

LAKE CITY DEPARTMENT.

In charge of
W. L. BASS, Esq.

Miss Erwin Severance is at home from Lanes.

Don't neglect to see the game to-day between the Thicks and Thins. Mrs. Stokes is visiting her son Mr. H. Stokes.

Mrs. E. C. Scott came down from Danville and joined Mr. Scott last week.

Miss Brothers is visiting the Misses Severance. She is from Florence, S. C.

Miss North, of Laurinburg, N. C., is spending some time with her sister, Mrs. W. E. Severance.

Miss Rosa Chamberlain, of Charleston, is visiting at W. L. Bass, Esq.'s. Miss Chamberlain is a general favorite here and her many friends are rejoiced to see her again.

Mr. R. C. Johnson has become a citizen of our town, having moved into his new house last week. We are glad to welcome him among us and hope his lot will be a pleasant one.

Mr. David Coker bought a lot on the corner of Lake Street and Aclene Avenue last Saturday and let out the contract for a dwelling to be built right away. Mr. S. J. Gaskins has the job.

In last week's issue we were in error in stating that the Lake City team played Indiantown on the 8th. It was not the Indiantown club, but the Norwood club. Indiantown hasn't played our boys but once, and licked them that time.

Mr. L. B. Steele, of Black Mingo, was in town a short while one day last week. Mr. Steele, it will be remembered, graduated a few weeks ago with a rank of which one may be proud. We feel a special interest in him because he was prepared here for the Citadel. He will teach in Anderson.

The Lake City and Kingtree telephone line seems to be about assured. About enough to build and equip the line has been subscribed, we understand, and those having charge of the matter of raising the funds seem to be pushing ahead. This line would be of exceeding advantage to this community and we hope no disaster will meet the effort to build it.

Two dark complexioned boys, Mott Hickson and Moses McClain, made things a little lively for each other a while Saturday. Moses, for some cause, struck Mott a few licks with a whip. A few minutes thereafter Mott struck Moses on the head with a piece of scantling some eight or ten feet long. The skin and flesh were cut but the skull of course was not fractured. The damage to the scantling was considerable, it having been broken in pieces. The boys contributed their mites towards the support of the town.

Two of the best games of the season came off here last week. Indiantown came up on Tuesday and crossed bats with the boys. The Lake City nine fought valiantly, but the faies were against them. The score was 11 to 10 in favor of Indiantown.

On Friday, after the rain, the game between Lake City and Workman was played. The sun shone directly into the eyes of the players, the ground was wet and muddy, but the game was a good one and was witnessed by quite a good crowd. While the score was pretty high, all that was made was made in three of the innings. Six times Lake City shut Workman out and six times Workman gave Lake City goose eggs. The score was 8 to 9 in favor of Lake City. We would like to see a game between these two clubs on neutral ground.

TUSKEGEE, ALA., July 28, 1878.

Dr. C. J. MOFFETT—My Dear Sir: Justice to you demands that I should give you my experience with your excellent medicine, TEETHINA. Our little girl, just thirteen months old, has had much trouble teething. Every remedy was exhausted in the shape of prescriptions from family physicians. Her bowels continued to pass off pure blood and burning fever continued for days at a time. Her life was almost despaired of. Her mother determined to try TEETHINA, and in a day or two there was a great change—new life had returned—the bowels were regular, and, thanks to TEETHINA, the little babe is now going well. W. M. McIVER, Editor and Proprietor Tuskegee (Ala.) News.

THEIR SECRET IS OUT.

All Sadieville, Ky., was curious to learn the cause of the vast improvement in the health of Mrs. P. S. Whitaker, who had for a long time, endured untold suffering from a chronic bronchial trouble. "It's all due to Dr. King's New Discovery," writes her husband. "It completely cured her and also cured our little grand daughter of a severe attack of whooping cough." It positively cures cough, colds, la grippe, bronchitis, all throat and lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottles free at D. C. Scott's drug store.

ASTONDED THE EDITOR.

Editor S. A. Brown, of Bennettsville, S. C., was once immensely surprised. "Through long suffering from Dyspepsia," he writes, "my wife was greatly run down. She had no strength or vigor and suffered great distress from her stomach, but she tried Electric Bitters which helped her at once, and after using four bottles, she is entirely well, can eat anything. It's a grand tonic, and its gentle laxative qualities are splendid for torpid liver." For indigestion, loss of appetite, stomach and liver troubles it's a positive, guaranteed cure. Only 50c at D. C. Scott's.

The ideal baker does not make a loaf of bread.

TO SAVE HER CHILD.

From frightful disfigurement Mrs. Nannie Gallego, of La Grange, Ga., applied Bucklen's Arnica Salve to great sores on her head and face, and writes its quick cure exceeded all her hopes. It works wonders in sores, bruises, skin eruptions, cuts, burns, scalds and piles. 25c. Cure guaranteed by D. C. Scott.

The dollar you pay back looks three times as large as the one you borrowed.

WHAT A TALE IT TELLS.

If that mirror of yours shows a wretched, sallow complexion, a jaundiced look, moth patches and blotches on the skin, it's liver trouble; but Dr. King's New Life Pills regulate the liver, purify the blood, give clear skin, rosy cheeks, rich complexion. Only 25c at D. C. Scott's drug store.

Luck may be a good servant, but as a master its pay days are uncertain.
