THURSDAY, MARCH 24, 1904.

Owing to the number of communications received for publication recently we have been forced to curtail the space usually reserved for editorial expression and comment. As we invite this correspondence—our policy being to give the news from every part of the county as far as practicable—we are glad to give place to it; and the latch-string of our sanctum is always dangling welcome to these esteemed contributors, who assist so materially in making THE RECORD what we aim it to be—a vehicle for the dissemination of news that is interesting to the people of Williamsburg county.

A Card from Mr Harper.

Editor County Record:—
 You will please allow me space in your paper to inform my friends in the county and the public generally that I was not a candidate in the recent town election, but positively refused to become one. Some of my friends, however, persisted in voting for me, very much against my wishes. I am therefore indebted to them for the confidence they reposed in me and the intended honor which they wished to confer, and I hereby tender them my grateful appreciation of their efforts and good will. And now, for the solace and comfort of any "embryo" candidates—and I have no doubt but there will be an abundant crop of them,—so far as I am concerned, I will not be a candidate for any office. The people of Williamsburg have twice honored me with an election, for which I hope I am truly grateful.

Respectfully yours,
 EDWIN HARPER.

Suttons Siftings.

SUTTONS, March 21:—Our farmers are very busy trying to get their land in shape to plant. Some of our young folks attended a festival given at Mr T A Blakely's last Wednesday night. Mr M D Ogburn, the station agent at Harpers, visited his parents here Sunday. Miss Marie Hodge, a charming young lady from Manning, is teaching the public school at this place. Miss Alieen Hunter of Florence, who has charge of the Spring Pond school, is very sick with measles at this time, but we hope she will soon recover. Mr G C Parsons, who is clerking for the Gourdin Mercantile Co., visited his parents Sunday before last. Shad are somewhat scarce this season as our fishermen don't seem to meet with very much success. Dr Graham of Gourdin came down one day last week to try his hand but I learn that he got only two and "hickories" at that. Not very encouraging, is it? PERSONNE.

Bennett Swamp Bubbles.

BENNETT SWAMP, March 21:—Hello! Here I come again with a few dots from this neighborhood.

McKnight, who was recently visiting his brother, Mr P C McKnight, returned home recently, finding two of his children sick with fever.

Mrs W S Allen, of the Company farm, is suffering from an acute attack of grip.

Mr and Mrs Andrew Ragin visited the family of Mr J W Timmons recently.

Mrs Sarah Bradham has been ill but is reported better.

Spring is here and everything in nature begins to take on new life. Already the trees are budding and the birds sing with a new note of gladness in welcoming the advent of the vernal spring-time.

Mr J A Bradham, one of Bennett Swamp's most prosperous farmers, is about the first to plant corn in this section.

Mr Loney Tillman, from near Manning visited his sister, Mrs Allen Bradham, last week.

Mr G G Gist, one of Coleman Road's popular young men, was in this vicinity recently.

Mr P D Bradham has a very sick child at this time.

Best wishes to THE RECORD and its editor. ALL SMILES.

A FAVORITE REMEDY FOR BABIES.

Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. I quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by Dr D C Scott, Kingstree; Lake City Drug Co., Lake City; Dr W S Lynch, Scranton.

A Hot Supper.

TAFT, March 21:—A hot supper was given at Mr T A Blakely's, near Taft, on Wednesday night last, for the benefit of the Methodist parsonage at Greelyville. Besides the usual "substantials," oysters, ice-cream and cakes and coffee were served. The attendance was good and the patronage liberal, the net proceeds of the affair amounting to \$32.00. BISMARCK.

Doings at Dock.

(Received too late for last week's issue).
DOCK, March 15:—The last few days seem to have been the forerunner of the gladsome spring-tide, they were so bright, balmy and sunny.

Mr Oscar Anderson, one of Rome's young gallants, was in our community Sunday. Mr Anderson comes quite often. There must be some sort of magnetic influence attracting him.

Mr J C Josey visited Greelyville last week.

Miss Ida Waldron, one of our bright and winsome young ladies, is visiting at Rome this week.

L B and W H Steele of Georgetown visited their old home at Dock Sunday. Come up, again, boys, we are always glad to see you.

Miss Essie Nesmith left last week for Georgetown, where she goes to attend school.

J J Godwin and S M Pope, from the Choppee section, spent Sunday in our neighborhood.

We are glad to learn that Williamsburg county is trying to have good roads. This is a long-felt need. For if there is one thing that is more annoying than another it is hauling guano over bad roads. The roads in some places are so bad that it takes a real good rider to sit in a vehicle. WHIPPOORWILL.

IT SAVED HIS LEG.

P A Danforth of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica salve wholly cured it in five days. For Ulcers, Wounds, Piles, it's the best salve in the world. Cure guaranteed. Only 25c. Sold by Dr W S Lynch, Scranton.

If a man is down with the small pox, he is to be pitied.

PROPER TREATMENT OF PNEUMONIA.

Pneumonia is too dangerous a disease for anyone to attempt to doctor himself, although he may have the proper remedies at hand. A physician should always be called. It should be borne in mind however, that pneumonia always results from a cold or from an attack of the grip, and that by giving Chamberlain's Cough Remedy the threatened attack of pneumonia may be warded off. This remedy is also used by physicians in the treatment of pneumonia with the best results. Dr W J Smith, of Sanders, Ala., who is a druggist, says of it: "I have been selling Chamberlain's Cough Remedy and prescribing it in my practice for the past six years. I use it in cases of pneumonia and have always gotten the best results." Sold by Dr D C Scott, Kingstree; Lake City Drug Co., Lake City; Dr W S Lynch, Scranton.

If babies are the fruits of matrimony, cradles must be the fruit baskets.

TRAGEDY AVERTED.

"Just in the nick of time our little boy was saved" writes Mrs W Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At length we tried Dr King's New Discovery for Consumption, and our darling was saved. He's now sound, and well." Everybody ought to know, it's the only sure cure for Coughs, Colds and all Lung diseases. Guaranteed by Dr W L Wallace, Druggist. Price 50c and \$1.00. Trial bottles free.

If fish wouldn't bite on Sunday, perhaps more men would be found at church.

WORKING OVERTIME.

Eight hour laws are ignored by those tireless, little workers—Dr King's New Life Pills. Millions are always at work, night and day, curing Indigestion, Bilioussness, Constipation, Sick Headache and all Stomach, Liver and Bowel troubles. Easy, pleasant, safe, sure. Only 25c at Dr Wallace's drug store.

Give a small boy a cigarette and a bicycle, and it is useless to talk to him of heaven.

LEGAL NOTICES.

Notice to Teachers.

As the policy of the State Superintendent of Education is to consolidate summer schools in counties where experience has shown that the attendance is small, I respectfully request all teachers who are desirous of having a summer school in Williamsburg and who will promise to attend the same, to file with the county Superintendent of Education at their earliest convenience, their pledge to attend the school. Unless an attendance of 40 or 50 teachers is assured it is probable that Williamsburg will be consolidated with one or more other counties for holding the summer school. WILLIAM COOPER, Supt. of Education.
