Doings at Dock.

The farmers are glad to have fair weather again. Our tobacco planters say that early tobacco is almost a failure since the heavy rains. Mr. W. C. Franklin, of Georgetown, spent a few days last week with Mr. Jesse Tallevast. The infant son of Mr. and Mrs. J. W. Cook died on May 30. Mr. and Mrs. Cook have our deepest sympathy in their affliction. Mrs. H. P. Tallevast and daughter, Rosa, have returned home after a pleasant stay of a few weeks in Georgetown. Mr. C. W. Lavender, of Rhems, was in our neighborhood on Sunday evening. We think there is some attraction for him here.

News from Smiths.

On account of the recent rains most of the farmers are behind with their work. About the only crop that has not been injured by the wet weather is the oat crop. That is very good. Mr. B. O. Osborne, of Charleston, has been spending some time with his aunt, Mrs. W. J. Coker, of this place. This scribe had the pleasure of a visit to Lake City last Sunday. If the rain continues it is hard to tell what will become of Nox. The person who leaves fly paper on a chair is never the one who sits down on it.

As I was about to enter the pulpit on the second Sunday evening Dr. A. M. Snider said: "Did you know that a couple are to be married at my house at 8:30 p. m. tomorrow. Do not fail to be there on time." The question excited my curiosity and I, of course, was on hand Monday evening on schedule time. Nine o'clock came and the couple had not put in an appearance. The preacher began to feel a little lonesome and to wonder what the trouble could be. A few minutes after nine, however, nearly the whole town, men and women, old and young, boys and girls, large and small, Baptists, Methodists, Presbyterians and Episcopalians, came crowding in and took possession of the house and preacher. Still the couple on "matrimony intent" did not show up. A glance at the young men and maidens present sufficed to show that it was not for the want of handsome young men nor of beautiful young women that the marriage failed to materialize.

About 10 p. m. some one said, "Come this way." I went. I saw I was conquered. Just back of the stairway, stood a large table packed to its utmost capacity with almost everything necessary for the kitchen pantry—hams, coffee, sugar, flour, rice, canned goods &c., not omitting a brace of nice frying size chickens. Then and there the preacher proposed to marry any couple or couples for one-half the usual price paid by a gentleman and to credit the groom if he did not have the cash at hand to pay the fee. Every effort to get up a marriage proving ineffectual, the crowd passed the evening very pleasantly together, and at a late hour quietly dispersed to their respective homes, leaving at least one the happier for the occasion. He now wishes to thank the donors for the delightful pounding they gave him. Their gifts are appreciated for the material comfort which they have brought to his household, but far more does he appreciate them as expressions of kindly feeling towards him as a minister of the gospel.

May God's richest blessing rest on each one who participated in that pounding.

Young Women

The entry into womanhood is a critical time for a girl. Little menstrual disorders started at that time soon grow into fatal complications. That female troubles are filling graveyards proves this. Wine of Cardui establishes a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Many women, young and old, owe their lives to Wine of Cardui. There is nothing like it to give women freedom from pain and to fit young women for every duty of life. \$1.00 bottles at druggists.

Miss Della M. Strayer, Tully, Kan.: "I have suffered untold pain at menstrual periods for a long time, was nervous, had no appetite, and lost interest in everything. In fact was miserable. I have taken four bottles of Wine of Cardui, with Theodor's Black-Draught, when needed, and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me."
