

### Dots From Leo.

A good deal of fever has prevailed in this community, but none was attended with fatal results. Miss Lowell Brown is convalescing from an attack of typhoid fever, and Mrs. A. A. Brown is recovering from an illness caused by malarial fever.

Miss Fannie Keels' school at the Brown school house is progressing nicely. Miss Keels has been teaching in this neighborhood for about ten years and is well thought of by both patrons and pupils.

On Tuesday evening, Oct. 14, most of the youth and beauty of this immediate vicinity assembled at Mr. J. T. Eaddy's to a moonlight picnic. Everything was propitious for an enjoyable evening and all who attended seemed to have had a most pleasant time.

Miss Lee Kellehan of Lake City, has been visiting the family of Mr. W. W. Burrows.

Farmers are rejoicing in good crops this year, especially in the way of provisions. There will be no scarcity of "hog and hominy" this fall around Leo.

People of this section are well blessed with church and Sunday school privileges. Rev. T. B. Owen, the earnest and zealous pastor of this charge, preaches twice a month at Prospect, and we have besides a flourishing Sunday school, superintended by Hon. J. Davis Carter.

From every side come reports of profitable tobacco growing and Leo is no exception to the rule. Hon. J. Davis Carter is our most extensive planter. Under the skillful management of Mr. O. S. Boyd of Virginia, from a field of 18 acres Mr. Carter has realized \$1800 on the proceeds of his crop. The tobacco acreage in this section will be considerably increased next year.

Lippincott's Magazine has discovered the friend of Edgar A Poe who was with him the last night of his tragic life in Richmond. This is Dr. J. F. Carter, now a venerable physician of Richmond, Va. His simple and pathetic story will be sought by every lover of "The Bells" and "The Raven," who will find in it much that is new concerning Poe.

**STRICKEN WITH PARALYSIS.**  
Henderson Grimmett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. Sold by Dr. W. L. Wallace, Kingstree, and Lake City Drug Co., Lake City.

## SHYLOCK

Shylock was the man who wanted a pound of human flesh. There are many Shylocks now, the convalescent, the consumptive, the sickly child, the pale young woman, all want human flesh and they can get it—take Scott's Emulsion.

Scott's Emulsion is flesh and blood, bone and muscle. It feeds the nerves, strengthens the digestive organs and they feed the whole body.

For nearly thirty years Scott's Emulsion has been the great giver of human flesh.

We will send you a couple of ounces free.

### Greeleyville Glints.

GREELEYVILLE, Oct. 27.—Maj. E. R. Lesesne was on our streets this morning.

All the merchants in our town seem to be doing a thriving business this season.

The Forepaugh and Sells circus at Sumter attracted quite a crowd from here last Thursday. Among those who attended were the following: R. H. Johnson, S. V. Taylor, E. O. Timmons, C. E. Register, S. W. Hogan, Sam Allen and others.

Mr. J. T. Hair and family of Alcolu, is visiting his father, Mr. J. R. Hair.

Messrs. C. C. McGee and R. W. Spann went to Sumter Wednesday to take in the circus.

Mr. C. H. Browder left Monday for Columbia to remain during the State Fair.

Mr. W. N. Clarkson was here Saturday from Heinemann.

Mr. J. A. Scarborough, the popular cotton buyer, was here Saturday. SWAMP FOX.

#### A Bonnet Party.

Misses Francis and Maggie Kennedy entertained a number of their friends last Friday evening at their home with a unique "Bonnet Party." Prizes were awarded to the young men who showed the best and greatest skill and taste in trimming hats for their fair partners. After a reasonable period of time, during which the young men presented claims to acquaintanceship with things before unknown, the first prize was awarded to Mr. Lonnie Flagler, and though competition for the booby prize was sharp, Mr. E. C. Epps was finally declared the winner. During the evening, light refreshments were served in very dainty style, and Miss Frances Kennedy delighted her guests with a number of choice instrumental selections.

