

K. of P. ELECTION.

P. S. Wall Does the Handsome Thing by the Lodge.

(Written for last week.)

At a large and enthusiastic meeting of the Knights of Pythias the regular nomination of officers took place. This lodge is growing rapidly, already numbering among its members about seventy-five of our most prominent citizens. The question of giving a banquet during the holidays was discussed and resulted in Hon P. S. Wall's offering to furnish the banquet at our next regular meeting. If given, this banquet will surpass in every particular any previous one.

The officers nominated for the ensuing year were as follows:

- W S Lynch, C C;
- D Lamar Lee, V C;
- Rev. W P Gause, Prelate;
- C A Ray, Master of Arms;
- R E McKnight } Keeper Records
- R B Cannon } and Seals;
- W B Gause, Master of Exchequer;
- S M Dickson } Master of Finance;
- S J Godwin }
- W L Jones, Master of Works;
- J C Elmore, } Inner Guard.
- W R Kirby, }
- H F Peston, }
- I W Cockfield, } Outer Guard;
- P D Cockfield, }
- W W Singletary, } Trustees.
- Prof L S Singletary }

Mrs Louis Jacobs of Kingstreet spent Sunday in town.

Mr Eddie Hutchinson, who lives near town, met with a painful accident Saturday night. While horse-back riding he was thrown from his horse and had his elbow dislocated.

Robt Singletary, who has again been indisposed, is recovering.

Miss Lyra Haas passed through here en route to Lake City Monday.

The few turkeys that survived Thanksgiving are roosting high as the Xmas holidays approach. And now to our kind bachelor editor and The Record readers a merry, merry Christmas!

IN MEMORIAM.

Palmetto Leaves Society's Resolutions on the Death of Joe Nachman.

Whereas, on the 22nd day of November, 1902, Joe Nachman, one of the much loved members of the Palmetto Leaves Society, was accidentally and without warning to himself taken from among us, causing the hearts of his brother and sister members to deeply mourn his loss, for Joe was loved by us all; and whereas this society desires to express to the father and loved ones of our little brother member their regard; therefore, be it resolved,

First—That this society by a unanimous vote extends to the bereaved family our heartfelt sympathy and mourn with them in our mutual loss, for Joe was indeed a brother with us.

Second—That a copy of these resolutions be sent to the bereaved family and also published in The County Record, Weekly Mail and Southern Christian Advocate.

Third—That a page in our minute book be draped and dedicated to the memory of our loved and lost member.

By order of the committee on resolutions.

- W JULIAN CLARK,
- H P EPPS,
- J METLER STERGEON.

Rev H F Oliver filled his appointment at Cedar Grove Baptist church last Sunday morning. He preached a fine sermon to a large and attentive congregation. His next appointment will be at 11 o'clock on the 1st Sunday in January, 1903. He also announced that he would preach at Turkey Creek Baptist church at 4 o'clock p. m. of the same date.

Rev H C Haddock, we are informed, has decided to locate here. We cordially welcome our young brother to our section.

Miss Mamie Grayson is home for the holidays. A vacation of one week.

The public roads, as far as we have been, are in bad condition, in many places being almost impassable. Especially would we call attention to the Boggy Swamp crossing, which has but one mudhole on it, and that is from hill to hill. We notice also some sections of roads that seem to be entirely neglected. Good roads are needed all over the country, and we hope the people will take more interest in their highways, and devote more attention to them.

A MILLION VOICES

Could hardly express the thanks of Homer Hall, of West Point, Ia. Listen why: A severe cold had settled on his lungs, causing a most obstinate cough. Several physicians said he had consumption, but could not help him. When all thought he was doomed he began to use Dr King's New Discovery for Consumption and writes, "It completely cured me and saved my life. I now weigh 227 lbs." It's positively guaranteed for coughs, colds and lung troubles. Price 50c and \$1.00. Trial bottles free at D C Scott's.

Our gifts to Him will depend on our understanding of His gifts to us.

Don't argue with a fool. Listeners will say there are two of a kind.

PROFIT

The matter of feed is of tremendous importance to the farmer. Wrong feeding is loss. Right feeding is profit. The up-to-date farmer knows what to feed his cows to get the most milk, his pigs to get the most pork, his hens to get the most eggs. Science.

But how about the children? Are they fed according to science, a bone food if bones are soft and undeveloped, a flesh and muscle food if they are thin and weak and a blood food if there is anemia?

Scott's Emulsion is a mixed food; the Cod Liver Oil in it makes flesh, blood and muscle, the Lime and Soda make bone and brain. It is the standard scientific food for delicate children.

Send for free sample. Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy. **Scott & Bowne CHEMISTS, 409 Pearl St., N. Y. 50c. and \$1; all druggists.**

Mexican Mustang Liniment will readily overcome Loss of Hair, Itches, Itz and Scratches in horses, mules and cattle. Farmers try it.

A toad under a harrow

suffers no more than the faithful horse that is tortured with Spavins, Swinney, Harness Sores, Sprains, etc. Most horse owners know this and apply the kind of sympathy that heals, known far and wide as

Mexican Mustang Liniment.

Never fails—not even in the most aggravated cases. Cures caked udder in cows quicker than any known remedy. Hardly a disease peculiar to muscle, skin or joints that cannot be cured by it.

Mexican Mustang Liniment is the best remedy on the market for Wind Galls, Sprains and Skin Lumps. It keeps horses and mules in condition.

To return good for evil is to make a flower bloom from a weed. Right ends are never furthered by wrong agencies.

THE PRIDE OF HEROES.

Many soldiers in the last war wrote to say that for scratches, bruises, cuts, wounds, corns, sore feet and stiff joints, Bucklen's Arnica Salve is the best in the world. Same for burns, scalds, boils, ulcers, skin eruptions and Piles. It cures or no pay. Only 25c at D C Scott's drug store.

Science may open up man's past, but the Saviour shows his future.
