

Greeleyville Clints.

GREELEYVILLE, Nov. 10.—Mrs W E Webb, of Charleston, is the guest of Mrs S B Varner of this place.

Miss Kate Habenicht, who is teaching in Sumter, visited her sister, Mrs M G McMillan, Saturday and Sunday.

R J Bradham spent Friday in Manning.

G B Browder and two children visited Manning Saturday.

A butting saw at the Mallard Lumber Co's mill burst today (Monday), but fortunately no one was seriously hurt.

News reached here today of the bursting of a pulley wheel at Mr. John B Land's mill at Foreston, injuring two men, a white man and a negro. The young white man (whose name we have not been able to ascertain) was hit by the bursting wheel and his leg broken.

Dance at Boggy Swamp.

Notwithstanding the incessant rain-fall Friday evening the dance given at Boggy swamp was a decided success, there being present a galaxy of representatives of the sex that stands for all that is fair and beautiful. Of course there were also on hand quite a number of attendant cavaliers and the hours flitted gayly away in the enjoyment of youth, beauty and pleasure.

Under the direction of Mrs J D B Hanna and "Uncle" Bob McClary, in addition to the efforts of the courteous and obliging committee, a sumptuous repast was served, consisting of barbecue, chicken in every style and other dainties too numerous to enumerate.

The dancing was kept up beyond the flush of rosetate dawn until Phoebus in his gilded chariot, appeared in all his resplendent glory. But each sweet must have a bitter and that bitter was when your scribe had to bid adieu to lawn and lace and go home with an aching heart—after the ball.

Cured

At 70 of Heart Disease Contracted

During Civil War—Veteran Grateful.

Dr. Miles' Heart Cure Effected Cure.

Heart disease is curable, but in people of advanced age it does not readily lend itself to ordinary treatment. There is, however, hope for all sufferers in Dr. Miles' Heart Cure, which we know from watching hundreds of cases and from the letters of grateful sufferers, will cure where all else has failed. It is not only a wonderful cure for weak and diseased hearts, but it is a blood tonic, a regulator of the heart's action and the most effective treatment ever formulated for improving the circulation of the blood.

"During the Civil war I contracted heart disease, and in 1866, while living in the grand old town of Lexington, Va., I grew so much worse, I left there with my wife to visit my sister-in-law, Mrs. T. A. Kirby, at Roanoke, Va. While I said nothing to anyone I never expected to live to return to the dear old town. On reaching Mrs. Kirby's she insisted I should try Dr. Miles' Heart Cure. I procured a few bottles of it, also the Nervine and Tonic. After using one or two bottles, I could see no improvement, and I despaired of ever being better, but my faithful wife insisted on keeping it up, which I did. Improvement soon began in earnest and I took in all fifteen or sixteen bottles. I was restored to perfect health and while I am 70 years old, I am comparatively a boy. You sir, are a benefactor, and I cheerfully recommend Dr. Miles' Heart Cure to suffering humanity."—J. L. SLAUGHTER, Salem, Va.

Supervisor-elect J J Graham brought us in last Saturday a few stalks of "Sojer" beans, which he planted this year for the first time. This variety of bean grows upright to a height of about 30 inches and are covered with pods, which contain a small, white pea. Mr Graham says that his beans will yield from 15 to 25 bushels to the acre and that they make excellent stock food. He obtained the seed from the old reliable house of T W Wood & Sons, Richmond, Va.

A STARTLING SURPRISE.
Very few could believe in looking at A. T. Hoadley, a healthy, robust blacksmith of Tilden, Ind., that for ten years he suffered such tortures from rheumatism as few could endure any live. But a wonderful change followed his taking Electric Bitters. "Two bottles wholly cured me," he writes, "and I have not felt a twinge in over a year." They regulate the Kidneys, purify the blood and cure rheumatism, neuralgia, nervousness, improve digestion and give perfect health. Try them. Only 50c at Dr. Scott's drug store.

IS YELLOW POISON
in your blood? Physicians call it Malarial Germ. It can be seen changing red blood yellow under microscope. It works day and night. First, it turns your complexion yellow. Chilly, aching sensations creep down your backbone. You feel weak and worthless.

ROBERTS' CHILL TONIC
will stop the trouble now. It enters the blood at once and drives out the yellow poison. If neglected and when Chills, Fevers, Night-Sweats and a general break-down come later on, Roberts' Tonic will cure you then—but why wait? Prevent future sickness. The manufacturers know all about this yellow poison and have perfected Roberts' Tonic to drive it out, nourish your system, restore appetite, purify the blood, prevent and cure Chills, Fevers and Malaria. It has cured thousands—it will cure you, or your money back. This is fair. Try it. Price, 25 cents.

TO THE PUBLIC.
Allow me to say a few words in praise of Chamberlain's Cough Remedy. I had a very severe cough and cold and feared I would get pneumonia, but after taking the second dose of this medicine I felt better, three bottles of it cured my cold and the pains in my chest disappeared entirely. I am most respectfully yours for health,

Mrs. Fred Unrath,
President Country Club, Benton Harbor, Mich.
"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."
Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
