NOTES AND COMMENT.

The long droughts so common to Southern Russia are said to be due chiefly to the absence of woods and the Government has for some years been considering the advisability of afforesting the treeless plains. Crown lands are being systematically wooded, and seedlings have been given out at low rates to land owners, but little has yet been done. Irrigation has, however, been successfully carried out in riverless regions, the plan adopted being to construct dams across valleys and gullies, forming reservoirs in which rain and melted snow is collected and stored.

The theatre hat has been causing much annoyance lately in Belfast, Ireland. When Sir Henry Irving was playing there lately, however, a simple plan for removing the nuisance was successfully adopted. Before the play began a curtain was displayed, on which the following words are inscribed in large letters: "Madame, will you kindly take off your hat, as I am sitting immediately behind you and cannot see the stage?"

A Strange Will.
 After disposing of all his other property in his will Verdi directed that "two large wooden boxes of great antiquity," which would be found in the dining room of his villa, St. Agata, should be burned (without having been opened) immediately after his obsequies. It is supposed that the two mysterious boxes contained manuscripts of unpublished operas which Verdi did not wish to see the light.

WONDERFUL CURE OF PSORIASIS.
AS a sufferer for thirty years from the worst form of Psoriasis, finally cured by Cuticura Soap and Cuticura Ointment, I wish to tell you my experience, that others may benefit by it. I was so grievously afflicted that the matter that exuded from my pores after the scales had peeled off, would cause my underclothing to actually gum to my body. After remaining in one position, sitting or lying down, for an hour or two, the flesh on my elbows and knees would split, so thick and hard would the crusty scales become. The humiliation I experienced, to say nothing of physical agony, was something frightful. The detached scales would fairly rain from my coat sleeves. I have read none of your testimonials that appear to represent a case so bad as mine. But as to the cure. I commenced bathing in hot Cuticura Soap suds night and morning, applied the Cuticura Ointment, and then wrapped myself in a sheet. In two weeks my skin was almost blood red in color, but smooth and without scales. Patches of natural colored skin began to appear, and in less than a month I was cured. I am now passed forty years of age and have skin as soft and smooth as a baby's. Hoping that others may benefit by my experience, and regretting that sensitiveness forbids me from disclosing my name, I am yours gratefully,
J. H. M., Boston, Mass., Sept. 30, 1900.

Millions of People Use Cuticura Soap
 Assisted by Cuticura Ointment, the great skin cure, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and healing red, rough, and sore hands, for baby rashes, itchings, and chafings, and for all the purposes of the toilet, bath, and nursery. Millions of Women use **CUTICURA SOAP** in the form of baths for annoying irritations, inflammations, and excoriations, or for free or offensive perspiration, in the form of washes for ulcerative weakness, and for many sensitive antiseptic purposes which readily suggest themselves to women, and especially mothers. **CUTICURA SOAP** combines delicate emollient properties derived from **CUTICURA**, the great skin cure, with the purest of cleansing ingredients, and the most refreshing of flower odors. No amount of persuasion can induce those who have once used these great skin purifiers and beautifiers to use any others, especially for preserving and purifying the skin, scalp, and hair of infants and children. No other medicinal soap is to be compared with it for preserving, purifying, and beautifying the skin, scalp, and hair. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in **ONE SOAP** at **ONE PRICE**, the best skin and complexion soap, and the best toilet and baby soap in the world. Sold by all druggists.
