## LOCAL ITEMS OF INTEREST.

**AFFAIRS CAUGHT BY OUR LOCAL REPORTER AND NOTED.**

Written in Condensed Form and Printed in Like Manner for the Sake of Our Busy Readers.

The weather is perfectly delightful now.

Mrs. Louis Stackley has returned to Kingstree after a visit to relatives in Florence.

Mr. W. W. Grayson is opening up his stock of goods this week at his new quarters opposite Stackleys.

Three Kingstree sportsmen went out Tuesday and bagged forty-five birds. They expect to better this record next time.

Jas. A. Ferrell, of Williamsburg, is visiting at the home of Capt. J. S. Beck.—Florence Daily Times.

Mr. L. Olin Johnson, of Johnsville, is assisting his brother, Dr. L. B. Johnson, in the drug store of the latter.

Messrs. A. M. Cook and R. D. Blakely, who were elected in the last primary, have been appointed as county commissioners by Gov. McSweeney.

Miss Caline Weatherly, who has been spending the holidays at home, returned to Calles last Saturday to resume the work of her school.—Bennettsville Advocate.

Hon. C. W. Wolfe left for Georgetown Monday to complete arrangements for issuing the new paper. The initial number will appear about January 24.

Editor W. Eugene Cook, of the Ecrafont News, has been appointed journal clerk of the house of representatives by Speaker W. F. Stevenson. Mr. Cook will worthily fill the office.

During the absence of the editor Mr. J. V. Little, foreman of the Record office, will be in charge of the office. He will receive and execute orders for job work and give any information desired on business matters connected with the paper.

The N. E. R. R. people have put on another freight train which gives us freight from each end of the line, once a day now. This is as it should be, and if the railroad commission looked after their duties properly, they would have caused this to have been done long ago.

Mr. J. P. Epps, son of Mr. D. E. Epps, of the Mouzons section, died in Georgetown last Friday. He was at the time of his death working for the A. C. Lumber Co.

Car load Gold Medal Flour bought just before the advance. W. T. Askins, Lake City.

### Great Bargain Sale.

The South Carolina Bargain House has opened at Stutt's Store, opposite Heller's Stables, with a full line of Clothing, Capes, Skirts, Shoes, Hats and Caps, which they will sell at 50c on the dollar. Remember we are here for ten days only.

South Carolina Bargain House, Kingstree, S. C.

Cotton still fluctuates bringing about 9 cents on this market.

Next Saturday, 19th January, is a national Holiday being General Lee's birthday.

The Williamsburg Light Infantry will have a meeting and drill at the court house on the 22 Jan.

The first load of lumber to be used in erection of the store of Capt. W. H. Kennedy on Railroad Avenue arrived last Friday.

Dr. D. B. Frierson, of Charleston, and Miss Ivah Epps, of Kingstree, were married Wednesday evening. Congratulations.

Eleven commercial travelers came to Kingstree last Monday morning from Charleston. This would indicate that the business men of Kingstree are thriving.

Thomas & Bradham have just received a car load of the best horses and mules ever put on the market at Kingstree, and they say this stock must be sold even if at a sacrifice.

Just before going to press we learn that Mr. W. C. Hemmingway of Rome, S. C., is quite ill. We hope before this reaches him, that he will be in his accustomed health and vigor.

We regret to announce the death of Mr. Samuel Flagler, son of Mr. A. W. Flagler, of the Cades section. Mr. Flagler was 29 years old and unmarried. He had been in failing health for some time.

There was preaching in the Baptist church on Sunday morning last, by the pastor Rev. Mr. Gresham, and at night by Rev. T. H. Harrison of Florence.

There are more horses, mules, buggies and wagons sold here now than ever has been before in this market. We have two large concerns doing business in this line, and we verily believe there is yet room for another.

We would remind our city fathers that now is the time they should be looking after the health of Kingstree. Remember what we passed through last summer, another such season of sickness would cause people to move away rather than come here. The council has all in their own hands, and if they are too busy now to look after it, it will be too late when the winter passes. Not an inch of ground should be allowed broken after vegetation arises.

The great Evangelist, Rev. Thos. H. Leach of Charleston is expected to preach in this city this (Thursday) evening, and we trust that he may be induced to stay over and preach for several days, as we are satisfied Kingstree will give him a large and appreciative audience.

Just on the eve of going to press we learn with sorrow of the death of Mrs. Mary Durant of Rome, mother of Solicitor Wilson. She was a noble woman. Faithful and true in all things to the end. She was indeed a mother in Israel, whose life and example will do good for generations to come.

### For Code Commissioner.

In addition to the other candidates mentioned in connection with the office of code commissioner Mr. G. P. Logan of the Columbia bar has been announced. Mr. Logan is a member of the firm of Logan & Edmunds and is regarded as one of the most thorough and painstaking young attorneys at the local bar.—Columbia State.

It is with pride that we give room to above paragraph. Mr. Logan is a native of this place, and a son of Col. R. C. Logan. It gives us pleasure to see ability and worth thus recognized, and we sincerely hope he may be elected to fill this most important position.

### The Dispensary Robbery.

The subject of the recent great dispensary robbery at this place has been exhausted, and as the matter is now in the hands of the officers of the law we think further newspaper comment unnecessary. The newspapers have done their full duty; it now remains to be seen what the law will do. The old county board of control, consisting of H. O. Britton, S. G. McDonald and W. D. Fitch, were notified to appear before the State board of control to-day (Wednesday) to show cause why they should not be removed from office. Mayor Kennedy has also been notified to appear before the State board to tell what he knows about the management of the dispensary at Kingstree.

### Hymeneal.

A beautiful home wedding took place last week at Dovesville in Darlington county. The contracting parties were Miss Mary Dove, daughter of Mr. J. C. Dove, and Mr. David W. Cunningham, now of Sumter, who is a son of Dr. J. S. Cunningham, of Indiantown, this county. The whole affair was one of elegance and carried out with grace in the minutest particulars. Mr. Cunningham is one of Sumter's foremost young business men whose success is already assured. The bride is a lady of rare culture possessed of all the graces that adorn woman, and will be quite an acquisition to Sumter's society. The writer wishes them a long life of unalloyed pleasure and happiness.

The Mayor and council seem to think that some mischievous little negroes are stealing the town lamps. They have offered a reward for the guilty parties. \$25 is not picked up every day, and this should induce some one to keep on the alert, and catch the guilty parties. It's the duty of every citizen to see that this kind of work be stopped.
