

by the colored people who were duped, that the Freedmen's Bank established by the Republican party ostensibly for their benefit, as soon as its coffers got full of the hard earned savings of the colored people, broke up, and the money disappeared.

The Bank was established, managed and finally robbed by Republican philanthropists. Nobody else is responsible.

Mr. Ellis, a Democrat, has now introduced a bill into Congress providing that the whole of the assets of the Freedmen's Bank shall be realized within eight days, and appropriating two million dollars to pay the depositors or their representatives who are the colored men and women of the South.

The bill meets Democratic support, and, if impracticable at this session, at least at the next relief will be given to the colored people on this score, and the Democratic party will be put on record before the country as restoring to the "nations wards," the colored people, the money that the Republicans stole from them.

No wiser stroke of policy could be adopted by the Democratic party, and the attention of the colored people, and especially of those who have suffered, is called to these movements.

An application is to be made to Congress for \$115,000 to improve the harbor of New—"Treason!" "Solid South!" "Raid on the Treasury!" "National Funds for Sectional Purposes!" Do let us finish—won't you?—the harbor of New Haven, Conn. (Oh! certainly! Nothing could be more national or correct!)

A good book and a good woman are excellent things for those who know how justly to appreciate their value. There are men, however, who judge of both from the beauty of the covering.

The City Council of Charleston have made a contract for the establishment of water works in the "City by the Sea" which will place her on a footing with all other cities of importance.

VEGETINE.

HER OWN WORDS.

Baltimore, Md., Feb. 13, 1877.
 Mrs. T. R. Stevens:
 Dear Sir—Since several years I have got a sore and very painful foot. I had some physicians, but they would not cure me. Now I have heard of your Vegetine from a lady who was sick for a long time, and she got all well from your Vegetine, and I went and bought one bottle of Vegetine, and after I had used one bottle the pain left me, and it began to heal, and then I bought another bottle, and so I take it now. I thank God for this remedy and yourself, and wish every sufferer may pay attention to it. It is a blessing.
 Mrs. C. KRABE, 62 West Baltimore Street.

VEGETINE

SAFE AND SURE.

Mrs. R. R. Stevens:
 Dear Sir—Your Vegetine was recommended to me by a friend, and I tried it. At the time I was suffering from a very severe and irregular habit, and was very weak and nervous. I was unable to do any thing, and my system was so disordered that I could not get any sleep. I had tried many other remedies, but they did not do me any good. I then bought your Vegetine, and after I had used one bottle I felt much better, and after I had used two bottles I was completely cured. I now feel as well as ever, and I can do any thing I wish. I thank you very much for your Vegetine, and I wish every sufferer may pay attention to it. It is a blessing.
 Mrs. A. A. DUNSMON, 12 Russell Street, Boston.

VEGETINE

THE BEST SPRING MEDICINE.
 CHARLESTON, S. C.
 Mrs. R. R. Stevens:
 Dear Sir—It is to certify that I have used your "Vegetine" in my family for several years, and think that for Scrophulous or Cancerous Humors or any other ailments it is the best medicine I have ever used. I have used it several times, and I have seen it cure many others. I wish every sufferer may pay attention to it. It is a blessing.
 Mrs. A. A. DUNSMON, 12 Russell Street, Boston.

VEGETINE

WHAT IS NEEDED.

Boston, Feb. 13, 1877.
 Mrs. R. R. Stevens, Esq.:
 Dear Sir—About one year since I found myself in a very feeble condition from general debility. Vegetine was strongly recommended to me by a friend, and I tried it. It cured me, and I have since used it several times, and I have seen it cure many others. I wish every sufferer may pay attention to it. It is a blessing.
 Mrs. A. A. DUNSMON, 12 Russell Street, Boston.

VEGETINE.

ALL HAVE OBTAINED RELIEF.
 Boston, Mass., Jan. 17, 1877.
 Mrs. R. R. Stevens, Esq.:
 Dear Sir—I have had dyspepsia in its worst form for the last ten years, and have taken hundreds of dollars worth of medicine without obtaining any relief. In September last I commenced taking the Vegetine, since which time my health has steadily improved. My food digests well, and I have gained many pounds of flesh. There are several others in this place taking Vegetine, and all have obtained relief. Yours truly,
 W. L. PRATT, 10 State Street, Boston.
