MRS. CECILIA STOWE,  
Orator, Entre Nous Club.

176 Warren Avenue,  
CHICAGO, ILL., Oct. 22, 1902.  
For nearly four years I suffered from ovarian troubles. The doctor insisted on an operation as the only way to get well. I, however, strongly objected to an operation. My husband felt disheartened as well as I, for home with a sick woman is a disconsolate place at best. A friendly druggist advised him to get a bottle of Wine of Cardui for me to try, and he did so. I began to improve in a few days and my recovery was very rapid. Within eighteen weeks I was another being.

*Cecelia Stowe*

Mrs. Stowe's letter shows every woman how a home is saddened by female weakness and how completely Wine of Cardui cures that sickness and brings health and happiness again. Do not go on suffering. Go to your druggist today and secure a \$1.00 bottle of Wine of Cardui.
