FOR HARNESS and Saddle Sores Mexican Mustang Liniment is just what you need. It takes effect at once, and you will be astonished to see how quickly it heals sores.

It's this way:

You can burn yourself with Fire, with Powder, etc., or you can scald yourself with Steam or Hot Water, but there is only one proper way to cure a burn or scald and that is by using

Mexican Mustang Liniment.

It gives immediate relief. Get a piece of soft old linen cloth, saturate it with this liniment and bind loosely upon the wound. You can have no adequate idea what an excellent remedy this is for a burn until you have tried it.

A FOWL TIP. If you have a bird afflicted with Roup or any other poultry disease use Mexican Mustang Liniment. It is called a STANDARD remedy by poultry breeders.

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely. I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever. I then saw your advertisement, accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

F. A. WERMAN, 720 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation. Examination and advice free. **YOU CAN CURE YOURSELF AT HOME** at a nominal cost. **INTERNATIONAL AURAL CLINIC, 596 LA SALLE AVE., CHICAGO, ILL.**

Frank Leslie's Popular Monthly for December.

Like the November number, the Christmas issue of Leslie's Popular is beautifully decorated with color plate illustrations, and the general appearance of the Magazine is notable among the monthlies. The opening article, written by the famous showman, Frank C. Bostock, is illustrated by a score of sketches and finished portraits of living animals drawn from life by Charles C. Bull. But the article which will perhaps arouse the greatest attention is written by Israel Zangwill, upon the long cherished design of the Jews to redeem and repeople the Holy Land. It is a scheme such as has never before been tried in history, for here colonists are seeking to found a mother country. Another paper of importance is contributed by Gen. Ballington Booth, and entitled "The Personal Appeal of the Volunteers." As for stories the number is full of them. One delightful story by the author of "Your Uncle Lew," another by the rising novelist, William Mc-

Leod Raine, a third by Onoto Watanna, a fourth by Sewell Ford, and still another by Cy Warman and others yet. The ingenious Diary of a Japanese Girl is continued in this number, while Maurice Hewlett's novel continues its delightful course. In Marginalia Gelett Burgess appears at the head of a band of humorists.

DESERVED HIS FATE.

Negro Lynched in Anderson for a Peculiarly Horrible Crime.

Anderson county reports a very shocking crime followed by a lynching on Sunday. A strange negro went to the house of Mrs. Perry Craft, the wife of a well known farmer and begged for something to eat. The lady told him that she had nothing but some cold potatoes in the house. These she brought and the negro grew angry and threatened to kill her. She retreated into the house and he pursued and shot her. She was hit in the back near the spine. She ran about a hundred yards and fell. Her husband, hearing the shots, ran to the house and pursued the negro, snapping his pistol at him, but it missed fire. A neighbor took up the chase with a winchester, but missed his aim. The negro shot at both of the men but missed them.

The winchester finally hit him, but did not wound him badly and he still fled. He was pursued by the whole country side and captured. He was taken before his victim, who identified him on her dying bed. He was swung up without further ceremony. There were a number of negroes in the party participating in the lynching.

It was then learned that the negro was an ex convict named Ladison from Newberry.

Rev. Irl R. Hicks is Not Dead.

Notwithstanding a widely current rumor that the Rev. Irl R. Hicks was dead, he never was in better health, and never did a harder and more successful year's work than that just closing. He has just completed his large and splendid almanac for 1901 and, with his staff of able helpers, has brought his journal Word and Works, justly forward to international reputation. For a quarter of a century Mr. Hicks has grown in reputation and usefulness as the people's astronomer, and forecaster of storms and character of coming seasons. Never were his weather forecasts so sought after as now, his timely warning of a serious drought this year having saved the people from loss and suffering. Millions of bushels of wheat were harvested through his advice to plant crops that would mature early. The American people will certainly stand by Prof. Hicks, when it costs them so little and the benefits are so great. His fine Almanac of 200 pages is only 25c, and his splendid family journal is only one dollar a year including the Almanac. Send to Word and Works Pub. Co., 2201 Locust St., St. Louis, Mo.
