

LAKE CITY DEPARTMENT.

In charge of
W. L. BASS, Esq.

Misses Maria Rushton and Maria Croft have returned to Columbia Female College.

Miss Junie Hinman returns to Elizabeth Female College, Raleigh, N. C., this week.

A. N. Satchell's house is nearing completion. No more oil wells have been sunk.

Nowadays there are so many strangers coming and going in town that we can not chronicle the visits of all.

W. S. Moore went to Virginia last week. It is reported that when he returns Mrs. Moore will accompany him.

J. H. V. Gaskins has begun his dwelling on Vallege street. It is being built on the site of the old Kelley homestead.

J. D. Caldwell and sister have become citizens of our town. They are brother and sister of our fellow-townsmen, L. L. Caldwell.

Work on the dwellings of J. M. Kennedy and of David Coker is being pushed along. Mr. Kennedy's is covered and partly weather boarded.

B. Wallace Jones, Jr., has gone to Charleston College, and Arthur and his sister, Miss Pansy, went back to attend Welsh Neck High School last week.

Mrs. Belk, wife of A. C. Belk, died on the 24th. She had been a sufferer for years. She leaves a number of children, of whom our marshal L. M. Belk is one.

We understand that a petition is being circulated in town asking for another election on the dispensary matter. It has not yet been brought to the notice of council officially.

The case against the alleged blind tigers, which was tried in the intendant's court Monday resulted in a mistrial, the jury failing to agree. The case will be called again Friday.

Some merchants seem hard to understand how advertising helps business. Ask Messrs Epps & Epps what effect their advertising in THE RECORD had on their trade. You will be surprised at the answer, and you will be convinced that advertising in THE RECORD is the thing.

It is very probable that the lawsuit about the school house will be settled in a very few days; and as soon as this is done the house will be finished, we are informed, and school will be opened. This is a consummation devoutly to be wished.

Rev. W. B. Baker, who is well known to our people, having lived here four or five years, had a private meeting at one of his churches in Marlboro a few weeks ago, to which he was assisted by Rev. T. N. Hart. There were one hundred and fifty worshippers and one hundred and two offerings to the cause. We have taken from Rev. Hart, whom we met a few days ago.

Next week, the Photographer, will open his new gallery in a new place in Lake City, of which the notice will be given in this paper.

I am advised that TERTHINA (Fleming's) has cured more children than all his doctors put together. I have recommended TERTHINA when the doctors gave up the child, and it cured at once.

TOT CAUSES NIGHT ALARM.

"One night my brother's baby was taken with croup," writes Mrs. J. C. Sadler, of Crittenden, Ky. "It seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from croup and whooping cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infallible for coughs, colds, throat and lung troubles. 50c and \$1.00; trial bottle free at D. C. Scott.

Secretary Holloway says the prospect for a fine exhibit and large attendance at the State Fair is very flattering.

A FIENDISH ATTACK.

An attack was lately made on C. F. Collier, of Cherokee, Iowa, that nearly proved fatal. It came through his kidney. His back got so lame he could not stoop without great pain, nor sit in a chair except propped by cushions. No remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes like a new man. This marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at D. C. Scott's drug store.

When a dressmaker makes a quilt out of silk scraps, the women begin to look at her with suspicion.

STEPPED INTO LIVE COALS.

"When a child I burned my foot frightfully," writes W. H. Eads, of Jonesville, Va., "which caused horrible leg sores for 30 years, but Bucklen's Arnica Salve wholly cured me after everything else failed." Infallible for burns, scalds, cuts, sores, bruises and piles. Sold by D. C. Scott, 25c.

When a boy is not invited to a party, he hangs around the outside to see how things are going.

WHAT'S YOUR FACE WORTH?

Sometimes a fortune, but never, if you have a sallow complexion, a jaundiced look, moth patches and blotches on the skin—all signs of liver trouble. But Dr. King's New Life Pills give clear skin, rosy cheeks, rich complexion. Only 25 cents at D. C. Scott's drug store.

Every dog has his day—but the cat has a monopoly of the nights.

The Best Prescription for Malaria, Chills and Fever is a bottle of Grove's Tasteless Chill Tonic. It is simply iron and quinine in a tasteless form. No cure—no pay. Price 50c.

The Story of Sankey's Voice.

In a forthcoming number of the Ladies Home Journal Cleveland Moffett is going to tell for the first time the real story of Ira D. Sankey's great voice. Not the least interesting of the incident he will relate is the singer's own description of how that famous hymn, "The Ninety and Nine," came to be written.

IS LIFE WORTH LIVING?

Then don't neglect a cough or cold, especially when twenty-five cents will buy a bottle of Mexican Syrup. It is so soothing, and so many consumptives have been made well by its use. Read some of the testimonials on the wrapper around each bottle that prove this remedy more sure for deep seated colds, habitual coughing and even consumption, than any other remedy known to physicians, many of whom recommend and prescribe it where less efficacious remedies fail.

PALE, PUNY CHILDREN.

If a child has a bad smelling breath, if it habitually picks its nose, if it is cross and nervous, if it does not sleep soundly, if it is hollow-eyed, if it has a pale, bloodless complexion, if it is growing thin and listless, give it Mother's Worm Syrup and you will remove the cause of its distress quickly. Then will its little cheeks get red and rosy, its appetite and digestion improve, and its health be better. Price only 25 cents. No other worm-killer so effective.

BE NOT DECEIVED.

Don't think you can neglect your health and reach old age. The way to longevity is to be kind to nature and then nature will be kind to you. Consumption, inactive liver, etc., are foes to nature. Mexican Root pills help nature. Try them. They cure by cleansing and strengthening.
