

THE CONGRESSIONAL RACE.

A Long Time Since Charleston Had a Congressman from the City.

It is believed that all the South Carolina congressmen desire to succeed themselves at the next election. In the Charleston district the campaign has begun. Joseph W. Barnwell, one of Charleston's best men, full of energy and in the prime of life, has announced his candidacy. He first notified the incumbent, Col. William Elliot, and then made public declaration of the fact. It has been a long time since Charleston has had a congressman from the city, and now they have the opportunity of selecting one of their citizens admirably suited for the place. While Col. Elliot has made a faithful member for several terms it is evident that he has to give place one of these days to a successor. No more suitable person could be found in the district than the bright, genial, brainy Joe Barnwell.—Carolina Spartan.

You Can't Dodge Them

Did you ever try to dodge the rain-drops? Did not succeed very well, did you? It's just as useless to try to escape from the germs of consumption. You can't do it. They are about us on every hand and we are constantly taking them into our lungs.

Then why don't we all have this disease? Simply because these germs cannot gain a foothold in a strong throat and lungs. It's when these are weak that the germs master.

The body must be well supplied with fat. The danger comes when the blood is poor and the body is thin. If your cough does not yield, and your throat and lungs feel raw and sore, you should not delay another day. Take

Scott's Emulsion

of Cod-Liver Oil with Hypophosphites at once. It will heal the inflamed membranes and greatly strengthen them as well. The digestion becomes stronger, the appetite better and the weight increases. The whole body becomes well fortified and the germs of consumption cannot gain a foothold. It's this nourishing, sustaining and strengthening power of SCOTT'S EMULSION that has made it of such value in all wasting and exhausting diseases.

What is that which has both feet and nails, but no legs, toes, or claws? A yardstick.

It is hard to stand idly by and see our dear ones suffer while awaiting the arrival of the doctor. An Albany N. Y. dairyman called at a drug store there for a doctor to come and see his child, then very sick with croup. Not finding the doctor in, he left word for him to come at once on his return. He also bought a bottle of Chamberlain's Cough Remedy, which he hoped would give some relief until the doctor should arrive. In a few hours he returned, saying the doctor need not come, as the child was much better. The druggist, Mr. Otto Scholz, says the family has since recommended Chamberlain's Cough Remedy to their neighbors and friends until he has a constant demand for it from that part of the country. For sale by Dr. D. C. Scott.

We have saved many doctor bills since we began using Chamberlain's Cough Remedy in our home. We keep a bottle open all the time and whenever any of my family or myself begin to catch cold we begin to use the Cough Remedy, and as a result we never have to send away for a doctor and incur a large doctor bill, for Chamberlain's Cough Remedy never fails to cure. It is certainly a medicine of great merit and worth.—D. S. Meakle, General Merchant and farmer, Eattie, Bedford county, Pa. For sale by Dr. D. C. Scott.

A. R. De Fluen t, editor of the Journal, Doylestown, Ohio, suffered for a number of years from rheumatism in his right shoulder and side. He says: "My right arm at times was entirely useless, I tried Chamberlain's Pain Balm, and was surprised to receive relief most immediately. The Pain Balm has been a constant companion of mine ever since, and it never fails." For sale by Dr. D. C. Scott.

Whiskey as a Remover.

An exchange says that alcohol will remove grease stains from summer clothes; and the Danville Breeze very breezily and truthfully adds: The exchange is right. It will also remove summer clothes, and also the spring and autumn and winter clothes, not only from him who drinks it, but also from his wife and family; it will likewise remove the household furniture from the house, the eatables from the pantry, the smiles from the face of his wife, and the happiness from the home. As a remover of things alcohol has few equals.
