

Doings at Dock.

OCK, August 3.—Children's... was celebrated at Jackson's... Chapel Sunday. A large crowd... was present and a well prepared... programme was nicely carried... out.

Misses Genie Cunningham, Essie Gamble and Essie McCants, three of Indiantown's charming girls, spent Sunday at Dock.

Mrs B B Steele and children Summerville are spending some time with Mrs Steele's mother, Mrs L J Nesmith, of this place.

Last Wednesday night your "scribe", along with several others, attended a moon-light picnic at the pleasant and comfortable home of Hon. John S. Graham of Morrisville. An enjoyable evening was spent by all present.

Mrs G B Nesmith is visiting her daughter, Mrs W F McCants, of Indiantown.

Mrs A D Hemingway is quite sick, but I hope for her a speedy recovery from her illness.

It is rumored that we are going to have another church at Dock, in the near future, this will be of the Presbyterian faith. We have heard from reliable source that one of our highly respected old men has already offered to give one hundred dollars and an acre of land to the church, and a popular young business man has promised to give one hundred dollars more, and one of our fair maidens has given twenty five. Therefore the total up the present time is \$225. It seems that this is a good start for a country church and if rightly pushed, we can soon have the church.

We have also heard some talk of a graded school, but no particulars as yet. However it is a good thing and I say "let the good work go on".

It conquers all Coughs, Colds and Throat and Lung troubles. Guaranteed by Dr W V Brockinton, Druggist. Price 50c and \$1.00. Trial bottles free.
