

Good Game in Florence.

Florence, July 24.—Special: Kingstree and Florence played one of the most interesting as well as one of the fastest games of ball that has ever been played on the local diamond, the score resulting 3 to 2 in favor of Florence.

The line-up was as follows:

Florence—Foxworth, catcher; Gillespie, short stop, Lake, second base; Watson, third base; Miller, centre field; Lucas, first base; Morgan, right field; Weill left field; Bultman, pitcher.

Kingstree—W Justus, third base; McLaurin, first base; S Weill, catcher; G Justus, right field; W Gilland, second base; Hamer centre field; Taylor, pitcher; Fahey, left field.

The feature of the game for Florence was the star catch by Miller, who made double in the last inning.

Kingstree did fine all-round playing throughout the game.

Scorers: Roper and Mc'utchen Umpire: Wells'. Time of game, one hour and thirty minutes. The attendance was large.

The same teams play again tomorrow.

Indiantown Incomings.

INDIANTOWN, July 24: We are in for an extended drought, judging from appearances. Crops are good considering. Corn is earing very well but very slow about it.

If you ever want to run an excursion to the sea coast, give your passengers plenty of sandwiches at reasonable terms and they can't drown and if it is possible to do so, get two long Eaddys from the Prospect section. One of them is Mr Arden, the others name I've forgotten and Mr S D Snowden of Indiantown to wale in and take care of all who incline to float off.

Dr and Mrs J S Cunningham, who have been visiting in Darlington and Sumer has returned home.

Miss M L Ervin who has been visiting in the community has returned to her home in Florence county.

Messrs F E Barron, Ned DuRant and W R Graham of Rhems were up this way Sunday.

Miss Carrie L Ervin who has been visiting in Darlington returned home on Monday. R H E.

A Family Picnic.

Yesterday morning at 8.30 o'clock a lively crowd left the home of Mr J B Clarkson for Lenuid's Ferry, carrying with them all the dainties to tempt one's appetite. On the way they made several stops of interest to Mr Clarkson's family. First, we stopped at the Sutton's Methodist church, where we had the pleasure of gathering a souvenir from the family church, next we were greeted by "Old aunt Siller" the family servant, who, when she saw three buggies and a carriage coming, full of "Missus Children," thought the yankees had come to rob her of her comfortable home among the pines. From there we visited the home of the late J W Clarkson and drank to the health of each one from the old moss-covered bucket.

Those who were fortunate enough to attend were, Mr and Mrs J B Clarkson, Mrs J V Harris of Elberton Ga, Mr and Mrs B E Clarkson of Greelyville, Miss Lottie Clarkson of Nashville Tenn, Miss Julia Kels of Heinemann, Miss Madge Kels of Sumter and Mr Hillard Clarkson of Nashville Tenn.

For the Dispensary.

Editor COUNTY RECORD: Please allow me space in your valuable columns to say that I agree exactly with Mr S B Gordon's sentiment as to the whiskey question. Very respectfully, S G McDonald. Lane S C., July 24.

EXCURSIONS TO THE WEST

Address
JOHN SEBASTIAN,
Pass. Traf. Mgr., Rock Island System,
CHICAGO.

To the Pacific Coast—to California, Oregon, Washington—round-trip, long transit and return limits, liberal stop-over privileges.

The rate is practically on the basis of one fare for the round trip. Of course, if you wish to visit both California and Oregon or Washington, the cost is slightly more.

These reduced rates are in effect on certain dates in months of May to October, inclusive. They apply from all Eastern points via Chicago, St. Louis or Memphis gateways. The Rock Island System will take you up in either Chicago or St. Louis, or at hundreds of other Middle West points and carry you to the Coast in through Standard or Tourist Sleepers with unexcelled Dining Car service. The Rock Island also affords a choice of routes: on the "Scenic" route you can stop off in Colorado—see Salt Lake City—visit Yellowstone National Park; on the "Southern" route you can go via El Paso, thru New Mexico, then "up coast" to San Francisco and on to Portland or Seattle if desired.

In short, these Pacific Coast excursions offer an unusually good chance to see our western country in a comprehensive manner.

If you desire to go only as far as Colorado, there are excursion rates in effect to that section and return, all summer long, specially reduced June 30 to July 4, August 12 and 13, and August 30 to September 4. Extension trips to Ogden or Salt Lake and return at low cost also.

From September 15 to October 31, 1905, one-way tourist or "colonist" tickets will be on sale to California and the Pacific Northwest—about half regular fare.

If interested, send name and address on this coupon, designating which booklet wanted and to what point you plan to go. Name probable date of start also, so we can advise definitely with respect to rates, etc.

Send Colorado California booklet and rates.

REV. J. L. BRISTOW RESIGNS.

Baptist Minister Will Engage in Religious Journalism.

The Rev Louis J. Bristow, pastor of the Marion Baptist church, has tendered his resignation to take effect August 1st, when he will move to Greenwood. Mr Bristow and the Rev V I Masters of The Baptist Courier have purchased the South Carolina Baptist and will continue its publication in Greenwood. Both these gentlemen are experienced newspaper men, Mr Bristow, prior to his entering the ministry, having spent his whole time in newspaper work, and they will doubtless make a marked success of the paper. Mr Bristow has been pastor of the church at this place for nearly three years, and the church and indeed the entire community regret his departure. He and his excellent wife have both endeared themselves to the people of Marion.—Mr Bristow was for a number of years Editor of THE RECORD and his friends throughout this county wish him much success in this new undertaking.

TOBACCO SALE AT LAKE CITY.

About Fifty Thousand Pounds Change Hands at Good Prices.
Lake City, July 21.—The tobacco market opened here yesterday with about 50,000 pounds on the three floors. Prices ranged from 1 cent to 25 cents per pound. Everybody seemed to be feeling good over their sale. Out of the entire lot your correspondent saw only one tag "tucked." This alone speaks for the good prices.

Capt Berger of the Timmonsville tobacco market and hotel man was noted in the crowd of spectators during the sale.

Lake City is still on the move. One can hear the sound of hammer and saw at every turn. There are several residences to be built before fall.—The State.
