LETTER TO MR. SETH PHELPS, Kingstree, S. C.

Dear Sir: It takes numerous visits from salesmen to establish a paint agency in a town. Several well painted sample houses do the business quickly, and therefore in your town, we intend to spend money in FREE PAINT, rather than on salesmen's visits.

Any house owner who sends us the measurements of his house, will not only receive tasty color combinations, and at the same time we will tell him how many gallons of paint we will give him "for nothing."

Our house was established in '57. Been making L. & M. Paint 30 years. Sold Five Million Pounds last year. Ask any Mercantile Agency or Bank about our Capital and Reputation. L. & M. Paint needs the addition of linseed oil, covers better, and lasts longer than white lead. You will be glad that you investigated. Very truly,

Longman & Martinez,  
Paint Makers.
