New Enterprises That Are Enriching Our Favored Section.

New Rice Product.

A unique plant for the manufacture of flaked rice is being established at Goldsboro, N. C., by the Carolina Rice Mills, which company also has another extensive plant at Goldsboro and one at Wilmington. The new product will be manufactured under a secret process claimed to be entirely novel and different to any now in use for similar purposes. The process is to produce a thoroughly cooked flake ready for the table in a most palatable and easily-digested form.

Industrial Miscellany.

The leading interests in developing the national oil resources of the Beaumont fields have completed arrangements for the location of an extensive steel-tank and tank-car works at Beaumont. A site of twenty acres has been bought for \$10,000, and the plant will employ 200 men at the start. A \$125,000 company, now organizing, will operate the works, which will be a removal of the Penman Tank and Boiler Works, now conducted at East Chicago, Ind., by Messrs. Penman Bros. The Messrs. Penman have been secured mainly through the efforts of W. C. Tyrrell, president of the Heywood Oil Co.

The establishment of another shipbuilding plant at New Orleans is indicated in articles of incorporation that were granted during the current week at New Orleans. Messrs. J. S. Waterman, Sam Henderson, Jr., William A. Wenck W. Waller Young are the incorporators, and the company is styled the New Orleans Shipbuilding & Docking Co., capitalized at \$5,000,000, with privileges of erecting machine and repair shops, docks, wharves and other facilities for shipbuilding and repairing works.

A dispatch from Birmingham says that the Southern Car & Foundry Co has been given an order by the Cincinnati Southern Railroad Co., for 1800 flat, box and coal cars, representing an expenditure of \$1,250,000. The cars are to be delivered during next fall. The Seaboard Air Line Railroad has given the same company an order for 500 new cars, which make more than 2500 cars for which that company has now orders.

Consul General Andrew G. Barlow at the City of Mexico has been directed by the United States Department of State to prepare a report in regard to American enterprises in Mexico, giving the names of companies, firms or individuals, the business in which they are engaged, the capital employed in each, and other information, which will be treated by Mr. Barlow as strictly confidential.

The past year has been financially the most prosperous in the history of the Memphis Cotton Exchange, and it began this year with a balance of more than \$1,800. Memphis handled 6.51 per cent. of the total cotton crop of last season.

The Chamber of Commerce of Elizabeth City, N. C., has decided to organize a company to operate a line of steamers between Elizabeth City and points on Albemarle sound.

In 1901 the charter fees received by the secretary of State of South Carolina amounted to \$40,583.71, more than four times the amount received in 1900.

The value of the mineral products of the United States in 1900 was \$1,067,603,606, a gain over 1899 of \$95,702,712.

Textile Notes.

Norfolk (Va.) Silk Co., has decided to install additional looms, and the productive capacity will probably be increased 50 per cent. by the improvements. Company now has 325 looms. Its product is made from raw silk that is imported from China and Japan.

Tryon (N. C.) Hosiery Co., intends to expend \$10,000 to improve and enlarge its plant during the year. It now has \$50,000 capital stock and its knitting machines number eighty. An additional building, a 20-foot structure, will be erected to accommodate new machinery, also a warehouse.

Anniston (Ala.) Carpet Co., has purchased 100x223-foot lot on which to erect nine double houses for the use of its mill operatives. Smith & Dickinson have contract to build the structures, after plans by C. W. Carlton & Co.

In a recent speech in New York Mr. Laurus Loomis estimated that since the fall of Pekin more than 300,000 bales of cotton goods from America, chiefly from Southern mills, have been sold for shipment to China.

W. H. Dustin, reported last week as to rebuild his \$50,000 Eagle Cotton Mills, that was destroyed by fire at Lawrenceburg, Tenn., has leased an idle plant to be operated while the new plant is under construction.

T. Howard Fleming of Fairmont, Va., is in receipt of correspondence from a New York company that proposes establishing a silk mill at Fairmont. A free site for the buildings is asked as an inducement.

Harold Doubleday of Tryon, N. C., has established a plant for the manufacture of the ink used in marking hosiery and other knit goods by producers in the mills. The ink marks white on black goods.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—**CALIFORNIA FIG SYRUP CO.**—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.
