CHEAP CLUBBING RATES.

Attractive Offers to Subscribers to The County Record

Our facilities this season are better than ever before for offering cheap clubbing rates to subscribers. We wish to stress the fact, however, that under the agreement made with other publishers we cannot offer their publications at reduced prices except to subscribers to THE RECORD who have paid one year in advance. Please do not ask us to deviate from this rule.

Here are our club offers:

THE COUNTY RECORD with the Home and Farm, regular price \$1.50; our price for both \$1.25.

THE COUNTY RECORD with the News and Courier (twice a week), regular price \$2.00; our price for both \$1.50.

THE COUNTY RECORD with the New York World (3 times a week), regular price \$2.00; our price for both \$1.65.

THE COUNTY RECORD with the Commoner (Bryan's paper), regular price \$2.00; our price for both \$1.65.

THE COUNTY RECORD with the National Magazine, regular price \$2.00; our price for both \$1.50.

THE COUNTY RECORD with the Atlanta Constitution, regular price \$2.00, our price for both \$1.75.

THE COUNTY RECORD and the Semi-Weekly Columbia State (new subscribers only), regular price \$3.00; our price for both \$2.25.

THE COUNTY RECORD and the Youth's Companion (new subscribers only), regular price \$2.75; our price for both \$2.25.

THE COUNTY RECORD and the Lippincott's Magazine and the Cosmopolitan, regular price \$4.50; our price for the three \$3.25. This is the best offer we have as the publisher's price of Lippincott's alone is \$2.50. It contains a complete novel every month. Sample copies may be seen at this office.

We can save you money on almost any magazine by clubbing with THE RECORD.

CONGRATULATIONS.

Mr John H Cullom, Editor of the Garland, Texas, News, has written a letter of congratulations to the manufacturers of Chamberlain's Cough Remedy as follows: "Sixteen years ago when our first child was a baby he was subject to croupy spells and we would be very uneasy about him. We began using Chamberlain's Cough Remedy in 1887, and finding it such a reliable remedy for colds and croup we have never been without it in the house since that time. We have five children and have given it to all of them with good results. One good feature of this remedy is that it is not disagreeable to take and our babies really like it. Another is that it is not dangerous, and there is no risk from giving an overdose. I congratulate you upon the success of your remedy."
