

That Cough Hangs On

You have used all sorts of cough remedies but it does not yield; it is too deep seated. It may wear itself out in time, but it is more liable to produce la grippe, pneumonia or a serious throat affection. You need something that will give you strength and build up the body.

SCOTT'S EMULSION

will do this when everything else fails. There is no doubt about it. It nourishes, strengthens, builds up and makes the body strong and healthy, not only to throw off this hard cough, but to fortify the system against further attacks. If you are run down or emaciated you should certainly take this nourishing food medicine.

From what we learned from THE RECORD and News and Courier concerning the snow storm this section had a good share of the mantle of white. We took the depth at 4 o'clock and found it to be about 12 inches deep on a level place on the ground and on a pile of shingles it measured 14 1/2 inches; the difference, we presume, was that the snow melted on the ground. Another statement as to the depth was given by one of our citizens as being twenty inches deep.

The weather is very fine at this writing, and the farmers are making good use of the opportunity preparing for another crop.

Peach trees are backward for this time of the year, which might bespeak a good fruit season.

The public road between Cedar Swamp and Nixon's store is in the worst condition for travel since we first remember passing over it. The road overseer don't seem to take any interest in keeping up the roads, and we particularly invite them to make an inspection of the road alluded to, and hope the proper authorities will look after it.

News is scarce at this time, nothing save the general routine of farm work,

Young Women

The entry into womanhood is a critical time for a girl. Little menstrual disorders started at that time soon grow into fatal complications. That female troubles are killing graveyards proves this. Wine of Cardui establishes a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Many women, young and old, owe their lives to Wine of Cardui. There is nothing like it to give women freedom from pain and to fit young women for every duty of life. \$1.00 bottles at druggists.

Miss Della H. Strayer, Tully, Kans. "I have suffered untold pain at menstrual periods for a long time, was nervous, had no appetite, and lost interest in everything. In fact was miserable. I have taken four bottles of Wine of Cardui, with Theodor's Blood-Draught, when needed, and to-day I am extremely cured. I cannot express the thanks I feel for what you have done for me."
