Costs Only 25 cents at Druggists, Or mail 25 cents to C. J. MOFFETT, M. D., ST. LOUIS, MO.

OFFICE OF D. H. HARDY, Secretary of State, AUSTIN, TEX., Nov. 21, 1900. I have found Dr. Moffett's TEETHINA a splendid remedy and aid for my teething children. When my oldest boy was a teething child, every succeeding day warned us that we would inevitably lose him. I happened upon TEETHINA, and began at once administering it to him, and his improvement was marked in 24 hours, and from that day on he recuperated. I have constantly kept it and used it since with my children, and have taken great pleasure in sounding its praises to all mothers of young children. I found it invaluable even after the teething period was passed. MRS. D. H. HARDY.

LAKE CITY LETTER.

Events of Daily Occurrence Condensed into Paragraphs.

LAKE CITY, September 30:—Miss Irma Nettles came up from Lanes Thursday and spent the day in town.

Miss Maria Croft has returned to Columbia to resume her studies at the Columbia Female College. She left here ahead of the opening of the school and stopped over in Florence with her aunt, Mrs Shipp.

The senator and representatives have been notified of the resignation of Mr R K Wallace as magistrate at Kingstree. Mr Wallace is out of the State and it is said will not return. He made a good officer and his resignation is regretted.

Mr Clarence D Rollins last Saturday returned to Baltimore to continue his course in the Medical College of that city.

Miss Annie Sutcliffe is at home from an extended visit in Columbia and Florence.

Miss Eleida Sutcliffe resumed the teacher's desk at Matthews school last Monday. She is so popular and successful as a teacher that they hold on to her year after year.

Mr J L Stuckey has sold his house and lot on Main Street to Mr J C McElveen, of Spring Bank, and has purchased the new residence of Mr J H V Gaskins on Valley Street.

Mr Gaskins is uncertain as to his future. If he can secure a desirable lot he will build another dwelling for himself; if not, he says he will remove to some other town. We would be very sorry to lose him and his family. He is one of our best and most law-abiding citizens, and as an officer has few equals in the State. He is just the kind of a man we need as intendant. There is an element—gamblers, blind-tiger keepers and their sympathizers and others of that ilk—that would be glad to be rid of him, but the good people would regret to see him go.

Miss Mary Rushton went back to the Columbia Female College Monday.

The Grimsley boarding house has been leased to Mr W E Carter, who will continue the business. Mrs Grimsley will remove to Lanes in a few days.

The eight-months old child of Mr and Mrs J C Young died last Saturday and was buried in the cemetery at this place Sunday afternoon.

Several weeks ago the little one was quite ill but had improved very much and was thought to be well nigh recovered, when it was suddenly swept away. Only about a year ago the stricken parents lost another babe. The sympathies of the community are with afflicted ones.

The new platform at the depot is about completed. This will add much to the convenience of shippers.

The gamblers have gotten into trouble again. Saturday night Intendant Gaskins and Marshal Webster with a posse raided a joint and captured three at skin games. There were four in the gang, two of whom escaped, but one of these was captured later. Crider Rose got \$30 or 30 days and the other two \$10 or 20 days each.

Supervisor of Registration Wilks has opened the books for the regular annual registration. The general election will be held December 20th, next. W. L. B.

LOST OR ESTRAYED. From my place near Lake City one dun colored mare mule 4 years old with brown spot on left hip. Finder will be suitably rewarded. J M MCKENZIE. Lake City, S. C.

A Card from Rev S J McConnell.

Editor County Record:— You will please announce through your paper that the reason my friends have not heard from me for some time is that I have been sick. I have been suffering from malarial fever, which at one time assumed so serious a phase that I was fearful of having to give up my work. Am thankful to say, however, that I am now feeling somewhat better and am, I hope, on the way to permanent improvement.

Have just closed a very interesting meeting at Iona church. The attendance was good and we had a wonderful manifestation of the spirit in our midst.

Yours truly, S J M MCCONNELL. Pastor of Loris Circuit. Loris, Horry Co., S. C. Sept. 29, 1903.

FIRE INSURANCE.

I have secured the Agency for several old line Fire Insurance Companies and am prepared to write insurance on desirable risks in towns or country. My companies are large and liberal and absolutely safe. Am also agent for the United States Fidelity and Guaranty Co. and can bond you on short notice.

BETTER THAN PILLS.

The question has been asked—In what way are Chamberlain's Stomach and Liver Tablets superior to the ordinary cathartic and liver pills? Our answer is—They are easier and more pleasant to take and their effect is so gentle and so agreeable that one hardly realizes that it is produced by a medicine. Then they not only move the bowels but improve the appetite and aid the digestion. For sale at 25 cents per bottle by Dr D C Scott, Kingstree; Lake City Drug Co., Lake City; Dr W S Lynch, Scranton.

If troubled with a weak digestion try Chamberlain's Stomach and Liver Tablets. They will do you good. For sale by Dr D C Scott, Kingstree; Lake City Drug Co., Lake City; Dr W S Lynch, Scranton.

You will find it to your interest to call at THOMAS & BRADHAM'S before purchasing a buggy or wagon. Nice lot at rock bottom prices.
