LARGEST CIRCULATION ... THE DEMO-CRAT HAS THE LARGEST CIRCULATION OF ANY PAPER IN DARLINGTON COUN-TY AND PUBLISHES THE OFFICIAL ADVERTISEMENTS.

All parties indebted to this office for subscriptions, will please call and settle their arrearages, as we are compelled to have money to keep up the supply of material.

Any person finding a large brass key, which was lost in our streets, will receive a suitable reward if he will leave it at this

#### Stockholder's Meeting.

An adjourned Meeting of the Stockhelders of the Cheraw and Darlington Railroad Company will be held at Florence, on Tuesday next, 23d November.

Attention is called to the advertisement of Miss HUTMACHER, in another column. We have seen specimens of her handywork which would do credit to those of riper years.

#### Cox's Boarding House.

This establishment continues popular, and seems to contain a goodly drove of black birds, if one may judge from the noise they make.

#### Give the Devil his Due.

We did CALVIN JOSEY, the colored deputy sheriff, injustice last week in as much as we intimated that he was sent for DAVIS. This was a mistake of ours, Constable Donse Win-GATE went-but did not bring the person he was sent for. In explanation we desire to say that the latter will no sooner catch than the former, and neither of them fit for the possitions they occupy.

#### We hope this explanation is satisfactory. A Runaway.

On friday evening, a powerful horse came dashing on the square bringing a buggy with him, but not keeping it long. There was no driver, Mr. W. L. KELLY had found the place uncomfortable and had judiciously, but precipitately left it. The buggy struck a tree-the shafts were broken an umbrella dislocated-the coupling tongue bruised and Pointoes-it was Bill Kelly's buggy-thrown

everywhere. The horse was frightened by the new steam engine. This engine so far as its frightening abilities are concerned, had as well have been put in the middle of the

### Academy of our Lady of Mercy.

We learn that the Sisters of Mercy, of Sumter have established an Academy of our Lady of Mercy in Wilmington, N. C, which was opened on the 11th of October. The course of instruction will embrace all the branches required for a lady's education.

We regret to state says the Benettsville Journal, that Rev. C. H. Pritchard Pastor of Benetsville M. E. Church, and of the Circut. met with a severe acident recently, having been thrown with great violence to the ground by a horse which he was riding at the time. Mr. Pritchard was severly injured in the back, from which he is still suffering, although he is not confined to his bed.

One of the few really successful enterprisesof the day is PARKER & Co.'s One Dollar Sale. Their system offers a greater opportunity for the purchase of the thousand and one useful articles, at a price that comes within the reach of all classes, than any

It is a well understood fact, that certain classes of goods pay the dealer a very large percentage of profit: This appears almost necessary, especially in Fancy Goods, Jewelry, Silver plated Ware, &c., of which a dealer does not sell sufficient of any one article to make it an object of trade, and is obliged to purchase in small quantities; and when the goods are sold by three or four classes of merchants, and each charge a very large profit, the price becomes double the original cost of manufacture before reaching the hands of the people.

It is in such goods Parker & Co., 98 & 100 Summer St., Boston, deal most extensively. There sales are so immense they make each article a specialty, often buying all a manufacturer can produce. Their system gives universal satisfaction. Read their advertise-

Sarsaparillian Resolvent HAS MADE THE MOST ASTONISHING CURES, SO QUICK, SO RAPID ARE THE CHANGES, THE BODY UNDERGOES UNDER THE INFLU-ENCE OF THIS TRULY WONDERFUL MEDI-CINE THAT

Every Day an Increase in Flesh and Weight is Seen and Felt.

is Seen and Felt.

Serofula, Consumption, Syphilis, uncured and badly treated Venereal, in its many forms, Giaudular disease, Ulcers in the Throat, Mouth, Tumors, Rodes in the Clands, and other parts of the system. Sore Eyes, Strumous discharges from the Ears, Eruptive diseases of the Eyes, Nose, Month, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ming Worm, Sait Rheum, Erystpelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparillian Itessivent, and a few days use will prove to any person using it for either of these forms of disease, its patent power to cure them.

Not only does the Sarsaparillian Resolvent excel all known remedial agents, in the cure of Chronic Scrofulous Constitutional, Skin and Syphiloid diseases but its the only positive remely for Kidney, Bladder Urinary, and Womb diseases, Gravet, Disbetes Dropsy, Stoppage of Water, Incontinence of Urine, Hright's disease, Albaminurin, and in all cases whore there are Brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or three's like white slik, or there is a pricking, burning sensation when passing water, and pain in the Small of the Back, and along the Loins. In all these conditions Radway's Sarsaparillian Resolvent aided by the application of Kadway's Ready Relief to the Spine and Sonall of the Back, and the Bowels regulating Pills per day, will soon make a complete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color.

be restored to its natural clear, and amber or sherry color.

