POISONED BY A SPIDER.—Mr. John Felder, a carpenter in our town, was stung on Wednesday morning by a spider, and seriously poisoned. He is suffering very much from the effect and is entirely disabled from work.

TOWN ELECTIONS.—In another column it will be seen that an election for Mayor and four Aldermen for Orangeburg will be held on Tuesday, the 13th of September. The books will be open for registration on the three weekdays previous.

A RASH ACT.—H. W., writing to the Times, from Vanees Ferry says: "A fine, male of Mr. J. S. Hart's was shot yesterday (Sunday) by a negro for jumping in the fields, and died last night." We had several good rains here of late, which is doing the rice good.

DEATH.—Mr. Fred Sycphrett, a brother-in-law of Mr. Jas VanTassel, for many years a merchant at Branchville, but who, a few months ago, emigrated to Brooksfield Ga., we regret to hear, died at his home at the latter place on Monday. Our sympathies are with his family and with his friends and relatives in Orangeburg.

TEACHERS FROM ORANGEBURG.—The following teachers from Orangeburg, are now in attendance upon the Normal Institute in Greenville: Mrs. A. R. Zimmerman, Miss M. A. McMichael, Mrs. M. E. Caldwell, Mrs. M. E. Whetstone, Miss Mamie J. Edwards, Mrs. Mary Pemberton and Mr. Hugh W. Pemberton.

APPRECIATED.—On Wednesday morning we were gracefully presented by Miss Adella Rayson with some beautiful, ripe and rosy peaches, from the orchard of Mrs. A. D. Frederick. Such attentions and remembrances gladden the heart of the editor, and lighten his burdens more than we can express.

PEACHES.—We return many thanks to Sam Stephens, a colored farmer of Cow Castle township, for a box of fine peaches raised by him. They were large, beautiful and delicious, and the best of it is he has fifteen trees all bearing the same fine and excellent quality of fruit.

REVIVAL.—The meeting was prosecuted after the Union at Antioch, and a refreshing revival resulted. Nineteen persons were added to the Church, and the religious feeling in the community is better than it has been for years. Rev. G. J. G. gave much of his time to the cause from Orangeburg.

RELIGIOUS MEETING.—There will be a grand mass meeting at Union Camp-ground on the second Sunday in September. Dr. A. G. Haygood, President of the Synod of Georgia, a most distinguished and eloquent Methodist divine, will preach in the morning; and probably Mrs. Bishop Wightman will address the ladies in the afternoon.

FIRST BALE COTTON, CROP 1881.—Mr. James F. Way of St. Matthews has the honor for the fourth time in succession of sending to Market the first bale of cotton raised in the county. It was brought into town last Friday, and sold to Messrs Bull, Seoville, who classed it low middling. The bale weighed 435 pounds and brought 102 cts. This is two days earlier than last year and six days earlier than the year before.

A GOOD HIT.—We learn that the boys at Graham's, a few days after the Priester trial, organized a regular court, with judge and jury, and tried a cat for murder, the offense being the killing and devouring of a pet bird. Argument having been heard on the part of the juvenile lawyers, and the judge's charge being delivered in due form, the jury, after a short absence, brought in the verdict "not guilty" on the plea of *innocentia*.

SCHOOL TRUSTEES.—The following gentlemen have recently been appointed School Trustees for the various School Districts in the County, in which they live: Wm. Wise, Col. A. P. Amaker, Dr. J. D. Inabnet, S. C. Tindal, J. H. Harley, A. R. Phillips, J. A. Kennerly, Rufus C. Salley, W. A. Mackay, Ferry W. Garick, Frank Way, J. R. Felder and Rev. W. F. Chaplin.

ON THE WING.—The Orangeburg team, while on the way to the Spartanburg Gun Tournament stopped over on Wednesday and played a match game with the Columbia Club, resulting in a victory for Orangeburg, in a score of 33 to 31. In the individual contest, the first prize was divided between T. Hasel Gibbs of Columbia, and D. E. Smoak of Orangeburg, and the second prize was won by A. M. Izlar of Orangeburg. In the double ball match, the second prize was divided between Gibbs of Columbia, and D. J. Salley of Orangeburg.

NEW & SECONDHAND ENGINES.—Take notice that Straus & Co are offering the finest lot of second hand engines and new engines at cheaper rates than can be obtained anywhere. A fine lot of them will arrive in a few days, and parties desiring to buy will find it to their interest to call and examine them.

—Mr. T. C. Hubbell says that his Chagleston baker is now supplying him with bread every day, instead of every other day, so that he is now prepared to supply the increased demand.

DISSATISFIED.—The immigrants that stopped as laborers in Orangeburg, we hear, have become dissatisfied and left. This is another proof of what we have said again, and again, that we are not prepared for immigrants as laborers, but we need them and can satisfy them as land owners. It is in this way that we can benefit our section by immigration. These repeated failures as laborers only make the labor we have worse.

To Correspondents.—We have received a number of letters from the Orangeburg teachers at Greenville which we appreciate very highly and for which our sincere thanks, but as they all necessarily covered the same ground, namely, the operations of the Normal Institute we could, of course, publish but one. We hope this explanation will be satisfactory to the other writers, as their communications were highly acceptable and pleasing.

SCHOOL OPENING.—Rev. J. F. Kiser advertises in another column that the exercises of his high school for boys and girls will be resumed on the first Monday in September. Mr. Kiser has taught but a short time in Orangeburg, but in that short time he has established the fact that he is a careful, painstaking and systematic teacher. He has spared no pains nor expense in making his school house comfortable, and everything around the grounds and building wears an aspect of neatness, system and discipline. We heartily commend his school to public patronage.
