OF INTEREST**

AFFAIRS CAUGHT BY OUR LOCAL REPORTER AND NOTED.

Written in Condensed Form and Printed in Like Manner for the Sake of Our Busy Readers.

The second week jurors will be drawn to-morrow.

There is little doing in the way of local news this week.

Mr M A Ross has been sick for several days this week.

W L Bass, Esq., was in town yesterday from Lake City.

Miss M Schultz left Tuesday to relatives at Kinston and Gastonia, N. C.

Mrs L B Jennings of Pinewood is visiting her sister, Mrs J J B Montgomery.

George Galletley, Esq., of the Florence bar, was noted in town Tuesday.

WANTED, local agent for the Laurens Steam Laundry. Apply to this office.

Mr and Mrs H G Askins and child of Lake City spent Sunday in town with friends.

Mr J O Josey, Melcher & Co's popular representative, was noted in town yesterday.

Mr Hugh McCutchen is reported to be somewhat better, although he is still seriously ill.

Miss Sue Stoll of Chester is visiting her brothers, Messrs C W and P H Stoll at Mrs Barr's.

Miss Annie Chandler of Benson was in town Sunday the guest of her aunt, Mrs L J Barr.

It K Wallace, Esq., now of Brownsville, Marlborough county, is in town for a few days.

A young man in Oil City calls his sweetheart Revenge because she is sweet, says the Oil City Derrick.

Miss Ethel Nesmith, who is teaching at Benson, visited the family of Mr P A Alebrook last Saturday and Sunday.

The Governor has recently issued notary public commissions to S G McDonald of Lanes and L E Burkett of Tift.

A commission for a charter has been issued to the Lake City Mercantile Co., Lake City, S. C., capitalized at \$25,000.

Mrs N C Stack and four children arrived in town Saturday from Pinewood. With Mr Stack they are boarding at Mr M S Montgomery's.

We are proud of our corps of correspondents throughout the county. With their aid "if it happens in Williamsburg county you will find it in THE RECORD."

The friends in the city of Frank P Cooper, of the News and Courier, will be glad to know he is getting better after several days of illness. - Florence Times, April 12.

The work of building up Kingstree goes merrily on. Within the next few months, we understand, four or five brick mercantile buildings and several new dwelling will be constructed. Again we say, watch Kingstree!

The Kingstree Hardware Co. have opened their doors to the public and are ready for business. They already have a large stock of every kind of hardware and are receiving new goods daily. Look out for their ad in THE RECORD and give them a call when anything is needed in their line.

On Tuesday night of last week Mr E L Hirsch, who was returning home from Columbia, got off the train and was walking along the platform where he stumbled against a bulletin board and fell, spraining his hip and bruising his knee so that he has been compelled to walk on crutches ever since. The train arrived here late at night and there were no lights on the platform. When the railroad was made to pay damages once again twice for its negligence it will perhaps be more careful in looking after the safety of its passengers.

Mr W A Blizzard, of the Dillon Hardware Co., is in town for a few days this week with his brother, Mr J E Blizzard, the manager of the Kingstree Hardware Co. Mr Blizzard is one of Dillon's leading business men and his establishment now ranks among the most prominent hardware concerns in the State.

Through the courtesy of Mr Frank P Cooper, of the News and Courier, THE RECORD will be furnished with press despatches giving the latest war news and also other events of national interest from time to time as they occur. This places us on a footing with the daily newspapers and we feel sure our readers will appreciate the service, as we do.

The following bulletin from this county appears in the report issued by the Department of Agriculture: - Crops have made slow progress this week; the frost and ice Thursday night destroyed nearly all beans and other garden truck; week's rainfall was fairly heavy; cabbage crop doing well; oats are improving rapidly; corn still being planted. - Miss M E Cox.

Messrs Bentschiner & Visanka, the well known Charleston clothiers, are offering our readers special inducements this week in the way of Spring clothing. They are fashionable cut-fitters in everything pertaining to a man's apparel and mail order customers are given as much care and attention as those who deal with them in person. If you need a Spring suit give them an order and to insure extra good treatment mention THE RECORD.

Letter to Joel E. Brunson.  
Dear Sir:—Mr N Avery, Delhi, N Y, had two houses exactly alike, and painted them: one Devoe lead-and-zinc; the other barytes-and-zinc. He paid same price for both paints.  
He used six gallons of lead-and-zinc, 12 gallons barytes-and-zinc.  
He paid \$18 for painting lead-and-zinc, \$36 for painting barytes-and-zinc.  
The total cost of the lead-and-zinc job was \$27; the total cost of the barytes-and-zinc job was \$54.  
He didn't know he was buying barytes; the dealer told him that paint was as good as Devoe.  
A fair example of how it generally comes-out, when you buy "something just as good." Better go by the name: the name; and the name is Devoe.

Yours truly,  
F. W. Devoe & Co.,  
New York.

**Consumption**

The only kind of consumption to fear is "neglected consumption."

People are learning that consumption is a curable disease. It is neglected consumption that is so often incurable.

At the faintest suspicion of consumption get a bottle of Scott's Emulsion and begin regular doses.

The use of Scott's Emulsion at once, has, in thousands of cases, turned the balance in favor of health.

Neglected consumption does not exist where Scott's Emulsion is.

Prompt use of Scott's Emulsion checks the disease while it can be checked.
