

Cades Chronicles.

There is some sickness in town at present; W. J. Harrell is critically ill.

J. N. Sauls visited Charleston last week on business.

I regret to report that Mrs. J. A. Sauls has been ill for several days.

A refreshing rain fell last Saturday night, much to the relief of the farmers.

Mrs. T. E. James and children of Scranton are visiting relatives near town.

Mrs. R. T. Parker and two daughters, who have been living here for a number of years, moved to Georgetown last week. They will conduct a boarding house in Georgetown.

Miss Dessie McElveen of Hebron is spending some time with the family of Mr. J. T. McElveen, near town.

Tobacco curing is keeping the farmers around here quite busy. Those who have sold part of their crops are well satisfied with the proceeds.

Quite a number of the young folks from here attended the picnic at Lake City Friday, while a good many of the older men went to Kingstree to hear the would-be senators talk. Both occasions are reported to have been fully up to what was expected.

The railroad force here has commenced work on another switch line, which, when completed, will furnish a siding for about 40 box cars. The new switch will enable trains to pass at this point without using the warehouse switch, which is sometimes the cause of delay.

Our enterprising citizen, J. N. Sauls, is building a tram road from here to the belt of timber lying a few miles west of this place, which timber he has recently acquired by purchase. Mr. Sauls is pushing the work with a vim, and will soon have his track completed.

IVANHOE.

Taft Topics.

Crops look well, but are needing rain. The weather is scorching hot. Very little sickness is noted.

Picnics and dancing parties are very much the go just now.

On one-quarter acre of truck Mr. W. D. Bryan gathered 48 bushels of Irish potatoes; he planted three pecks of onion sets and made 20 bushels of onions.

The Atlantic Coast Lumber Company shut down on July 4.

Mr. and Mrs. W. D. Bryan will leave for Asheville, N. C., on the 7th. They will go by Glenn Springs on their trip to the mountains.

No candidates have visited us yet, although we have received cards from a few.

BISMARCK.

Patient plodding puts petty scheming to flight.

When the homes are right the streets are boyless.

Every day should be distinguished by at least one act of love.

One should look beneath the foam on the sea to see that which lies in the depths below.

There is no cell so dark that it cannot be penetrated by the Roman candle of kindness.

Nations, like men, exert their greatest influence by example, not by force.

Cut this out and take it to D. C. Scott's Drug Store and get a box of Chamberlain's Stomach & Liver Tablets. The best physic. They also correct disorders of the stomach. Price 25 cents.

Some men spend enough time mourning over defeat to win glorious victories.

"I am using a box of Chamberlain's Stomach & Liver Tablets and find them the best thing for my stomach I ever used," says T. W. Robinson, Justice of the Peace, Loomis, Mich. These Tablets not only correct disorders of the stomach but regulate the liver and bowels. They are easy to take and pleasant in effect. Price 25 cents per box. For sale by D. C. Scott, Druggist.

Some men train their consciences to approve everything they do and then plead it as an excuse.

THE BEST LINIMENT FOR STRAINS.

Mr. F. H. Wells, the merchant at Deer Park, Long Island, N. Y., says: "I always recommend Chamberlain's Pain Balm as the best liniment for strains. I used it last winter for a severe lameness in the side, resulting from a strain, and was greatly pleased with the quick relief and cure it effected." For sale by D. C. Scott, Druggist.

Employing choirs to do your singing is very much like employing men to live righteously for you.

THE SAME OLD STORY.

J. A. Kelly relates an experience similar to that which has happened in almost every neighborhood in the United States and has been told and re-told by thousands of others. He says: "Last summer I had an attack of dysentery and purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which I used according to directions and with entirely satisfactory results. The trouble was controlled much quicker than former attacks when I used other remedies." Mr. Kelley is a well known citizen of Henderson, N. C. For sale by D. C. Scott, Druggist.

Some men give to the poor for the purpose of lending to the Lord with the expectation of securing usurious interest.

Summer complaint is unusually prevalent among children this season. A well developed case in the writer's family was cured last week by the timely use of Chamberlain's Colic, Cholera and Diarrhoea Remedy—one of the best patent medicines manufactured and which is always kept on hand at the home of ye scribe. This is not intended as a free puff for the company, who do not advertise with us, but to benefit little sufferers who may not be within easy access of a physician. No family should be without a bottle of this medicine in the house, especially in summer-time. — Lansing, Iowa, Journal. For sale by D. C. Scott, Druggist.

POISONING THE SYSTEM.

It is through the bowels that the body is cleansed of impurities. Constipation keeps these poisons in the system, causing headache, dulness and melancholia at first, then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's Little Early Risers prevent this trouble by stimulating the liver and promote easy healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress. D. C. Scott.
