IN THE BLOOM OF YOUTH Blackwood Gordon McCu =ough Stricken Down.

After an illness of eighty-two days, on Sunday, June 16, 1891, at 5.10 p m., Blackwood Gordon McCullough passed peacefully away at the home of his father, Mr. S. E. McCullough, near Greens, S. C. Everything possible was done to alleviate his suffering and promote his recovery by the tender ministrations of kind and loving hands and the skilled treatment of two of our best physicians, but God, who doeth all things well, saw fit to take him away.

During his long illness he was never heard to complain of his suffering or murmur at the ways of Providence. He sang several hymns during his sickness and asked those around him to join him in singing, one of his favorite songs being, "The Beautiful City of Gold." On one occasion he asked his little brother if he did not wish to go with him to that beautiful mansion. This spirit of resignation and devout piety is a great consolation to his bereaved parents for the loss of their son, cut down on the threshold of young manhood—or he would have been twenty-one years old had he lived until August 15 of this year.

Few, yes very few, young men's lives are as exemplary as was that

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

NO NOXIOUS DOSES. NO WEAKENING OF THE NERVES. A PLEASANT AND POSITIVE CURE FOR THE LIQUOR HABIT.

It is now generally known and understood that drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfect after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvellous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "GOLD" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. DO NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address: E. B. EDWIN B. GILES & COMPANY, Dept. 2830 and 2832 Market Street Philadelphia. All correspondence strictly confidential.

of young Gordon McCullough. He was a kind, obedient and affectionate son and brother, polite and friendly to all with whom he came in contact, and for one of his age had gained many friends, as was shown by the large crowd that attended his funeral. I have never seen a larger crowd on a similar occasion at Union church, where his remains were laid to rest. The funeral services were conducted by Rev. J. E. Dunlop, the same pastor who three years ago had received Gordon into that church of which he was ever a consistent member.

The bereaved family have the heartfelt sympathy of the entire community in their sad affliction.

TO HIS PARENTS.

On the sixteenth day of June, In nineteen hundred and one, God in His wisdom saw fit to take That bright and lovely son. For eighty-two days, you watched and prayed, The doctors exhausted their skill, Then all that was left for you do Was to submit to the Master's will. Parents and friends by his bedside stood And watched with a sleepless eye, And seeing that his life was ebbing away, Could only sob and sigh.

On Sunday eve at ten past five While the sun was shining bright, His quivering limbs did cease to move For his soul then took its flight. His father by his bedside stood, And a friend to him that was true Sat by his bed gently rubbing his head And watched the last breath that he drew.

Then Gordon, was gone his spirit had fled, Never more can he answer Mama, But at the white pearly gates he stands and awaits For the coming of ma and pa, To that beautiful city of which we have read, But its glories can never be told, Where the sun never sets nor the leaves never fade, In that Beautiful City of Gold.

A FRIEND.

OFFICE OF D. H. HARDY, Sec. of State, AUSTIN, TEX., Nov. 21, 1890.

I have found Dr. Moffet's TEETHINA a splendid remedy and aid for my teething children. When my oldest boy was a teething child, every succeeding day warned us that we would inevitably lose him. I happened upon TEETHINA, and began at once administering it to him, and his improvements was marked in 24 hours, and from that day on he recuperated. I have constantly kept it and used it since with my children, and have taken great pleasure in sounding its praises to all mothers of young children. I found it invaluable even after the teething period was passed. MRS. D. H. HARDY.

For every female ill or weakness it is the best medicine made. Ask your druggist for \$1.00 bottle Wine of Cardui, and take no substitute under any circumstances. Mrs. Edwin Cross, Corcoran, Mich. "When I commenced using Wine of Cardui I was hardly able to walk across the house. Two weeks after I walked half a mile. I had a severe cold. When my other child was born I suffered with labor pains 24 hours, and had to raise him on a bottle because I had no milk. After using the Wine during pregnancy this time, I gave birth last month to a baby girl, and was in labor only two hours, with but little pain, and I have plenty of milk. For this great improvement in my health I thank God and Wine of Cardui." HEARTBURN.

When the quantity of food taken is too large or the quality too rich, heartburn is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let six hours elapse between meals and when you feel a fullness and weight in the region of the stomach after eating, indicating that you have eaten too much, take one of Chamberlain's Stomach and Liver Tablets and the heartburn may be avoided. For sale by D. C. Scott.

Lots of good resolutions have been shattered by a single "smile."

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio.
