We learn that a small cyclone passed about five miles below Kingstree Tuesday night, tearing up trees, and unroofing houses otherwise venting its fury. It seems to have come from south west and was passing north east. We have heard of no lives being lost, but it caused great destruction to property in its pathway. It blew down all the out houses of Mr. J. C. McCutchen at Epps post office.

Capt. Kennedy deserves great praise for his valuable work as mayor of this town. If he had things in his hands he would certainly give us a clean town and good streets. Messrs. I guarantee satisfaction to all. W. W. Grayson.

LETTER TO MR. A. J. SMITH, Kingstree, S. C.

Dear Sir: Any one can readily understand why we give away Paint, when we explain that it helps us wonderfully in establishing an L. & M. Agency in your town. Several sample houses painted with L. & M. Paint, quickly convince the merchants we are trying to interest, that our Paint looks better and lasts longer than white lead or other paint.

Our sales record in 10 years, has been nearly Fifty Million Pounds. Over Thirty five Hundred active Agencies scattered throughout these broad U. S.; able to beat all others, because the L. & M., is the only pure Paint that requires addition of much linseed oil, and that out-lasts; out-covers; and under-costs pure white lead.

Ask any Bank or Mercantile Agency about our Capital and Reputation; then take the trouble to write us. Truly yours,

Longman & Martinez,
Paint Makers.
