A Hail storm Passed over a section of St. Matthews on last Thursday doing some damage to crops near the State road. We understand that the cotton and corn crops on Messrs. Our deepest sympathies are with the parents in their great affliction,

but we extend to them the consolation that while they may miss the merry prattling of their little one about their hearthstone, she has been taken away in the tender age of innocence and purity before the foul breath of sin has tarnished her spiritual beauty, and has been transplanted to a more congenial clime of eternal joy, love and happiness.

The Mayor's Election In Charleston seems to be exciting considerable attention among the local politicians. The principal candidates are Capt. W. A. Courtenay, Major W. J. Gayer and Major W. W. Sale, the present incumbent.

Despite the dissatisfaction against Major Sale he is the strongest man with the workmen, and it will be hard to beat him. The intentions in the Democratic ranks are rather unfortunate, as the Radicals are trying to wedge in between. It is even hinted that Geo. I. Cunningham is looking to the Sheriff's Office the next time, and with that view will take part for one of the Democratic candidates. We trust that no compromise or bargain will be entertained, and that any party leaning in this direction will meet with a Waterloo defeat.

Is it True That a remedy has been compounded which will do away with the mineral and drastic purgatives of the past centuries, and which, while entirely efficient, will leave the system in its former healthy condition? Yes, the remedy is Tabler's Purgative, or Vegetable Liver Powder; a cure for all the disorders arising from a torpid liver, and as innocuous as spring water. Give it a trial. It will do what it promises. Price 50 cents a bottle. For sale by Dr. J. G. Wannamaker.

Out at Last Good morning, friend A., I am surprised to see you out, and looking so well; I heard you were confined to your room, and bed, by that pest of humanity, Piles. "Yes, Mr. B., I had been long a sufferer when I heard of Tabler's Buckeye Pile Ointment. It proved a blessing to me indeed, one bottle having so far restored me as to enable me to be about my business again with ease and comfort. You can recommend it as a genuine remedy." Price 50 cents a bottle. For sale by Dr. J. G. Wannamaker.

40 Years Before the Public. THE GENUINE DR. C. McLANE'S

LIVER PILLS, FOR THE CURE OF Hepatitis, or Liver Complaint,

Symptoms of a Diseased Liver. PAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dull, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone some thing which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively deranged.

AGUE AND FEVER. DR. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise all who are afflicted with this disease to give them a FAIR TRIAL.

For all bilious derangements, and as a simple purgative, they are unequalled. BEWARE OF IMITATIONS. The genuine are never sugar coated. Every box has a red wax seal on the lid, with the impression DR. McLANE'S LIVER PILLS. The genuine McLANE'S LIVER PILLS bear the signatures of C. McLANE and FLEMING BROS. on the wrappers. Insist upon having the genuine DR. C. McLANE'S LIVER PILLS, prepared by Fleming Bros., of Pittsburgh, Pa., the name being full of imitations of the name McLANE, spelled differently but same pronunciation.

A fresh supply of Landreth's Seeds always on hand.
