

Seen at Smiths.

Cotton picking, "tater digging" and corn breaking are things of the past in this section.

Judging from the amount of seed oat-bearing bought by our farmers there will be a large crop planted in these parts.

Mr Samuel J. Smiley has moved back to his old home near Lake City, after living in this neighborhood for one year. He and his excellent young wife will be greatly missed.

Prof W J Smiley has been elected for the fourth term to teach the Sandy Bay public school.

Miss Mabel Buzhardt, the excellent and efficient principal of the Smith school, spent Sunday with friends at Lake City.

Mr Flowers of Darlington visited relatives here last week.

Get on your gloves and overcoats, boys, for cold weather is coming.

Mr W M Smith, THE RECORD'S live correspondent at this place, is now located at Cades in the employ of the well known firm of Nesmith Bros in the capacity of clerk and seal buyer. "W. M. S." is a hustling boy and will succeed wherever he goes.

A RUNAWAY BICYCLE

Terminated with an ugly cut on the leg of J B Orner, Franklin Grove Ill. It developed a stubborn ulcer unyielding to doctors and remedy for four years. Then Bucklen's Arnica Salve cured. It's just as good for Burns, Scalds, Skin Eruptions and Piles. 25c. at W L Wallace's Drug Store.

We know a woman whose boast is that she never spoke an unkind word about a neighbor. But when a neighbor's name is mentioned this woman can shake her head and roll her eyes in a way that says more in a second than her tongue could tell in a week.

The best excuse is a poor excuse.

DOESN'T RESPECT OLD AGE.

It's shameful when youth fails to show proper respect for old age, but just the contrary in the case of Dr King's New Life Pills. They cut off maladies no matter how severe and irrespective of old age. Dyspepsia, Jaundice, Fever, Constipation all yield to this perfect pill. 25c. at Dr W L Wallace's Drug Store.

They say it is hard to be poor; yet most people find it easy enough.

It is easier to be a hero than to look like one.

Keep on going ahead; let others look for footprints.

### FEMALE WEAKNESS

4421-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Willhelmina Lewis  
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

### LAKE CITY NEWS.

Events of Passing Interest Chronicled by The Record's Correspondent.

LAKE CITY, November 17:—Mr S M Askins went down to Charleston Monday.

Mrs L B Johnson visited relatives in Kingstree Monday last.

Mr J J Morris last week sold two residence lots on McAlister street, one lot to Mr W A Webster and one to Mr H P Epps. Mr Webster has already begun a dwelling. What the other man wants with a residence lot is matter of inference as he has no family whatever. He may have made the purchase as an investment—and—he may not.

Miss Amanda Cook is now teaching at Vox.

Mr J J Matthews is assistant to Treasurer Johnson.

Mr J D Daniel has sold his three acre lot on the corner of church and Dancing streets to Mr W A Ward. Mr Ward will cut the piece up into lots of suitable size for residence. He will build one dwelling right away and others later on.

Messrs J J Eady, J E Burch and J A Green, whom Raterce Stoll appointed to appraise the property of Brown & Carter, bankrupts, made the appraisement Monday.

Miss Stanley was called to her home in Marion Sunday on account of the serious illness of her father. It is reported that her father died before she reached home.

Miss Cora Richey, who has been visiting in Wheeling, W. Va., since early summer, returned home Thursday.

Miss Eva Matthews has charge of a school near Mr J S Lynch's.

Rev Jas McDowell of Manning, preached an excellent sermon to a large and attentive congregation at the Presbyterian church Sunday night.
