WHAT'S THE EXCUSE NOW?

The communication signed "Citizen" is a timely criticism of the town council, a majority of whom are on record as opposing the publication of an itemized statement showing the receipts and disbursements of town funds during their term of office. At the meeting, when a motion was made by Dr. Brockinton to publish this report, the objection urged against it was the expense. Since then this objection has been removed by our offer to publish the report at one-fourth the legal rate. The report still remains unpublished; hence the inference is plain that the council is, to say the least of it, not very anxious to have it published.

The rate we offered barely covers the cost of type-setting, allowing practically nothing for the space taken up; but we believe the tax-payers want to see where their money goes, and consequently made the offer. Beyond this it is a matter of indifference to us whether the report is published or not.

OUTCLASSED BY MANNING.

Kingstree Defeated by a Score of Nine to One.

Nine to one in favor of Manning! That was the score in Tuesday's game, in which the home team escaped a shut out "by the skin of their teeth." For three innings the game went on very auspiciously, only one of Manning's men scoring; but in the fourth the Kingstree boys became rattled, and, after two men were out, allowed the visitors to pile up five runs. With the exception of this fatal inning, in which several inexcusable errors were made, the game was a beautiful one, many brilliant plays being made on both sides. The battery work on each side was excellent, Gilliland striking out 11 men and Sublett, for Manning, 8. With the Manning team came quite a number of their friends and the grounds were crowded with spectators, many of whom came from a distance to witness the game.

Following is the line up and score by innings:  
Kingstree—McCutchen, ss; Martin, 2b; Epps, c; Hanna, lf; Gilliland, W. p; Scott, lf; Gilliland, D. 3b; Jacobs, rf; McIntosh, cf.

Manning—Tisdale, lf; Rollinson, lf; Blackwell, ss; Appelt, rf; Lanham, c; Sublett, p; Cantey, 2b; Davis, 3b; McLeod, cf.

1 2 3 4 5 6 7 8 9  
Kingstree 0 0 0 0 0 0 0 1—1  
Manning 0 1 0 5 9 0 0 0 2—9

Umpire, Colclough Davis; Scorers for Kingstree, Wallace; for Manning, Rollinson.

The Kingstree team left yesterday morning for Georgetown to play a series of three games. They are expected to win at least two out of three.

There is nothing like Asthmalene. It brings instant relief, even in the worst cases. It cures when all else fails.

The Rev. C. F. WELLS, of Villa Ridge, Ill., says: "Your trial bottle of Asthmalene received in good condition. I cannot tell you how thankful I feel from the good derived from it. I was a slave, chained with putrid sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease, Asthma, and thought you had over-poken yourselves, but resolved to give it a trial. To my astonishment, the trial acted like a charm. Send me a full-size bottle."

REV. DR. MORRIS WECHSLER.

Rabbi of the Cong. Prati Israel, New York, Jan. 2, 1901.

DRS. TAFT BROS. MEDICINE CO., Gentlemen: Your Asthmalene is an excellent remedy for Asthma and Hay Fever, and its composition alleviates all troubles which combine with Asthma. Its success is astonishing and wonderful.

REV. DR. MORRIS WECHSLER, AVON SPRINGS, N. Y., Feb. 1, 1901.

After having it carefully analyzed, we can state that Asthmalene contains no opium, morphine, chloroform, or other Very truly yours.

DR. TAFT BROS. MEDICINE CO.

Gentlemen: I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmalene for the cure of Asthma. My wife has been afflicted with spasmodic asthma for the past 12 years. Having exhausted my own skill as well as many others, I chanced to see your sign upon your windows on 120th street, New York, and once obtained a bottle of Asthmalene. My wife commenced taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her asthma has disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this distressing disease.

Yours respectfully, O. D. PHELPS, M. D. Feb. 5, 1901.

DR. TAFT BROS. MEDICINE CO. Gentlemen: I was troubled with Asthma for 22 years. I have tried numerous remedies, but they have all failed. I ran across your advertisement and started with a trial bottle. I found relief at once. I have since purchased your full-size bottle, and I am ever grateful. I have a family of four children, and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit. REMODELED AND REPAINTED.

Improvements to be Made on Our Temple of Justice.

The contract for repairing and remodeling the court house has been let to Mr. W. R. Fank for \$3700, he being the lowest bidder. Mr. Fank took hold at once and is working daily with a force of hands. His contract calls for an addition of twenty feet to the rear of present building. This will give two additional offices down stairs, one for the treasurer and one for the supervisor and county commissioners. The coroner, who by law is entitled to an office in the court house, will occupy the supervisor's present office, while the box-like compartments now occupied by the auditor and treasurer will be made into one decent sized office for the auditor.

Up stairs in front will be added two rooms—one on each side—for the solicitor and the grand jury, while the judge's and petit jury's rooms will be moved back

so as to come within the extension. Besides the two additional offices in front the seating capacity of the court room will be considerably increased. In addition to this the old building will be thoroughly overhauled, replastered where necessary and the dingy red color, so long an eyesore, replaced by a coat of paint more in harmony with good taste.

Improvements similar to what is outlined above have recently been made on the court house at Sumter at a cost of over \$500. Supervisor Chandler says that the work done on our temple of justice will compare favorably with that at Sumter and the cost will be much less. Moreover, he informs us that these improvements will be paid for without its being necessary to increase the tax levy at all.

The great Austrian violinist and musical genius, Kubelik, will make a tour of America during the winter.

In Memoriam.  
Died, at Trio, S. C., July 25, 1901, James Herbert, infant son of Louis W. and Wilhemina Loryea. God in his infinite wisdom has removed this little child from a world of care and sin to a realm of pure delight, and while it is hard to give up our cherished one still we must be resigned to the will of Him who doeth all things well. The good poet has truly said, There is no flock, however watched and tended,  
But one dead lamb is there.  
There is no Reside, howe'er defended  
But has one vacant chair.  
He is not dead—the child of our affection—  
But gone unto that school  
Where he no longer needs our poor protection,  
And God Himself doth rule.
