

SCRANTON SNAP SHOTS.

Lodge of Woodmen of the World Organized—Other Observations.

SCRANTON, March 28:—The vernal equinox has been accompanied with very heavy rains and electric storms; now the cold wave has reached us. On the neutral ground of springtime both summer and winter meet, and it is this period through which we are now passing. Some planting has been done around here, but the farmers generally are taking things easy.

The A. C. L. trestle force has been stationed on this section of the road for the year.

Mrs. H. H. McCall and children are spending some time at the Lee Hotel.

Mrs. V. V. Carter was here on a visit to her niece, Miss Allie McCollough, who is very ill of continued fever.

Mr. L. A. McWhite of Bostick and Mr. Anderson Daniels of Hannah spent Sunday afternoon here en route to Florence, where they will attend this week's court.

Messrs. Montague and Barrett of Charleston and George Owen, respectively, are in town in the interest of a lumber firm.

The young folk are practicing for the Easter song service.

The Woman's Missionary Society is observing a week of prayer and self-denial for the purpose of raising funds for home missions.

Mrs. Z. C. Lynch and Miss Annie Traluck of Cowards were in town Saturday.

Mr. and Mrs. D. P. Spell visited friends at Cowards Sunday afternoon.

Mr. Eugene Johnson visited his parents here Sunday.

Mr. E. S. Johnson has again taken up his work on this section of the road. The A. C. L. realized that he was too worthy an employee to lose. Few men have been more attentive and faithful in the discharge of duty in one line of work for so many years.

Mr. L. I. Hill covered himself in glory at the organization of the W. O. W. Lodge last Tuesday night. There were seventeen charter members.

Miss Annie Venters, one of the "Welsh Neck" girls of Hartsville, stopped a while in town on her way home, where she will spend a few days before her return to school. Miss Venters is a lovely specimen of "the earnest junior".

Mr. Charlie Graham is home for a few days recreation after his examination in Welsh Neck high school of Hartsville.

Mrs. Thomas Powell has returned from a visit to her son, Mr. Melvin Powell, of Harpers. X X X

A heart full of hope makes a face full of light.

INFLAMMATORY RHEUMATISM CURED.

William Shaffer, a brakeman of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says, "Finally I sent to McCaw's Drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by Dr. D. C. Scott, Kingstree; Lake City Drug Co., Lake City; Dr. W. S. Lynch, Scranton.

It takes something more than giving to clean dirty hands.

DO YOUR BUYING IN A CITY.

By patronizing me you will get the benefit of a larger and better selection than at home. Whenever possible samples will be furnished. Wedding Outfits a Specialty.

GREENEVILLE GLEANINGS.

Various News Items of Local and Personal Interest.

GREENEVILLE, March 28:—Farmers in this section are busy planting corn and getting ready for another crop of the heavy staple, and judging from the amount of fertilizers being hauled from here they are preparing for a big crop. The very high price paid for cotton during the last few months will, I am afraid, lead some of our farmers to overdo the thing this year.

Our town was visited by a very heavy thunder storm Saturday and again Saturday night. No damage was done, only the ground is too wet to plow today.

The Mallard Lumber Company has its skidder in operation in Black River swamp. I am told that it is a success.

Contractor J. M. McRoy of Foreston has undertaken a piece of work here which a great many think is an impossibility. It is to move the dwelling house owned by Mrs. Varner the oldest house in the place and situated at the head of Varner avenue. The town council wants it removed so that the street can be laid out and built up arther out. I will report later what success the contractor has with the undertaking.

Mr. and Mrs. T. J. Hogan and Mr. Edward Spann went to Sumter yesterday to attend the funeral of Mr. Hogan's nephew. They returned last night.

Miss Nita McRoy of Foreston spent several days last week with her sister, Mrs. B. E. Clarkson.

Mr. Henry Johnson, one of our most popular young men, returned on Thursday night of last week with Miss Mittie Boyle, one of Magnolia's fairest daughters, as his bride. Mrs. Johnson made many warm friends while on a visit to Greenville last summer, who gladly welcome her here again. We wish for our young friends a long, happy and prosperous life.

I am sorry to report the illness of Mr. B. A. Boyle. It is hoped that he may soon recover.

Mr. and Mrs. B. E. Clarkson spent Sunday with Mrs. Clarkson's parents in Foreston.

Messrs. Sam Hogan and Jimmy Browder also visited Foreston yesterday.

Mr. D. W. Hatchell of Gourdin's was noted in town today.

Quite a number of drummers have been in town lately and they all seem to be in the best of spirits. Somebody must be buying a lot of goods.

The new Baptist preacher was to arrive here yesterday, but did not come. I understand he will arrive this week.

Dr. Epps is sick at this time but we hope he will soon be all right again.

MORE RIOTS.

Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by utter collapse, unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective medicine for run down systems. It dispels Nervousness, Rheumatism and Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by Dr. W. L. Wallace, Druggist.
