**UNPARALLELED SUCCESS**  
OF THE  
**White Sewing Machine**

The White is King.  
TUNE—My Grandfather's Clock.  
AS COMPOSED AND SUNG BY WILLIAM GREGG OF NEW ORLEANS, LA.

My grandfather Rowe, thirty-five years ago Lay dreaming at midnight in bed, Next morning he told a wondering world Of all that passed through his head. And this was the song that he sung to his chums, As they chuckling ferried in a ring: The Wheeler & Wilson and Singer went in And agreed to a very wicked thing. Chorus—Thirty years of monopoly, Ring Ring, Ring! Millions put in our treasury, Sing, Sing, Sing! But they stopped short, never to go again, When the "White" became king. The next thing they did was our Congress to bribe The extension of patents renew. Thus millions of money were wrung from the poor By these tyrants, the privileged few, But there came a glad day when our wrongs were made right, Our nation as one man arose, And said to Congress, our servants ye are, So down the monopoly goes. Chorus—Thirty years, etc.

As the day of our freedom has come to us now, We're allowed all the patents to use, So old Mr. Singer just take a back seat, For all your bad points we refuse. And now let us shout of a perfect machine, Self-threading and quiet and light; So friends all unite in the chorus we sing, As we tell of the beautiful "White." Chorus—Thirty years, etc.
