During the rain on Wednesday night the residence of Mr. Peter Bowles was struck by lightning and Lamin Gin-Rib Company, was in Bowles was struck by lightning and Darlington this week in the interest the roof considerably damaged, some of the shingles being thrown a con-siderable distance. The electric fluid then passed down between the weatherboarding and ceiling without doing further damage. Mr. E. Bowles with his wife and children were sleeping in one of the rooms, and they were all somewhat shocked. The electric lights were put out on account of two of the transformers, one near Dr. Boyd's drug store and the other on Pearl street, being damaged. The poles all have lightning arrestors, but the current was too strong for them to carry it off. The necessary repairs were made on Thursday by the companies efficient lineman, Mr. J. J. Forman.
