The Orangeburg Times

LOCAL

Let us have peace.

Now for material progress.

Let us build up factories.

Hard work was done on election day.

Let us mark the workers and the laggards.

Three cheers for Hagood, our Governor!

The vote was unusually heavy at the Court House.

The Rads tried bull-dozing wherever they were in the majority.

Grum faces, threats and sticks don't scare worth a cent.

The ticket scratchers are all known and will be watched hereafter.

If trouble comes who will be responsible? We think we know.

The election was quiet and orderly at the Court House poll.

The Greenback bait did not take. The Rads did not take up the ticket.

In the election of Hagood South Carolina has an excellent Governor.

The Hancock electors have carried this State by 40,000 majority.

The election has passed off all over the County with far less trouble than was anticipated.

Several arrests were made at the Court House on election day, but everything passed off quietly.

Three cheers for Hugh S. Thompson! The public schools are all right.

It is said that the Democrats at Togle's Poll turned out very poorly. How is that?

A hard rain came down after the election to soothe the feelings of the disappointed ones.

How about you, Democrats on the Republican ticket! An explanation is in order.

It would be cruel if it should happen that the Garfield Electors were defetaed in this State by "329" voters.

Some mischievous fellow has printed on the Post Office, almost as large as a barn door, the mysterious figures "329."

Preacher Webster is all right. He will still keep the Post Office and preach, and keep Alonzo Jr., in a fat place.

We are told that Mr. J. C. Pike did much good at Ayer's Poll by his presence. This is the way for our big merchants to work.

Pupils can enter "Mellichamp's School" at any time during the session which is now in regular progress. 40 have already been enrolled with the prospect of increase.

The grand Radical procession on Saturday turned out "329." It is unfortunate that this number should turn up so often. It is such a cruel order of Garfield's steal.

A number of colored public school teachers in our county voted against the Democratic ticket. Is this the return for good schools, and prompt payments?

Parson Pinckney was at the head of the County Radical ticket for Senator. In the fitness of things Parson Webster ought to have been at the tail for Coroner.

We can't believe that any of the Democrats on the Radical ticket either authorized their names to be put on the ticket, or will let the thing go unchallenged.

400 lbs. of choice green tea at Kortjohn's, at 40, 50, 75 cts. and $1 per lb. No greater bargain has ever been offered, and "Don't you forget it."

Mr. G. F. Sandford of the Fork, living near Two Mile Swamp, has handed into our office several stalks of sugar cane 8 feet in length. The whole patch averages the same.

E. W. M. Mackey paid quite a compliment to the Republican party of Orangeburg when he told Judge Bryan last week that if Geo. F. McIntire was removed as Supervisor he could not find a competent man in the party at Orangeburg to take his place.

The white men who are seeking to array the races against each other are marked if trouble comes.

Democrats on the Radical ticket, we will unravel the question of your acceptance and relieve you—you will not accept.

Not a word yet from the Democrats on the Radical ticket. How is this? Silence won't do. Explain to us how it is.

Physicians use Shriner's Indian Vermifuge in their practice and pronounce it a first class article. A trial will convince the most skeptical of its intrinsic merit.

Mr. John Riley of Jamison has placed upon our table a curiosity in the form of a single slip vine with 28 slips from one shoot. They are of the redwhite variety.

Five keys on a ring was picked up near Orangeburg Poll on Tuesday which the owner can have by applying at this office and paying for this advertisement.

Webster, Straker and the rest of the County office-seekers, it seems, are going to die hard. Boliver we suppose is to furnish the barrel. Boys you had better save your money, and stroke your backs down.

Kortjohn is selling goods 50 per cent. less than he did two weeks ago. Now is your chance to get bargains. Three loads carpeting have just arrived, with orders to sell immediately.

The entire stock of goods at Kortjohn's is now offered to the public at 20 per cent. below the market price. "Don't you forget it." Coats, overcoats, pants, shirts, hats, and a full stock of ladies' dress goods.

The negroes tried a bull dozing game at Washington Seminary on Tuesday night by drawing up in line and firing about 200 pistols and guns, but the Democrats, who have smelt powder before, did'nt scare worth a cent.

The apostles of hate, Webster and the other Radical leaders have thoroughly done their work, and aligned the blacks against the whites. The Post Master's salary and the prospect of a Congressman's salary will be their reward.

The systematic manner in which the colored people armed themselves with clubs at every poll shows that they were acting under regular orders from their leaders. It was a part of the Radical campaign, but bull-dozing can't scare Democrats.

We notice a supply of looking glasses at Kortjohn's store, consigned by New York houses, with orders to sell at once. You can get a glass from 5 cents to $8. (about half their value.) Go at once and secure $2 worth of goods for $1.

Go to Prof. Van Osdell and have your pictures taken before it is too late. He leaves on the first of December. Call early and avoid the rush. Also fine frames and moulding can be found at his gallery. Don't put off to the last week.

W. S. Dogan Esq. of the Columbia "Register" is here soliciting subscribers for his excellent paper. The "Register" is a bold and outspoken paper, and has done magnificent work in the Democratic cause through the manly, vigorous and independent editorials of Col. Pope. No one will regret subscribing for it.

About the biggest fool we saw on election day was one Sam Lewis who was strutting about at Bookhardt's in the regalia of a United States Marshal. He thought he was smart, but his party ought to dress him up in a striped suit and a cocked hat for the damage he has done them for the lack of brains.

Mr. Riggs of Connecticut, a nephew of our townsman, Mr. Harpin Riggs, paid us a call this week at our office. He is editing a paper at the North, and we are glad that he was present during the election, so that he can correctly report the ways of politics in the South. He is a clever and genial brother of the quill.

Butterick's fashion sheets for Nov. is now ready at Henry Kohn's. Call or send for one.

Extra fine beef, pork and mutton furnished every week at the well regulated market of Marion Jackson.

Shake 'Em Up! When the Liver is diseased, then Fever and Ague steps in to "shake 'em up." To avoid this malady, when you find your Tongue Coated, your Body and Limbs Paining, Appetite gone, Eyes Yellow, Bad Breath, Feet Cold and that you are Bilious, Coughing, miserable and generally sick, take no medicines; use Dr. Flagg's Improved Liver and Stomach Pad and shake the Shakes.

Another supply of the popular White sewing machines received at Henry Kohn's. Every machine has a written guarantee for five years.

All the leading shades in silks, satins, brocades, cashmeres, and worsted are to be found at the dry goods bazaar of Henry Kohn.

One of the most useful and comfortable articles for our people to use is the inside sole or foot protector, composed of wool and cork, worn in the boot or shoe. It is a sure remedy for rheumatism and proof against cold and damp feet. For sale by P. A. Leffendahl at 25 cts per pair.

J. I. Sorentrue is just in receipt of a large lot of Tobacco of all grades, which he will sell cheaper at retail than the same could be bought in Charleston at wholesale, and another choice lot of Hams at 10 cents per pound. Go to see him.

It is found at last! Something new under the sun. A new era is drawing upon woman. Hitherto she has been called upon to suffer the ills of mankind and her own besides. The frequent and distressing irregularities peculiar to her sex have long been to her the "direful spring of woes unnumbered." In the mansion of the rich and lowly of poverty alike woman has been the constant yet patient victim of a thousand ills unknown to man—and without a remedy. "Oh, Lord, how long?" in the agony of her soul, hath she cried. But now the hour of her redemption is come. She will suffer no more, for Bradfield's Female Regulator, "Woman's Best Friend," is for sale by Dr. A. C. Dukes, and also by Dr. J. G. Wannamaker.
