**AN ENTHUSIASTIC MEETING.**

Held Monday to Discuss the Establishment of a Telephone System.

A call meeting on short notice was held in the court house Monday looking to the organization of a company for the construction of telephone lines over the county, wherever connection with the county seat is desired, and the establishment of a central office at this point. As stated above this meeting was called on very short notice, so that Capt. J A Kelley, who with his usual public spirit took the matter in hand, had time to notify only a few representative men, who he supposed would be interested in the project, to meet here Monday to consider the matter. Nearly every person notified was present or accounted for, and the interest manifested was gratifying indeed.

At 12 o'clock the meeting was called to order with C. W. Wolfe in the chair and C. E. St. Amand secretary. Nearly everyone present was heard from and each expressed himself as heartily approving the establishing of an exchange here and connection of telephone lines. After considerable discussion Capt. Kelley moved that a committee be appointed from each section interested in a telephone line, and that the members of these committees, after

**THE HOME GOLD CURE.**  
 An Ingenious Treatment by which Drunkards are Being Cured Daily in Spite of Themselves.

NO NOXIOUS DOSES. NO WEAKENING OF THE NERVES. A PLEASANT AND POSITIVE CURE FOR THE LIQUOR HABIT.

It is now generally known and understood that drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and de-troying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "HOME GOLD CURE" which has been perfect after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvellous transformation of thousands of drunkards into sober, industrious and upright men.

WIVES CURE YOUR HUSBANDS!! CHILDREN CURE YOUR FATHERS!! This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "CURE" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address E. B. EDWIN B. GILES & COMPANY, Dept. 2320 and 2322 Market Street Philadelphia.

placing the matter before the people in their sections, report here on Monday next, August 12, to discuss ways and means whereby the enterprise may take a practical shape. This motion was unanimously carried and the following committees were appointed: Indiantown, J F Cooper, B B Chandler, D M Ervin; Lake City, John Wilson, W E Nesmith, J J M Graham, Jr., A J Smith, Dr. A H Williams; Saiters and Gourdens, J A Ferrell, W F Rodgers, Dr. S W Gamble; Greens, W D Bryan, T A Blakeley; Spring Bank, S W Gowdy, J C McElveen, S W McIntosh; Black river, J M Nexsen, W I Nexsen.

Everyone interested in telephone lines is invited to attend the meeting next Monday, and each member of the committee is especially urged to be present and report the sentiment of his community. At the meeting the matter will be thoroughly discussed and the best plan evolved whereby Kingstrae can be put in telephone touch with every section of the county and other parts of the State.

**In Memoriam.**

On Sunday, July 28, at 10 o'clock, A. M. God saw fit to transplant a floweret from the home of Mr. Mrs. S. B. Gordon at Lenud, S.C., to His beautiful garden above, where she will bloom in sweetness forevermore. The funeral services of this sweet child were conducted at the home of the parents Monday evening by Rev. J. W. White, and her remains peacefully laid to rest at Gourdins Chapel to await the resurrection morn, while her sweet spirit rests in the arms of her Saviour.

"Little Lane" was the comfort of her parents. She was affectionate toward all she knew and showed a great deal of thoughtfulness for one of such tender age, being not two years old until the 2nd of next October. She was always ready to obey mama and to meet papa when he came from his work, but now she awaits him in the spirit land where we'll meet our loved ones to part no more; for we'll never say good-bye in Heaven.

IRENE GORDON, Lenud, S. C., Aug. 1, 1901.

**Young Women**

The entry into womanhood is a critical time for a girl. Little menstrual disorders started at that time soon grow into fatal complications. That female troubles are filling graveyards proves this. Wine of Cardui establishes a painless and natural menstrual flow. When once this important function is started right, a healthy life will usually follow. Many women, young and old, owe their lives to Wine of Cardui. There is nothing like it to give women freedom from pain and to fit young women for every duty of life. \$1.00 bottles at druggists.

Miss Della M. Streyer, Tully, Tenn. "I have suffered untold pain at menstrual periods for a long time, was nervous, had no appetite, and lost interest in everything, in fact was miserable. I have taken four bottles of Wine of Cardui, with Theodora's Black-Draught, when needed, and to-day I am entirely cured. I cannot express the thanks I feel for what you have done for me."

"I had a severe attack of bilious colic, got a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, took two doses and was entirely cured," says Rev. A. A. Power, of Emporia, Kan. "My neighbor across the street was sick for over a week, had two or three bottles of medicine from the doctor. He used them for three or four days without relief, then called in another doctor who treated him for some days and gave him no relief, so discharged him. I went over to see him the next morning. He said his bowels were in a terrible fix, that they had been running off so long that it was almost bloody flux. I asked him if he had tried Chamberlain's Colic, Cholera and Diarrhoea Remedy and he said, 'no.' I went home and brought him my bottle and gave him one dose; told him to take another dose in fifteen or twenty minutes if he did not find relief, but he took no more and was entirely cured."
