 3; Tennessee gain 1; West Va. gain 4.—Total gains thus far 37.

Massachusetts.

SPRINGFIELD, Mass., November 7.—Springfield's connection with Boston is not regular, and returns from eastern Massachusetts are not many. It is clear, however, that Greenhalgh will have an increased plurality over last year with a somewhat smaller total vote.

Michigan.

DETROIT, Mich., November 7.—Careful compilations of reports received by both state committees indicates the election of John T. Rich, republican, for governor, over Fisher, democrat, by from 30,000 to 50,000. The whole republican state ticket is elected and a solid republican delegation to congress.

Minnesota.

ST. PAUL, Minn., November 7.—Ten precincts from eight counties, give Nelson, republican, for governor 613; Becker, democrat, 175; Owens, populist 313.

Nebraska.

OMAHA, Neb., November 7.—Ten precincts outside Douglass county give Majors, republican, for governor, 669; Holcomb, fusionist, 723; Startevant, democrat, 103.

Mississippi.

JACKSON, Miss., November 7.—All the democratic congressmen from this state are elected by safe majorities, except in the fourth, fifth and sixth districts.

CONCORD, N. H., November 7.

The legislature will be largely republican, and there is no doubt of the election of two republican congressmen.

A Great Fortune.

The huge fortune of the late Mr. Hugh McCalmont, which for seven years has been accumulating at compound interest, will pass into the sole control of the heir, Mr. Harry Leslie Bindell McCalmont, the well-known owner of Isinglass. The amount is believed to be not much, if at all, less than four million pounds sterling, and the bulk of this enormous sum was accumulated by the testator while a member of the one prominent firm of McCalmont Brothers. Rumor has it that the amount to which Mr. McCalmont will succeed exceeds that of the absolute disposal of any other single person in this country, and this is not improbable. Of course larger amounts are owned by some of the great city magnates, but probably in most cases their wealth is not entirely unfettered; it is either subject to heavy charges, or else is invested in business from which it could not be easily disengaged. The largest amount of personal property recorded in recent years was that of Baron de Stern, which amounted, we believe, to some seven million pounds sterling, acquired largely through Portuguese finance operations.
