On account of the illness of our
gifted Lake City correspondent,
Hon W L Bass, the readers of THE
RECORD are deprived of the pleas-
ure of reading his weekly contribu-
tion. We hope that by next
week he will be well again.

There will be a hot supper in the
court house on Friday evening,
October 23, the proceeds of which
will be applied to the Graded
school library. The school is badly
in need of a better library and
everyone who is a friend of the
school should attend this entertain-
ment.

Hog cholera has so decimated the
crop of swine throughout the coun-
ty that pork will be exceedingly
scarce this season. This is sad news
indeed for those of us who have a
weakness for sausages, back-bones
"Kentucky oysters" and the numer-
ous other delicacies derived from
the corpulent porker.

In last week's issue it was stated
that the old jail would be fitted
with steel cells, pending the con-
struction of the new jail. Super-
visor Graham informs us that we
misunderstood him with regard to
this. The county commissioners
wanted to put in new cells but the
old building is so dilapidated that
the expert who examined it said
that the walls were not strong
enough to support the weight of
steel cells. It was mainly for this
reason that they decided to build a
new jail.

Having been appointed county
agent for the Equitable Fire Insur-
ance Co., of Charleston, and the
Phenix Insurance Co., of Brooklyn,
I am prepared to insure town and
country property against fire and
lightning. The companies I repre-
sent are absolutely safe, old line and
conservative.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the news-
papers is sure to know of the wonderful
cures made by Dr.
Kilmer's Swamp-Root,
the great kidney, liver
and bladder remedy.
It is the great medi-
cal triumph of the nine-
teenth century; dis-
covered after years of
scientific research by
Dr. Kilmer, the emi-
nent kidney and blad-
der specialist, and is
wonderfully successful in promptly curing
lame back, kidney, bladder, uric acid troubles
and Bright's Disease, which is the worst
form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recom-
mended for anything but if you have kidney,
liver or bladder trouble it will be found
just the remedy you need. It has been tested
in so many ways, in hospital work, in private
practice, among the helpless too poor to pur-
chase relief and has proved so successful in
every case that a special arrangement has
been made by which all readers of this paper
who have not already tried it, may have a
sample bottle sent free by mail, also a book
telling more about Swamp-Root and how to
find out if you have kidney or bladder trouble.
When writing mention reading this generous
offer in this paper and send your address to
Dr. Kilmer & Co., Bing-
hamton, N. Y. The
regular fifty cent and Home of Swamp-Root
dollar sizes are sold by all good druggists.

Don't make any mistake, but re-
member the name, Swamp-Root, Dr
Kilmer's Swamp-Root, and the ad-
dress, Binghamton, N. Y., on every
bottle.

DR. MOFFETT'S

the Bowels, Strengthens

TEETHING EASY.

Costs Only 25 cents at Druggists,
Or mail 25 cents to C. J. MOFFETT, M. D., ST. LOUIS, MO.

Office of Dr. H. H. HAWK, Secretary of State, Austin, Tex., Nov. 21, 1900.

I have found Dr. Moffett's TEETHINA a splendid remedy and aid for my teething children. When my oldest
boy was a teething child, every succeeding day warned us that we would inevitably lose him. I happened upon
TEETHINA, and began at once administering it to him, and his improvement was marked in 24 hours, and from
that day on he recuperated. I have constantly kept it and used it since with my children, and have taken great
pleasure in sounding its praises to all mothers of young children. I found it invaluable even after the teething
period was passed.
