

SPRING BANK RIPPLES.

Postoffice Re-established—Items of Local and Personal Interest.

SPRING BANK—June 2: Communion services were held at Bethel church last Saturday and Sunday by Rev James McDowell, who preached on both days to a large and attentive congregation. Mr Motte McClam and Miss Sutchiff; Mr Will Askins and Miss Beavers, and Mr H P Epp and Miss Ethel Rodgers of Lake City were attending preaching at Bethel last Sabbath.

Miss Mattie Caldwell of Lake City is visiting the family of Mr W J Burgess this week.

Mr W T Wilkins' entire force of clerks, with Master Burrie Brockinton included, took in services at Bethel Sunday.

Mr E F Epps, who has been sick for a few days, is much improved.

At this writing (Tuesday) we are very dry in this section. Tobacco is spindling and "buttoning;" corn small but doing well; cotton pretty good stand, and being chopped out; oats are improved somewhat. Irish potatoes are dying and gardens suffering generally from the drought.

The postoffice at Spring Bank has been re-established for the accommodation and convenience of all living in this vicinity. In this connection we wish to acknowledge the valuable aid rendered by the editor of THE RECORD in getting the office reopened. When we had given up all hope of success his untiring efforts and influence put in motion the machinery that caused the office to be re-established. We are under obligations to him and return many thanks.

STARTLING EVIDENCE.

Fresh testimony in great quantity is constantly coming in, declaring Dr King's New Discovery for Consumption, Coughs and Colds to be unequalled. A recent expression from T J McFarland, Bentorville, Va. serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by W L Wallace, Druggist. Trial bottles free, regular sizes 50c and \$1.00.

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Ex-Supervisor B B Chandler of Rome was noted in town Saturday. Mr Chandler is one of the trustees for the newly created Wilson school district, lying between Williamsburg and Georgetown counties. The election which came off last week to say whether or not a special tax of three mills should be levied in this district Mr Chandler says resulted in a victory for the school by a handsome majority.

A big Sunday school picnic was given at Johnsonville church on last Saturday, May 30, the attendance numbering over 600 people. An interesting programme, consisting of recitations and music by the children of the Sunday-school, was effectively rendered. On the same day at Ards X Roads the question of levying a special tax of three mills in Venters school district was voted on and carried in favor of the school by a large majority.
