LONG AGREES.

Accepts the Findings of the Schley Court.

Washington, Special.—Secretary Long Saturday issued the following order, dissolving the Schley court of inquiry. The order was communicated at once to Admiral Dewey, president of the court, who acknowledged its receipt and said that in conformity with the order of the secretary, he had announced the dissolution of the court.

Following is the text of the letter sent by Secretary Long to Admiral Dewey dissolving the Schley court of inquiry:

"Sir: The court of inquiry of which you are the president, convened by department's order of July 6, 1901, for the purpose of inquiring into the conduct of Rear Admiral (then Commodore) W. S. Schley, U. S. N., retired during the recent war with Spain and the events connected therewith, is this day dissolved. You will inform the other members of the court and the judge advocate accordingly. Very respectfully," etc.

Secretary Long has disposed finally of the Schley case so far as the Navy department is concerned, by acting upon the findings and conclusions of the court of inquiry.

He approves the findings of fact and the opinion of the full court; he approves the majority opinion where there is a difference in the court; he holds that the court could not have entered into a consideration of the question of command at the battle of Santiago and finally he accepts the recommendation that no further proceedings shall be had.

The secretary also has declined the application of Admiral Sampson's counsel to enter upon an inquiry into the question of command and has notified Admiral Schley's counsel of that fact as a reason for declining to hear them on that point.

Washington, Special.—The following was made known Saturday afternoon by Secretary of War Root:

"Navy Department, Washington, D. C., Dec. 20.—Rear Admiral A. S. Barker, Commandant Navy Yard, New York. Sir: I am directed by the president to ask Edgar S. Maclay, special laborer, general storekeeper's office, navy yard, New York, to send in his resignation. (Signed) Very respectfully, John D. Long, Secretary."

Portela Recalled.

Valparaiso, Special.—The Argentine government has recalled its representative at Santiago de Chile, leaving the legation in charge of the secretary. Diplomatic relations between the two countries have not yet been broken off.

Buenos Ayres, via Galveston, Special.—General Mitre, president of the boundary commission and former President of Argentina, will approve the resolution of the Argentine government to withdraw Senor Portela, the Argentine minister to Chile. The people are flocking to the public rifle ranges. Each person is allowed to shoot 35 cartridges from a Mauser rifle gratis. "Foreign legions" of soldiers are being organized.

Lives Lost in Fire.

New York, Special.—Isaac Gill, a tailor, 52 years of age, and an unidentified man, lost their lives at a fire which destroyed a four-story sweat shop building on Clinton street Sunday night. Four people were injured, none of them fatally. About forty men and women were at work in the building. The fire started in the basement and gained such headway that escape was cut off. The people jumped from the windows to save themselves. Many whose names were not mentioned were slightly injured. The loss is \$10,000.

Would Have Given \$40,000,000.

London, By Cable.—Chauncey M. Dewey, in an interview with a representative of the Associated Press, said Sunday that had M. Hautin, former president of the Panama Canal Company, offered to sell the canal for \$40,000,000, instead of expecting us to dicker about the price, the United States probably would have bought the property. The Senator also said he believed that the decision reached yesterday by the Panama Canal Company had come too late.

Distressing Loss of Life.

DuBois, Special.—Word reached here Sunday of a holocaust that occurred about three miles from Summerville, Jefferson county, Saturday morning. The home of John Ashbaugh, a farmer, was destroyed by fire and four persons burned to death. One other is burned in such manner that recovery is very doubtful and four others, are seriously burned and injured.