The following guests were present: Misses Amelia Kennedy, Bertha Wells, Nannie Snider, Lila Hemingway, Agnes Erckmann and Addie Montgomery, and Messrs. Theo. Hemingway, Lucious Montgomery, Kinard, E. C. Epps, Lonnie Flagler and Ernest Wiggins.

The important paper in the November Lippincott, called "A Slender Sheaf of Memories," is reported to come from the pen of a former editor of that magazine who bears a noteworthy name in the field of history. He gives unpublished letters of Thackeray and Carlyle. He has signed his delightful recollections of London authors a generation ago simply Senex, but those who read them will not fail to discover the lurking personality who has himself discovered so many authors destined to fame.

A lie is often told without saving a word.

The Walnuts and Wine Department in the November Lippincott shows more humor to a page than is to be found elsewhere. The jokes and sketches are always absolutely new.

The "smile" of the summer girl is usually ice cream soda.

Lippincott's Magazine for November contains several poems worthy of the popular authors, Madison Cawein, Clarence Army, G. M. Whicher, Blanche Trennor Heath, and H. Talbot Kummer.

Never judge pictures and horses by their frames.

Alice Brown's name stands for sympathetic portrayal of queer New England types, and in her short story called "The State-House Platter," in the November Lippincott, she realizes vividly two sisters whose humor is of the inimitable Yankee type.

There is nothing as heavy as a heart without hope.

**ON A WHEEL** the rider frequently meets with disaster. A very handy and efficient doctor to have with you when an accident happens is a bottle of Mexican Mustang Liniment.

## Ulcers or Running Sores

need not become a fixture upon your body. If they do it is your fault, for

### MEXICAN MUSTANG LINIMENT

will thoroughly, quickly and permanently cure these afflictions. There is no guess work about it; if this liniment is used a cure will follow.

**YOU DON'T KNOW** how quickly a burn or scald can be cured until you have treated it with Mexican Mustang Liniment. As a flesh healer it stands at the very top.

The little tale called "Neighbors," by Abbie Farwell Brown (Lippincott's for November), will touch the heart of the working girl very closely.

#### AMERICA'S FAMOUS BEAUTIES

Look with horror on Skin Eruptions, Blisters, Sores, Pimples. They don't have them, nor will any one, who uses Bucklen's Arnica Salve. It glorifies the face. Eczema or Salt Rheum vanishes before it. It cures sore lips, chapped hands, chilblains. Infallible for Piles. 26c at D. C. Scott's drug store.

A wise man always bets on the top dog and the bottom facts.

The complete novelette of the November Lippincott is "The Other Man," by Frederic Red dale—a story of a diamond find which won the discoverer the woman he loved.

Get a free sample of Chamberlain's Stomach and Liver Tablets at Dr. W. L. Wallace's drug store, Kingstree, or Lake City Drug Co.'s drug store, Lake City. They are easier to take and more pleasant in effect than pills. Then their use is not followed by constipation, as is often the case with pills. Regular size, 25c per box.

Telephone girls never invite you to call again.

**DR. MOFFETT'S TEETHINA** Cures Cholera-Infantum, Diarrhoea, Dysentery, and the Bowel Troubles of Children of Any Age. Aids Digestion, Regulates the Bowels, Strengthens the Child and Makes TEETHING EASY.

Costs Only 25 cents at Druggists, or mail 25 cents to C. J. MOFFETT, M. D., ST. LOUIS, MO.

TOLEDO, O., July 26, 1876.—Dr. C. J. MOFFETT:—My Dear Sir: Justice to you demands that I should give you my experience with your excellent medicine, TEETHINA. Our little girl, just thirteen months old, has had much trouble teething. Every remedy was exhausted in the shape of prescriptions from family physicians. Her bowels continued to pass off pure bile and burning fever continued for days at a time. Her life was almost despaired of. Her mother determined to try TEETHINA, and in a day or two there was a great change—her life had returned—the bowels were regular, and thanks to TEETHINA, the little babe is now doing well.

Yours, etc., D. W. KEVER, Editor and Proprietor Telegraph (Adv.) News.
