In view of the great interest taken in the appearance of the scathing prelude in defense of Dr. Parkhurst he was arrested lington Guards Armory on Dec.
the following Tuesday on the order of Tammany Hall, on the northern end of Lake Michigan that remarkable career, condensed from the Detroit Christian Her- was indicted by a packed Grand

"Dr. Talmage's pulpit for years has been the Mecca of the stranger in New York. It is now the pulpit of Rev. Thomas Dixon Jr., whose congregation leased the Academy of Music on the removal of the great Brooklyn preacher. This vast auditorium is now accorded that blocked the street and t auditorium is now crowded that blocked the street and the

Mr. Dixon is undoubtedly a very remarkable man. His youth, his intellectual ability, his gifts of of oratory, natural and cultivated and his chill in the District Attacked and the presidence of the presidence o and cultivated, and his skill in the District Attorney's own church management, joined to motion. In two months every his determination to succeed as a preacher to the people, make him a power worthy of study.

The two Months of Study as a reacher to the people, make him a power worthy of study.

The work was thundered as derived as the standard for Dr. Parkhurst and his work. Mr. Dixon was the standard flag in the world his work. him a power worthy of study.

County, North Carolina, January 11, 1864, entered Wake Forest College, North Carolino, in September, 1879, where he soon became a marked man amount of the secular and insisted that became a marked man among of the secular, and insisted that professors and students. Dur politics is religion in action. ing his college course, besides taking a five year's course in as a sensationalist and seeker after notoriety those who know four years, and standing in the foremost rank as a student, he captured from sharp contestants five gold medals. He was graduated with the highest honors in Ivan 1992 and in the standard standard after notoriety, those who know him personally laugh at such a charge. His manner is free and simple. He cultivates the broadest love for his fellowman, and shuns the city and in June, 1883 and at once enter. man, and shuns the city and ed John Hopkins University, the crowd whenever possible. Baltimore. Here he took a He spends every day he can at post-graduate course of one his lovely country home, Hamwent to New York, and spent one year studying dramatic art and oratory. Returning to North Carolina he became interested in politics. and or twenty and spent Hall, at Cape Charles, Virginia, driving, gardening, boating, fishing, and hunting, in company with his charming wife and children. year. At the age of nineteen bright Hall, at Cape Charles, twenty years of age, before he could vote, was elected a mem-ber of the North Carolina Legyoungest legislator in the United States. He now determined to become a lawyer and a politiciar. Mrs. Dixon acts as his a politician.

He studied law and was ad mitted to the bar, but became travel. persuaded that it was his duty to preach the Gospel. He filled pastorates in Goldsboro and Raleigh, North Carolina, doing ative Bromo Quinine will cure the cone, as we are doing now, but magnificent work in both you in one day.
