

For the Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way.

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, bad breath, constipated bowels. Correct all these by giving small, laxative doses of Ayer's Pills. All vegetable, sugar coated.

Malaria and ague, chills and fever, always bring down those of low vitality—keep up your vitality with SHAW'S PURE MALT. For sale at the Dispensary.

There are now four cotton buyers on the Kingstree market, as follows: Hugh McCutchen, representing Alex Sprunt, of Wilmington; J F Scott, Silcox & Co., Charleston; J C Kinder, Inman & Co, New York; W S Gilland, Rogers, McCabe & Co, Norfolk.

There seems to be no just reason for the present slump in the price of cotton and we advise our farmer friends, all who possibly can, to hold their crop for higher prices. With the present outlook ten cents is little enough and we believe it will go beyond that if the farmers will stand together and hold their cotton.

Following on the government report of the cotton crop condition the local market went off about 25 points. Just why this result ensued is not at all apparent. The estimate for August is lower than for two years and below the average for ten years. The figures given would indicate a higher instead of a lower price.

Mr J E Blizzard, of the Kingstree Hardware Co, made a business trip to McBeth Tuesday. McBeth is nearer to Charleston than to Kingstree, but the enterprising Kingstree Hardware Co has secured a large order for building material to be shipped there, successfully competing with similar concerns in Charleston and other places that look bigger on the map than Kingstree.

We are assured by Mr B W Butler, the capable and courteous manager of the Kingstree Dry Goods Co, that the business will be opened up next week.

As is usually the case there have been vexatious delays in getting the building completed, but things are now assuming satisfactory shape and in a few days the store will be filled with everything that goes to make up a first class dry goods emporium.

Messrs R H Kellehan and Dr D C Scott returned last week from a trip across the continent to the Pacific coast. They were away about six weeks and their itinerary included Pike's Peak, Yellowstone Park and the canons of Colorado. They visited San Francisco, Los Angeles and ventured north up into Canada, viewing wonderful scenery and getting a fair basis of comparison for the different sections of our vast and fertile country. While they enjoyed their trip and returned refreshed and invigorated, they both are glad to get back home and express themselves as being better pleased with old Williamsburg and more than ever firmly convinced that there's no place quite so good to live in as this favored land of ours.

Then she tried Electric Bitters, which helped her at once and finally made her entirely well. She is now strong and healthy." Dr W V Brockinton, druggist, sells and guarantees them at 50c a bottle.
