Registration Notice.
The office of the Supervisor of registration will be opened on the first Monday in every month and the two days immediately following, for the purpose of the registering of any person who is qualified as follows:
Who shall have been a resident of the State for two years, of the county one year and of the polling precinct in which the elector offers to vote four months before the day of election, and shall have paid, six months before any poll tax then due and payable, and who can both read and write any section of the Constitution of 1895 submitted to him by the supervisors of registration, or can show that he owns, and has paid all taxes collectable during the present year on property in this State assessed at three hundred dollars or more. J. J. EADDY, Clerk of Board.

Probably you use it—
Nearly everyone does, and if so you know all about how far superior it is to either baking soda or baking powder.
Leaven
is the latest advance in baking preparations, and if you don't use it you should.

It Is Better Than Soda
because it will make biscuit just right every time. No more yellow spots or soda taste.
It Is Better Than Baking Powder
because it is half as strong again and one heaping teaspoonful will do the work of two rounded teaspoonfuls of the best baking powder ever made.
It Don't Spoil
but is so prepared that with ordinary care it will retain its full strength for years. We do not have to pack it in tin cans like baking powder, and this saving enables us to give you better value for your money than you ever had before.
"A little leaven leaveneth the whole lump."

ACME HYGIENIC MATTRESS.

Patented.
This mattress depends largely upon air—the most resilient force known to science—for its luxurious comfort in use, having a hollow central air space the length and width of the mattress containing spring section with 88 steel springs intercolored into woven wire fabric at top and bottom. Around this is placed the filling, non-absorbent anti-static pure white cotton felt. The air under pressure in combination with the springs result in a most remarkable elasticity, and with the other features make the mattress hygienic, pneumatic, self-cleaning and of downy softness. Better than any other mattress at any price.
FREE—To introduce our Hygienic Mattress we will for a limited time include with every order a fine Brass Trimmed Metal Bed Free, like cut (your choice of width—3, 3 1/2, 4, 4 1/2, 5, 5 1/2, 6, 6 1/2,
