

**A Man's Wisdom**  
 You blame me that I cannot love;  
 As you can love, 'tis my friend;  
 You call me heartless—light of faith,  
 Because my fancies end.  
 I do not say it is not true;  
 On and you would be are right.  
 But you who love, and I who laugh,  
 Which gains most in the night?  
 And why, if you were seeking love,  
 Should you have turned to me?  
 I, who of all I have to give,  
 Have sworn inconstancy?  
 Go further yet, poor heart and search  
 For one who still can give;  
 Or, if your sorrow prove too strong,  
 Curse me, my friend, and live.  
 Yes! once I cursed—and lived. 'Alas!  
 'Tis better far to die.  
 Hands meekly clasped and prayerful eyes  
 Upturned toward the sky.  
 I loved too well—as you, my friend,  
 Are loving me this hour.  
 Such loves die hard, are cursed, we know,  
 With overwhelming power.  
 My love went out as yours will do—  
 But after many years.  
 And in those years I was not glad,  
 And bitter were my tears.  
 My love was like your love, my friend,  
 It met with no return.  
 In spite of passionate appeals,  
 In spite of words that burn.  
 But you who love, and I who laugh,  
 May part at least in peace;  
 Some day you'll thank me for my words,  
 Some day your pain will cease.

**PERFECTLY SAFE IN THE MOST INEXPERIENCED HANDS!**  
 For Diarrhoea, Dysentery, Cramps, Cholera,  
 AND ALL THOSE NUMEROUS TROUBLES OF THE STOMACH AND BOWELS  
 SO PREVALENT AT THIS SEASON.  
 No Remedy known to the Medical Profession has been in use so long and with such uniformly  
 satisfactory results as

**PERRY DAVIS' VEGETABLE PAIN KILLER**

It has been used with such wonderful success in all parts of the world in the treatment of these  
 difficulties, that it has come to be considered

**AN UNFAILING CURE FOR ALL SUMMER COMPLAINTS**  
 and such it really is when taken in time and according to the directions printed on  
 each bottle.

In such diseases the attack is usually sudden and frequently very acute; but with  
 this safe remedy at hand for immediate use, there is seldom danger of the fatal results  
 which so often follow a few days' neglect.  
 The inclination to wait and see if the morrow does not bring a better feeling, not infrequently  
 occasions a vast amount of needless suffering, and sometimes costs a life. A timely dose of  
 Pain Killer will almost invariably save both, and with them the attendant doctor's fee.  
 It has stood the test of forty years' constant use in all countries and climates, and  
 is recommended by Physicians, Nurses in Hospitals, and persons of all classes and  
 professions who have had opportunity for observing the wonderful results which have always  
 followed its use.

**THE BEST EVIDENCE:**  
 Messrs. PERRY DAVIS & SON:  
 I know you need no testimonial to convince you  
 that your medicine is all that you claim for it, but I  
 cannot restrain the impulse to communicate to you  
 the fact that in my family it has truly done wonders.  
 I administered it to my children (one eighteen months,  
 and the other three years old) with perfect success,  
 and their bowels and stomachs all disordered.  
 Myself and wife resort to it in all cases, both for  
 internal and external use. I've used it in my family  
 for five years, and will not do without it. Feeling  
 myself under some obligation to you, in many times  
 being relieved from pain, I am very truly yours,  
 L. F. MOORE, Bangall, Dutchess Co., New York.

I have long used the medicine known as PERRY  
 DAVIS' VEGETABLE PAIN KILLER in my family  
 and would not on any account be without it. When  
 Cholera was last epidemic here, I used no medicine  
 of any sort but the Pain Killer, and although myself  
 and several members of my family were attacked  
 severely, I am happy to say that the Pain Killer  
 equal to every emergency. I consider I should not  
 be doing my duty to the community did I not say  
 that I have thoroughly tested it, and know it  
 to be a reliable one.  
 F. E. BERGINBEND, Galena, Illinois.

