

Indiantown Inklings.

[Written for last week.]

Crops are looking well since the rain last Sunday evening.

The health of our community is very good at this time.

Mr. L. B. Roper and B. W. Stewart were here a few days ago from Single.

Miss Eva Bell is home from Raleigh, N. C., where she has been attending school.

Mr. J. C. Bell, one of our most progressive farmers, has finished harvesting his wheat crop. Owing to the dry weather, wheat as well as other grain crops is cut off somewhat.

Farmers have begun cutting oats.

Mr. R. D. Gamble has almost completed his tobacco pack house. Mr. Gamble is always on good time with his undertakings, which is one reason why he makes farming pay.

Mr. Johnnie Cunningham and sister, Miss Annie, returned last Friday from the exposition. They report a pleasant visit.

Local politics is beginning to take concrete form and two of our popular young men, Messrs. S. D. Cunningham and R. S. Bell, have entered the race for "trial justice." The race will be an interesting and exciting one, they both have many friends. We wish them both success.

Doings at Dock.

[Written for last week.]

Crops are looking well at this writing. General Green invaded this territory several days, but by dint of hard work and a few days fair weather his forces have been scattered.

On account of poor stands the melon crop is almost a failure.

Hard times is a frequent visitor throughout the county, as some of the merchants have closed down on the colored population.

Mr. Joe Johnson has a very fine field of tobacco.

Mr. W. H. Steele visited the Expo. last week. He reports a pleasant trip.

Miss Rosa Tallevast spent last week with friends here.

Mrs. May Register, of Greeleyville, is spending some time with her uncle and aunt, Mr. and Mrs. J. C. Josey.

Mrs. L. J. Nesmith and Miss DuBose, of Darlington, attended preaching at Indiantown Sunday morning.

Miss Jeddie Nesmith is visiting friends in Marion this week.

NIGHT HAWK.

My little daughter, Mary Josephine Harrell Jones had been having fits ever since she was five months old, until the 10th day of March, 1898, making her about two years and seven months old when the wonderful Dr. Nielsen came and treated her. He said the cause was from affected brain. Her nostrils ran yellow corruption and then blood corruption. She had as many as eight fits in one day and today my little daughter is mending fast and I feel safe in recommending Dr. Nielsen to all who may have similar trouble. Dr. Nielsen's wonderful eye water is just what it is recommended to be, try it and be convinced.

To Cure a Cold in One Day.
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

Some men are always so busy bragging about themselves that they never hear opportunity's knock.

For biliousness use Chamberlain's Stomach & Liver Tablets. They cleanse the stomach and regulate the liver and bowels, effecting a quick and permanent cure. For sale by D. C. Scott, Druggist.

One of the prettiest sights imaginable would be that of a mother playing the piano while her daughter washed the dishes.

My little son had an attack of whooping cough and was threatened with pneumonia; but for Chamberlain's Cough Remedy we would have had a serious time of it. It also saved him from several severe attacks of croup.—H. J. Strickfaden, editor World-Herald, Fair Haven, Wash. For sale by D. C. Scott.

We can not blame a boy for not paying much attention to the father who takes a cigar out of his mouth to offer advice against the use of tobacco.

Of what does a bad taste in your mind you? It indicates that your stomach is in bad condition and will remind you that there is nothing so good for such a disorder as Chamberlain's Stomach & Liver Tablets after having once used them. They cleanse and invigorate the stomach and regulate the bowels. For sale at 25 cents per box by D. C. Scott, Druggist.

"Wisdom is good, with an inheritance," says the Good Book. Which reminds us of the ever-present patriot who is always shouting for the old flag, an appropriation.

HOW TO AVOID TROUBLE.
Now is the time to provide yourself and family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed before the summer is over, and if procured now may save you a trip to town in the night or in your busiest season. It is everywhere admitted to be the most successful medicine in use for bowel complaints, both for children and adults. No family can afford to be without it. For sale by Dr. D. C. Scott.

Baby feet have an affinity for mud, but there comes a time in the history of nearly every home when the parents would give all they possess for the sight of a tiny footprint in the front hall.

READ IT IN HIS NEWSPAPER.

George Schaub a well known German citizen of New Lebanon, Ohio, is a constant reader of the Dayton Volkszeitung. He knows that this paper aims to advertise only the best in its columns, and when he saw Chamberlain's Pain Balm advertised therein for lame back, he did not hesitate in buying a bottle of it for his wife, who for eight weeks had suffered with the most terrible pains in her back and could get no relief. He says: "After using the Pain Balm for a few days my wife said to me, 'I feel as though born anew,' and before using the entire contents of the bottle the unbearable pains had entirely vanished and she could again take up her household duties." He is very thankful and hopes that all suffering likewise will hear of her wonderful recovery. This valuable liniment is for sale by Dr. D. C. Scott, Druggist.

HAPPY TIME IN OLD TOWN.

"We felt very happy," writes R. N. Beville, Old Town, Va., "when Bucklen's Arnica Salve wholly cured our daughter of a bad case of scald head." It delights all who use it for Cuts, Corns, Burns, Bruises, Bolls, Ulcers, Eruptions, Infallible for Piles. Only 25c. at D. C. Scott's drug store.

It is not fair to be hit by a man when you are down.

FILTHY TEMPLES IN INDIA.

Sacred cows often defile Indian temples, but worse yet is a body that's polluted by constipation. Don't permit it. Cleanse your system with Dr. King's New Life Pills and avoid untold misery. They give lively livers, active bowels, good digestion, fine appetite. Only 25c. at D. C. Scott's drug store.

Begin with the spice of life and you may end with the vice of it.

LEADS THEM ALL.

"One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and throat and lung troubles," says D. Scott Currin, of Loganton, Pa. One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attack that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs. D. C. Scott.

A man married to a rich estate never can see what the slaves had to complain of.

SPRING FEVER.

Spring fever is another name for biliousness. It is more serious than most people think. A torpid liver and inactive bowels mean a poisoned system. If neglected, serious illness may follow such symptoms. DeWitt's Little Early Risers remove all danger by stimulating the liver, opening the bowels and cleansing the system of impurities. Safe pills. Never gripe. "I have taken DeWitt's Little Early Risers for torpid liver every spring for years," writes R. M. Everly, Moundsville, W. Va. "They do me more good than anything I have ever tried." D. C. Scott.

Widows are rich cream, married women skimmed milk, old maids thin buttermilk.

VIROLENT CANCER CURED.

Startling proof of a wonderful advance in medicine is given by druggist G. W. Roberts, of Elizabeth, W. Va. An old man there had long suffered with what good doctors pronounced incurable cancer. They believed his case hopeless till he used Electric Bitters and applied Bucklen's Arnica Salve, which treatment completely cured him. When Electric Bitters are used to expel bilious, kidney and microbe-poisons at the same time this salve exerts its matchless healing power blood diseases, skin eruptions, ulcers and sores vanish. Bitters 50c., Salve 25c. at D. C. Scott's.

FLORENCE, S. C., Nov. 26, 1900.—I was first advised by our family physician in Charleston to use TEETHINA. Later it was useful in soothing troubles, and its effect has been found to be so very beneficial and so free from dangers, that are consequent upon the use of drugs and soothing syrups, that we have come to regard it, after use with three children, as one of the necessities when there is a new baby in the house and until the teething troubles are over, and we take pleasure in recommending it to our friends instead of the horrid stuff that so many people use to keep their baby quiet.
