### The Heavy Rain.

On Saturday afternoon it commenced raining and rained almost continuously until Monday. through Saturday night and Sunday the downpour was very heavy, and no one can recall the time when there was a greater rainfall in the same length of time. On Sanday after-noon Swift Creek was higher than it has been in thirty years, and it is very probable that it has never contained a larger volume of water. At the foot of Cashua street the water was running across the canseway like
a mill race and the bridge had a very