No family can afford to be without it, and its price  
 per bottle will go far to convince you of its merits  
 than columns of newspaper advertising. Try it, and  
 you will never do without it.  
 Price 25c, 50c, and \$1.00 per bottle. You can obtain it  
 at any drug-store or from

**THE NEW WILSON**  
**Oscillating Shuttle**  
**SEWING MACHINE**  
 is wonderful in its conception, un-  
 precedented for doing a large range of  
 sewing in textile fabrics and leather. Its  
 motions are continuous, admitting of an  
 extraordinary rate of speed, either by  
 steam or foot power. Every motion of the  
 treadle makes six stitches, thus produc-  
 ing about one-third more work in a day  
 than other Sewing Machines. It has no  
 stop motions, and tightens the stitch with  
 the needle out of the fabric. It uses the  
 well-known Wilson Compound Feed on both sides of the needle. It has two-thirds less parts than any other first-class Sewing Machine. Its arm is fully eight and one-half inches long and five and one-half inches high, and the whole Machine is very compact and scientifically constructed in proportions, elegance, design and appearance. Its simple, powerful and perfect mechanism places it as far in advance of all other Sewing Machines as the telephone is superior to the speaking tube. The WILSON MENDING ATTACHMENT, for repairing all kinds of textile fabrics WITHOUT PATCHING, furnished FREE with all WILSON SEWING MACHINES, together with a Thacker, Ruffler, Corrier, Set of Hammers, Binder, etc.

**THE BEST REMEDY**  
**FOR**  
**Diseases of the Throat and Lungs.**  
**AYER'S**  
**CHERRY**  
**PECTORAL.**  
 Diseases of the pulmonary organs are so prevalent and fatal that a reliable remedy is their most invaluable need to every community. AYER'S CHERRY PECTORAL is such a remedy, and its merits are so generally known that it is a scientific combination of the medicinal principles and curative virtues of the finest drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is a most reliable remedy for diseases of the throat and lungs that originate from colds. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. The treatment of ordinary Coughs, Colds, Bronchitis, Whooping Cough, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In Whooping Cough and Consumption there is no other remedy so efficacious, soothing, and helpful.  
 The marvellous cures which AYER'S CHERRY PECTORAL has effected over the world are a sufficient guaranty that it will continue to produce the best results. A partial trial will convince the most sceptical of its wonderful curative power, as well as of its superiority over all other preparations for pulmonary complaints.  
 Eminent physicians in all parts of the country, knowing its composition, recommend AYER'S CHERRY PECTORAL to invalids, and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints already beyond the reach of human aid.  
 Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass., U.S.A.  
 Sold by all Druggists everywhere.

**How Watches are Made**  
 It will be apparent to any one who will examine a SOLID GOLD WATCH, that it is made from the necessary thickness of the precious metal used, is used only to stiffen and hold the engraved portions in place, and supply the necessary colliding and strength. The surplus gold is actually useless so far as UTILITY and beauty are concerned. In JAMES BOSS' PATENT GOLD WATCH CASES this waste of precious metal is overcome, and the SAME SOLIDITY AND STRENGTH produced at from one-third to one-half of the usual cost of solid cases. The process is of the most simple nature, and follows: a plate of nickel composition metal, specially adapted to the purpose, has two plates of solid gold soldered one on each side. The three are then passed between polished steel rollers, and the result is a strip of heavy plated composition, from which the cases, backs, centres, bezels, &c. are cut and shaped by suitable dies and formers. The gold in these cases is sufficiently thick to admit of all kinds of chasing, engraving and enamelling; the engraved cases have been carried until worn perfectly smooth by time and use without re-polishing the gold.  
 THIS IS THE ONLY CASE MADE WITH TWO PLATES OF SOLID GOLD AND WARRANTED BY SPECIAL CERTIFICATE.  
 For sale by all Jewelers. Ask for the illustrated Catalogue, and to be warranted March 12, 1880—1y
