

## LAKE CITY DEPARTMENT.

In charge of  
W. L. BASS, Esq.

C. M. Kelley spent a few days in Charleston last week.

Miss Marcus, of Florence, visited at Mrs. L. H. Grimsley's.

The telephone poles from here to Kingstree are ready for the wire.

Mr. Gregory, one of Florence's tobacco men, spent Monday in town.

Mrs. Rosa Fass and two daughters, of Dillon, are visiting at H. Nachman's.

LeRoy Lee, Esq., ran up from Kingstree Thursday on professional business and spent a few hours in town.

Mr. Abbie Fitch and Miss Daisy Stuckey were married at the residence of the bride's father, Mr. John F. Stuckey, on the 24th inst. The ceremony was performed by Rev. J. E. Rushton.

Monday the "shoo fly" train began exchanging mail here. This will prove a great convenience to our people. Heretofore we have had only one south bound mail a day, and that at 8.30 at night.

Messrs. Richie have begun work on their residence. The foundation has been built and framing raised. The house will be two stories and basement. It will be heated by a furnace in the basement.

Rev. J. E. Rushton left for Columbia Wednesday to attend the annual Meth. dist. conference. It is hoped that he will be sent back to this charge. He has done good work here and is held in high and cordial esteem.

Fire destroyed the boys' dormitory of the Leesville County Educational Institute at Leesville, S. C., last Friday night. Two of the male teachers, Profs. S. C. Morris and Mobley had rooms in this annex. Prof. Morris lost everything in his room, including books, clothing and \$32 in money.

From indications, when court shall have adjourned Wheeler's brigade will be full, very full. Judge Gaskins keeps on sending up applicants for examination at the general sessions. A good many of those will in all probability pass the examination and be put into active field and ditch service.

A quiet home wedding came off on the 24th at Mrs. Fannie M. Lee's. It was the marriage of Miss Linnie Lee, Mrs. Lee's youngest daughter, and Mr. R. B. Cannon, of Scranton. Rev. T. J. Rooke united the happy couple. Only a few immediate relatives were present. Mr. B. M. Clement and Miss Maggie Lee, of our town, attended. The bride is a daughter of the late R. Y. H. Lee. Had we the power to bring our wishes to fruition this couple would reap a rich harvest of joy and light.

We suppose that the giving of mortgages on the same crop and the piling up of mortgages and bills of sale of the same property goes on every year, but it takes a year like the present one to show the great extent of the practice. When a good crop is made those who practice these things settle up and thus prevent exposure. But this year they couldn't settle up and their victims are uncovering the crimes. The small farmers will find it difficult to get advances next year. The merchants will be more cautious than ever in picking their customers.

A good many fruit trees have been delivered here within the past week. Our people seem to be waking up to the culture of fruit, and we are glad to see it. While some fruits will not pay, others do as well here as anywhere in this country. Besides this the liberal use of fruits would lessen grocers' and doctors' bills. Strawberries, blackberries, raspberries, grapes, plums, cherries, figs and pomegranates do well here, and some of them especially well. Enough peaches and apples can be raised for home use, and our local markets. We should unquestionably raise more fruits than we do, and we ought not to neglect nuts, especially pecans and walnuts.

A good-humored lawyer often makes a cross-examination.

Natives of South Africa distill an intoxicating liquor from the fruit of the umganu tree.

### ASTOUNDING DISCOVERY.

From Coopersville, Mich., comes word of a wonderful discovery of a pleasant tasting liquid that when used before retiring by any one troubled with a bad cough always ensures a good night's rest. "It will soon cure the cough too," writes Mrs. S. H. H. Elburger, "for three generations of our family have used Dr. King's New Discovery for Consumption and never found its equal for coughs and colds." It's an unrivaled life-saver when used for desperate lung diseases. Guaranteed bottles 50c and \$1.00 at Dr. D. C. Scott's. Trial bottles free.

It is reported that the oyster crop this year will be the largest in the world's history.

### SPREADS LIKE WILDFIRE.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist, of Belleville, O., writes: "Electric Bitters are the best selling bitters I have handled in 20 years." You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudes of maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly rundown man or woman. Price 50 cents. Sold by Dr. D. C. Scott druggists.

Prayer is not ordering what you want, but asking for what you need.

The secret of a woman's dress is in the pocket.

### DID YOU KNOW THIS?

Do you know that a neglected cough or cold leads to consumption? More people die from the effects of catching cold than from any other known cause. There is one remedy, and remember it only costs twenty-five cents, that has proven a safe, unfailing cure for coughs and colds. It is called Mexican Syrup. Your druggist has it or will get it for you. It heals and strengthens the lungs and breathing passages, when nothing else you take seems to do you good; you had better get a bottle to-day and read the testimonials on the wrapper.

### HAVE YOU WORMS?

Are you growing thin and sickly? Has your skin a pale or sallow tinge? Do you not occasionally feel a hollow sensation in the pit of your stomach, or a queer distress in your bowels? Do you get easily vexed, nervous or fidgety? Probably you are nourishing some stomach worms, a lengthy tape worm, or else a thousand pin worms, that are devitalizing your entire system. You can expel them by taking Mother's Worm Syrup. Nothing else is so effective.

### BETTER HEALTH.

Better health always follow a use of Mexican Root Pills, simply because they cleanse the system of sickening and effete matter so thoroughly and completely. It is a sin to remain constipated when Mexican Root Pills only cost 25 cents a box.

### THE BEST PAIN CURE