THE WASTES OF THE BODY

are supplied with new, healthy, and vigorous blood, that furnishes sound structure. Hence ell suffering from Weakening Discharces, either MALE or FEMALE, of the Wemb, Uterus, or other organs, whether Lemoorhosa, Sperm, or Eruptive discharges, of every kind, or from violence of "Self-abuse," from the Genital Glands, or Venereal discharges, or uters, or sores, through the repursitive process of RADWAY'S SARSAPACILLIAN, are arrested, and the ruptured organs heated.

THE TRUE THEORY OF CURE.

RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweet, and structure-making constituents with Tissue making, Flesh making, Hoat or Calorie and Fat making elements. All of its constituents are neurishing, purifying, and strengthening. It Repairs, Heats, Resolves, and driver out of the body the products of Decay and Cornuption. CONSUMPTION, WHITE SWELLING, DROPSY, SYPHILLS, CANCERS, TUMORS, &c., are all of a scrotulous disthesis, and as such, are within the curative range of the SARSAPAKILLIAN RESOLVENT!

1. That Scrofula, by whatever name designated, is range of the SARSAPARILLIAN RESOLVENT!

1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic inflamation. That those deposits take place when the blood is poor, weak, watery, and incapable of helding in solution its proper constituents, or from the presence of some virus or poison in the blood, as Mercury, Calornel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury or other agents, given in medicines and which enter largely in the common advertised Sarsaparillas, NOT ABSORBED OR CHANGED FROM THEER NATURAL CONDITION.

That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will su-pervene, and the powers of life become exhausted. 3. That the dying body cannot be sustained on any treatment of medication that exhausts the system, or fails to noursh the blood, the only medium through which the wird forces are preserved, and on which the growth of the body depends.

4. That Radway's Sarsaparlllan Resolvent supplies a want never before possessed or known to exist in medicine, that this new found principle in Chemical science, which has been brought to such a perfect system of cure is exhibited as follows:

1. Its great power in assimilating the food in its first stage of distillation in the process of digestion, as chyme and chyle with the nourishing elements of blood, seperating from these liquids refuse and inert qualities before they are taken up by the lactecals and are formed into blood. Here we see that by its wonderful seperating from these liquids retuse and mery qualities before they are taken up by the lactecals and are formed into blood. Here we see that by its wonderful power it charges the system with the very essence or principle that forms the vital powers of the body, and its chemical action on the blood in its primitive and complete condition, separates every atom of refuse material or element, out of which the viruq of disease is formed.

2. That, the blood thus prepared, and supplied with these neurishing properties becomes strong, rich and healthy, and holds in solution its proper constituents, through the Sarzaparillian Resolvent; and repairs the wastes of the body with sound and bealthy structures. Such is the wonderful power the Sarzaparillian Resolvent; and price of the system, that no virulent humors or poisons will exit by which deposits are made.

3. The rapial- which the Sarzaparillian enters the circulation, and communicates its curative powers through the Blood, Swaat, Urine, and other fluids, secures the constituent secretions of such respective organ, establishing functional harmony throughout the system; through its action and power over the Secretions, the Liver secretes its natural or proper allotment of hie; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only existing the should be such as the strength of the sixth of the sixth

in health.

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the Sarsaparil-Han Resolvent is unlimited, and that every disease that is of a Chronic, Scrafulous or Organic Diathesis. is, properly within its special range.

THE GREAT SECRET OF CURE in this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and deprayity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT.

ospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it and the elements of decay and decomposition supervene. Radway's Sarsaparillian Resolvent is to the blood and general system what Oxyozn is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural con

Mr. Groege Morthern, a commercial traveller, in Canada West, writes us, under date of April 17, 1809, from Woodstock:

"The SARSAPARILLIAN RESOLVENT is in great demand, and working wonders. Mr. Hoao, of Straffordsville, merchant, told me of a case where a woman WAS BILND, but, by the use of the SARSAPARILLIAN RESOLVENT, can now see to read. The cure is regarded as wonderful.

"Messys. White & Scott, principal druggists here, inform me of a person of note—high social standing—who for years was allifted with DYSPEPSIA and GRAVEL, who has been entirely cured by RADWAY'S SARSA—PARHILIAN RESOLVENT.

Mr. Hoas reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a few bottles of SARSAPARHILIAN RESOLVENT.

"Mr. JONATHAN PRESOLVENT.

"In overy town I visit I hear of wonderful cures by the SARSAPARHILLIAN RESOLVENT. For every kind of Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured; so with Pits, Scrotula, White Swelling, Sore Heads and Eyes, Nose and Mouth, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take it become strong, sound, and healthy.
