new jail the old building will be
fitted with modern steel cells so as
to make it more secure temporarily

The Cause of Many Sudden Deaths.

There is a disease prevailing in this
country most dangerous because so decep-
tive. Many sudden
deaths are caused by
heart disease,
pneumonia, heart
failure or apoplexy
are often the result
of kidney disease. If
kidney trouble is al-
lowed to advance the
kidney-poisoned
blood will attack the
vital organs or the
kidneys themselves break down and waste
away cell by cell.

Bladder troubles most always result from
a derangement of the kidneys and a cure is
obtained quickest by a proper treatment of
the kidneys. If you are feeling badly you
can make no mistake by taking Dr. Kilmer's
Swamp-Root, the great kidney, liver and
bladder remedy.

It corrects inability to hold urine and scald-
ing pain in passing it, and overcomes that
unpleasant necessity of being compelled to
go often during the day, and to get up many
times during the night. The mild and the
extraordinary effect of Swamp-Root is soon
realized. It stands the highest for its won-
derful cures of the most distressing cases.

Swamp-Root is pleasant to take and sold
by all druggists in fifty-cent and one-dollar
sized bottles. You may
have a sample bottle of
this wonderful new dis-
covery and a book that
tells all about it, both
sent free by mail. Address Dr. Kilmer & Co.
Binghamton, N. Y. When writing mention
reading this generous offer in this paper.

Don't make any mistake, but re-
member the name, Swamp-Root, Dr
Kilmer's Swamp-Root, and the ad-
dress, Binghamton, N. Y., on every
bottle.

Better a dinner of herbs and con-
tentment than a punctured wheel in

CHAMBERLAIN'S COUGH REM- EDY.

No one who is acquainted with its
good qualities can be surprised at
the great popularity of Chamber-
lain's Cough Remedy. It not only
cures colds and grip effectually and
permanently, but prevents these dis-
eases from resulting in pneumonia.
It is also a certain cure for croup.
Whooping cough is not dangerous
when this remedy is given. It con-
tains no opium or other harmful
substance and may be given as con-
fidently to a baby as to an adult. It
is also pleasant to take. When all
of these facts are taken into consid-
eration it is not surprising that peo-
ple in foreign lands, as well as at
home, esteem this remedy very
highly and very few are willing to
take any other after having once
used it. For sale by Dr D C Scott

Office of Dr. H. HARDY, Secretary of State, Austin, Tex., Nov. 21, 1900.
I have found Dr. Moffett's TEETHINA a splendid remedy and aid for my teething children. When my oldest
boy was a teething child, every succeeding day warned us that we would inevitably lose him. I happened upon
TEETHINA, and began at once administering it to him, and his improvement was marked in 24 hours, and from
pleasure is sounding its praises to all mothers of young children. I found it invaluable even after the teething
period was passed.
